You Are All Free Jeremy D. Popkin,2010-08-30 The events leading to the abolition of slavery in the French colony of Saint Domingue in 1793 and in France **Choosing Their Own Style** Scooter Pegram,2005 Choosing Their Own Style examines identity issues among Haitian youth in Qu bec Since Qu bec is a Francophone society in Anglophone North America linguistic and cultural confusion often causes immigrants to assume multiple identities in order to fit in Examining how young Haitians an integral part of the provincial mosaic are influenced by this complicated social and cultural paradigm this book illustrates how Haitian youth are currently identifying and expressing

themselves in Quebec and demonstrates how they resist categorization into a fixed ethnocultural group creating a distinct still emerging societal and cultural classification of their own

Travel and Ethics Corinne Fowler, Charles Forsdick, Ludmilla Kostova, 2013-12-13 Despite the recent increase in scholarly activity regarding travel writing and the accompanying proliferation of publications relating to the form its ethical dimensions have yet to be theorized with sufficient rigour Drawing from the disciplines of anthropology linguistics literary studies and modern languages the contributors in this volume apply themselves to a number of key theoretical questions pertaining to travel writing and ethics ranging from travel as commoditization to encounters with minority languages under threat Taken collectively the essays assess key critical legacies from parallel disciplines to the debate so far such as anthropological theory and postcolonial criticism Also considered and of equal significance are the ethical implications of the form's parallel genres of writing such as ethnography and journalism As some of the contributors argue innovations in these genres have important implications for the act of theorizing travel writing itself and the mode and spirit in which it continues to be conducted In the light of such innovations how might ethical theory maintain its critical edge

Killing the Elites Jean-Philippe Belleau, 2024-10-29 In the summer and fall of 1964 a massacre took place in the small town of Jérémie Haiti After an ill fated uprising the brutal regime of François Papa Doc Duvalier ordered reprisals against the town that some of the insurgents were allegedly from Entire families all from the town's upper class were slaughtered Through a rich

historical ethnography of the massacre Jean Philippe Belleau offers a new account of the workings of the Duvalier regime and an innovative analysis of anti elite violence *Killing the Elites* meticulously reconstructs the various phases of the massacre identifying the victims and perpetrators tracing the social ties that linked them and examining the varying degrees of culpability from the state to bystanders Although Duvalier and the military were responsible the killings were attributed to popular social grievances Examining how the Haitian state has brutalized the upper classes Belleau develops a new theory of anti elite violence He challenges views that ideology or social difference can readily drive people to kill their neighbors and that the upper classes fall victim to popular rough justice showing that social bonds within the town prevented organized violence from spreading The state Belleau underscores is the primary perpetrator of violence against elites Drawing on interviews with eyewitnesses and former regime members as well as a wide range of unexplored primary sources this book provides a new lens on Haiti under Duvalier and reveals why the victimization of the elite is essential to mass violence
