A Home Book** Robert Collyer, 2024-07-02 Reprint of the original first published in 1877      **The Lives of the Novel** Thomas G. Pavel, 2015-06-30 Reprint Originally published Princeton New Jersey Princeton University Press A 2013      **A Powers Play**

**(The Powers That Be, Book 1.5)** Harper Bentley, Gable Powers had loved keeping me off balance from the moment we met dirty words whispered in my ear that made me tremble a spectacular tattooed body that had my own craving his a secret revealed that had only made me love him more Even his proposal had taken me by surprise when he got down on one knee in the shower But now it was my turn to shock him at midnight on New Year s Eve in Vegas and it was going to be awesome

*The Book of English Verse* Various Authors, 2020-09-28 FOR this Anthology I have tried to range over the whole field of English Verse from the beginning or from the Thirteenth Century to this closing year of the Nineteenth and to choose the best Nor have I sought in these Islands only but wheresoever the Muse has followed the tongue which among living tongues she most delights to honour To bring home and render so great a spoil compendiously has been my capital difficulty It is for the reader to judge if I have so managed it as to serve those who already love poetry and to implant that love in some young minds not yet initiated My scheme is simple I have arranged the poets as nearly as possible in order of birth with such groupings of anonymous pieces as seemed convenient For convenience too as well as to avoid a dispute royal I have gathered the most of the Ballads into the middle of the Seventeenth Century where they fill a languid interval between two winds of inspiration the Italian dying down with Milton and the French following at the heels of the restored Royalists For convenience again I have set myself certain rules of spelling In the very earliest poems inflection and spelling are structural and to modernize is to destroy But as old inflections fade into modern the old spelling becomes less and less vital and has been brought not I hope too abruptly into line with that sanctioned by use and familiar To do this seemed wiser than to discourage many readers for the sake of diverting others by a scent of antiquity which to be essential should breathe of something rarer than an odd arrangement of type But there are scholars whom I cannot expect to agree with me and to conciliate them I have excepted Spenser and Milton from the rule Glosses of archaic and otherwise difficult words are given

at the foot of the page but the text has not been disfigured with reference marks And rather than make the book unwieldy I have eschewed notes reluctantly when some obscure passage or allusion seemed to ask for a timely word with more equanimity when the temptation was to criticize or appreciate For the function of the anthologist includes criticizing in silence

**Thursdays (The Wait, Book 1)** Harper Bentley, 2016-11-20 Birdie I fell in love when I was 16 I married him I thought life was good Now he s dying Beck I married an addict I didn t know it at the time She hid it well Now she could die When Bernadette Birdie Chapman and Beck Griffin meet in grief counseling they have an instant connection For Birdie it s a comfort to share her feelings with someone who knows what she s going through For Beck it s an outlet someone who understands his anger But neither is prepared when they fall in love And the guilt is almost too much to bear Thursdays a love story of two broken hearts that find each other and try to become a whole Warning cliffhanger
