### **Paul's Gospel for the Thessalonians and Others**

Seyoon Kim, 2022-06-30 In this collection of essays Seyoon Kim analyses the structure and function of 1 Thess 1-3 which leads to a new reading of 1 Thessalonians He devotes several essays to a comprehensive exposition of Paul's gospel for the Thessalonians by fully unfolding several summaries of the gospel in the epistle by detecting and analysing various Son of Man sayings of Jesus that are alluded to or echoed in it and by a thorough discussion of the unity and continuity of Paul's gospel between this early epistle and his later epistles This exposition is augmented by a new observation of Paul's doctrine of justification in 2 Thess 1-2 and a new explanation of *to kat'ou* and *o kat'wv* 2 Thess 2:3-8

**The Rhetorical Approach to 1 Thessalonians** Ezra JaeKyung Cho, 2020-10-12 This book is the rhetorical approach to 1 Thessalonians particularly on funeral orations Though many scholars have interpreted 1 Thessalonians in light of a thematic perspective mirror reading and epistolary approach the author asserts that Paul employs elements of epideictic funerary oratory to persuade his audience Encountering the growing persecution sufferings and even death of members the believers of Thessalonica needed encouragement As a rhetorical strategist Paul needed effective methods to answer these problems which he did so with Greco-Roman funeral orations Moreover this book delves into the funerary language with the paradoxical concepts Paul uses to illustrate *topoi* and the purpose of funeral oration in 1 Thessalonians Consequently this book proves these ideas by showing how funeral orations shed light on the whole of 1 Thessalonians in the exordium 1 Thess 1:2-3 the narratio 1:4-3:10 the consolation and exhortation 4:1-5:15 and peroratio with prayer 5:16-28

**Why Are These Books in the Bible and Not Others? - Volume Two - A Translator's Perspective on the Canon of the New Testament** Gary F. Zeolla, 2016

Christians claim the Bible is the Word of God that it is the final authority in all matters relating to Christian faith and practice and that it is absolutely reliable in all that it teaches But to put such confidence in the Bible requires that we have the correct books in the Bible But do we Why are the 66 books in the Bible in the Bible and why were other books that could have been

included not included This subject is very important and complicated so complicated it takes three volumes to fully cover it Volume One studied the books included in the Old Testament OT and considered other books that could have been included but were not This Volume Two will cover the books included in the New Testament NT Volume Three will then consider the writings of the Apostolic Fathers some of which were considered for inclusion in the NT along with other writings orthodox and Gnostic that many wonder why they are not included in the NT In this second volume each of the 27 books included in the NT will be reviewed in detail Who wrote them and when their theology and other pertinent background information will be discussed to explain why they were included in the NT Arguments against the traditional viewpoints on these books will be addressed

Does It Matter Who Wrote the Bible? David B. Capes, 2025-05-20 Students in seminary or graduate theology programs learn that some books in the Bible are anonymous Their professors will make the point that many Pauline letters have disputed authorship and may in fact not be written by Paul Students will also learn about the practice of pseudonymity in the world of the Bible and how some Gospels or letters are written under a false name Now for those who become pastors or church leaders what are they to do with what they learn Do they teach their congregants about these authorship questions Do they ignore that part of their training as irrelevant to the task Do they avoid teaching or reading publicly from disputed books Do these questions not matter in the end because the church settled on the canon This book aims to address these pastoral challenges An international group of scholars from universities seminaries and graduate theology programs convened to discuss these matters at the Lanier Theological Library in May 2022 These essays represent how many faculty are wrestling with the pastoral implications of anonymity and pseudonymity in the New Testament

**When does the law end for a Christian?** Peter Williams, Booklets in this first series On which days was Christ crucified and resurrected Can we know the year of Christ's crucifixion Does the Bible's Creation account accord with scientific discovery Was Christ crucified on a cross Why should families symbolise the church and kingdom of God Who should take the bread and wine and when Can we be born again during this earthly life What annual festivals should Christians celebrate Is there a Holy Spirit God person What is the true gospel When does the law end

for a Christian Should Christians celebrate a weekly Sabbath Each booklet in this series focuses on one theme that is also covered more briefly in the 350 page book *Israel and the Covenants in New Testament Times* Each study's conclusions come from what the Bible reveals consistently answering all the objections the writer has heard to leave nothing even apparently contradicted by any other Bible text By this means they confirm that the booklet provides rock solid Bible truth and that the Bible is truly the word of God Despite this as the booklets series title suggests these conclusions are typically unexpected a primary aim in writing and sharing them If you find anything unpalatable please recognise that God is the real author of what these booklets show and the author little more than a researcher and collator of the subject matter Therefore if you the reader cannot refute what a booklet in this series asserts directly from the Bible surely nobody can please give God your thanks and praise for allowing you to come to the truth from Him *Israel and the Covenants in New Testament Times* may be ordered on line in the UK from Amazon.co.uk or at good bookshops and internationally from Amazon.com in paperback or Amazon Kindle format A4 352 pages Paragon Publishing ISBN 10 1 908341 68 8 ISBN 13 978 1 908341 68 6     The Christian Theology Reader Alister E.
