Lennox and Perthshire and a number of views relate to his journey. The stories of these early Celtic saints are fascinating and the corresponding landscape views by Cooper are transportive in evoking an earlier age where the trappings of modern society are largely absent and one can very easily imagine the paths, routes and journeys or desire lines taken by these inspiring people.

The Celtic Saints of the Channel Islands Luke Penkett, 2017-01-30     *The Celtic Year* Shirley Toulson, 1996. Contains stories of the lives of the Celtic saints as well as descriptions of the major Celtic sites and festivals and traditional prayers and blessings of the Celtic church.

*Wisdom of the Celtic Saints* Edward C. Sellner, 1993. Faithfully presenting the lives and legacies of twenty Celtic saints of the sixth to ninth centuries. Edward Sellner reveals their wisdom in a way that can be understood and appreciated by contemporary readers. The stories recounted range from the well-known Patrick, Brendan, Brigit to those less likely to be familiar, Monesán, Samthann and Aidan. Vivid portrait illustrations by Susan McLean Keeney add to the prayerful beauty of the book.

*Sea-road of the Saints* John Marsden, 1995. John Marsden follows the course of the sea road of the early Celtic saints from Ireland to the western coast and isles of Scotland. He explores the spiritual tradition of the white martyrdom of exile for Christ as it was lived out by these voyager visionaries against the land and seascapes of the Hebrides. From Columba onwards to Ciarán, Cormac, Brendan and Ronan, those who spread Irish Christianity into Scotland left traces throughout the landscape and in the place names which survive to this day. The book gives not only a colourful account of the history of those times but serves also as a guide to the island traveller on a path of exploration of this rich and ancient tradition.

Celtic Christianity Christopher Bamford, William Parker Marsh, 1987. Our God is the God of Heaven and Earth, of sea and river, of sun and moon and stars of the lofty mountain and lowly valley. St Patrick. In this anthology the stories of the Celtic saints are interspersed with verses, prayers and sayings attributed to those ancient sages from Patrick and Brigit through Brendan and Columba to Aidan and Cuthbert. It is uncertain when or how Christianity first arrived at those westernmost reaches. It seems always to have been there. Legend tells us that Irish bards attended the events on Golgotha in the spirit. In the Celtic tradition there is a continuity in cosmic process. For the Celt, Christ's death and resurrection was a healing that allows reconciliation between humanity and nature in God. In this sense, Christianity was always in Ireland and we seek its historical beginning in vain. If the Celtic Church had survived, perhaps the fissure between Christianity and nature, widening through the centuries, would never have fragmented our Western attitude toward nature and the universe.
