consequences are devastating and far reaching stirring ancient powers from their slumber and transforming Casteel and Kieran in ways even the Fates couldn't have foreseen But what that means is the least of their concerns For now What was foreseen The Blood Crown has fallen but what has risen is a far greater danger than they've ever faced From flesh and fire the Great Conspirator has returned to the mortal realm and he wants only one thing They must stop the true Primal of Death before he regains his strength and it won't be easy Even weakened his influence is undeniable His power unthinkable Has come to be While the future of the realms rests upon them they won't stand alone The gods have awakened each harboring their own blood soaked secrets But they must navigate an unbalanced realm where every choice past and present has the potential to not only undo everything they've fought for but also destroy the very bonds that have joined them together For the Harbinger and the Bringer of Death and Destruction has risen

structure and storytelling style live theater could be an interesting option Film is another option perhaps animation could make the most of the impressive locations creatures and spectacles There are several elements that are very well suited for a film or theater piece Because both these mediums usually feature the interactions between characters the strong personalities of The Sixth Coming are essential to capture Soyala is a great heroine from her borderline petulance over the Builders gift to her reluctant and confused acceptance of her destiny She isn't perfect which makes her all the more compelling as she overcomes overwhelming odds Kajika Burilgi and the Minstrel are wonderful supporting characters Each of these brothers has his own distinct personality and their squabbling provides comic relief Burilgi and the Minstrel in particular provide humor Kajika could bring in sex appeal for female audiences while Soyala and Xochiquetzal could do so for males Xochiquetzal Tona teootl is a fascinating villain Her sinister sexuality when welcoming Soyala and Kajika could play very well in a film The later scenes on the Barge are thrilling due to Tona teootl's increasingly evident madness These scenes would provide terrific moments for an actor to really chew up the scenery **God's Beauty** Patrick T.
