

There is the sea as only Freuchen can write about it
... a wonderful book filled with story, love and
legend ... with history and fact ... with myths and
strange tales ... with magnificent illustrations

The Magic Figure

Everything tells about the "Seven Seas," but hardly anyone can
write about it as well as Peter Freuchen and his wife have done.
This reader can't imagine what an impact the book makes on
young readers. It reads like a real life, and might have been
one. Peter Freuchen is a child who is a simple person of water and the
seas, and that is his strength.

The "Seven Seas" is a very old story and a very new one, too.
It has been written and is written. The stories of the "Seven
Seas" are written in the hearts of many, and the thought that
was in the mind of the author. They thought that the world
was only that, and that the sea was all that mattered. The
author wrote the book with the sea in his mind, and the sea
was the only thing that mattered. The author wrote the book
with the sea in his mind, and the sea was the only thing that
mattered. The author wrote the book with the sea in his mind,
and the sea was the only thing that mattered.

In the summer of 1944, Peter Freuchen and his wife were in
the Arctic region of Greenland, the island "The Seven Seas".
The author wrote the book with the sea in his mind, and the
sea was the only thing that mattered. The author wrote the
book with the sea in his mind, and the sea was the only thing
that mattered. The author wrote the book with the sea in his
mind, and the sea was the only thing that mattered.
