The Book of Numbers Robert Alexander Watson, 1894 *The Book of Numbers* John H. Conway, Richard Guy, 1998-03-16 the great feature of the book is that anyone can read it without excessive head scratching You ll find plenty here to keep you occupied amused and informed Buy dip in wallow IAN STEWART NEW SCIENTIST a delightful look at numbers and their roles in everything from language to flowers to the imagination SCIENCE NEWS a fun and fascinating tour of numerical topics and concepts It will have readers contemplating ideas they might never have thought were understandable or even possible WISCONSIN BOOKWATCH This popularization of number theory looks like another classic LIBRARY JOURNAL *The Book of Numbers* Tim Glynne-Jones, 2024-09-03 *The Book of Numbers* Robert Alexander Watson, 1903 **The Book of Numbers - In the Wilderness** Kenneth B. Alexander, 2013-07-20 Introduction to Numbers The fourth book of the Hebrew Torah The Law called the Pentateuch in Greek is the Book we know as Numbers In the Hebrew Bible it is called be midbar meaning in the wilderness In the Greek Septuagint version of the Bible LXX it is called Numbers and this name is now the usual title of the book It is so called because it contains a record of the numbering of the people in the wilderness of Sinai Chs 1a 4 and of their numbering afterwards on the plain of Moab Ch 26 The Book takes up where Exodus left off in the saga of Israel in the wilderness The Hebrew name for the Book in the wilderness is a better title for the Book Although the book is noted for its two censuses important events took place in the wilderness which relate to the present time We will go through the book with the historical developments discussed first The priestly elements and the censuses will be discussed at the later portion of the study The Book explains why Israel had to stay in the wilderness for forty years It was an 11 Day journey from Egypt to the Promised Land of Canaan But spies sent in to access the land brought back a bad report and God in His anger punished all of Israel The whole of Israel s stay in the wilderness generally portrays an unhappy people blaming Moses for their unhappiness Time and time again Moses had to defend himself against unwarranted accusations Ultimately it was God who had to stand up for him calling him the humblest man to ever walk the earth Time and time again God purposed to destroy the people for their grumbling and accusations Each time Moses had to implore the Lord not to do that Nevertheless God would send judgments among them in the form of plagues fiery serpents and other expressions of His wrath Thousands were killed Moses had to stave off the extent of the destruction by bargaining with God not to completely destroy the people This clearly shows that even in this day we should not grumble against God as He deals with our hearts His chastenings are just They are designed to get us into our Promised Land the Kingdom of God We should follow New Testament quotations that relate to difficulties in our walks with God For instance as James said of the Christians of his day which should have applied to Israel in the wilderness Consider it all joy my brethren when you encounter various trials knowing that the testing of your faith produces endurance steadfastness And let endurance steadfastness have its perfect result so that you may be perfect and complete lacking in nothing James 1 2 4 And Peter said

In this you greatly rejoice even though now for a little while if necessary you have been distressed by various trials so that the proof of your faith being more precious than gold which is perishable even though tested by fire may be found to result in praise and glory and honor at the revelation of Jesus Christ 1 Peter 1 6 7 And it was said of Christ Himself Although He was a Son He learned obedience from the things which He suffered Hebrews 5 8 The people of Israel had such great promises from the Lord but they like us sometimes could not endure with joy the hardship that is the Lord testing our faith The complaining began in Exodus They complained that the Egyptians came after them They complained until Moses parted the Red Reed Sea They complained on the other side because they had no water or food In short their faith in God was at zero despite what God had done in delivering them from slavery and protecting them from the Plagues he brought against Egypt Nevertheless the next generation made it to the banks of the Jordan River poised after forty years to possess the Land
