**Walford's Guide to Reference Material: Generalia, language and literature, the arts** Albert John Walford, Marilyn Mullan, Priscilla Schlicke, Library Association, 1996 From its first edition the purpose of Walford has been to identify and evaluate the widest possible range of reference materials No rigid definition of reference is applied In addition to the expected bibliographies indexes dictionaries encyclopaedias and directories a number of important textbooks and manuals of general practice are included While the majority of the items are books Walford is a guide to reference material Thus periodical articles microforms online and CD ROM sources are all represented In this volume a particular effort has been made to improve coverage of the latter two categories      **A Reference Guide for English Studies** Michael J. Marcuse, 2023-11-15      *Italian Literature Before 1900 in English Translation* Robin Healey, 2011-01-01 Italian Literature before 1900 in English Translation provides the most complete record possible of texts from the early periods that have been translated into English and published between 1929 and 2008 It lists works from all genres and subjects and includes translations wherever they have appeared across the globe In this annotated bibliography Robin Healey covers over 5 200 distinct editions of pre 1900 Italian writings Most entries are accompanied by useful notes providing information on authors works translators and how the translations were received Among the works by over 1 500 authors represented in this volume

are hundreds of editions by Italy's most translated authors Dante Alighieri Niccolò Machiavelli and Giovanni Boccaccio and other hundreds which represent the author's only English translation. A significant number of entries describe works originally published in Latin. Together with Healey's Twentieth Century Italian Literature in English Translation this volume makes comprehensive information on translations accessible for schools libraries and those interested in comparative literature.

**Pub desc      Development of Social Sciences** Dr. R. K. Bhatt & Mr. Manish Kumar, 2021-09-10 Development of Social Sciences A Librarian's Companion The present book entitled Development of Social Sciences A Librarian's Companion is an attempt to study the fundamental concept of the umbrella term Social Science which normally consist of four basic disciplines namely Political Science Economics Sociology and History though at a later stage the multidisciplinary approaches have widened the scope of social science thereby resulted into the inclusion of several disciplines which in one context or the other are directly related to the study of human beings. The present effort intends to study the role of social science contributors organizations institutions documentation centers and the social science information sources available in the context of the development of social science disciplines. The book is divided into five chapters namely i Social Science An Overview ii Social Science Contributors iii Social Science organizations and institutions iv National Documentation Centers in Social Sciences and v Information Sources in Social Science. The book will be useful to the students pursuing the studies in the field of library and information science teachers involved in teaching the course which involves the teaching of multidisciplinary content especially the social science vis vis libraries as well as by all those who wants to study and do research the role of libraries and their contribution in the growth and development of social science disciplines.
