Religious Landscape Jacob Stratman, 2018-09-12 How are teenagers' religious experiences shown in today's young adult literature? How do authors use religious texts and beliefs to add depth to characters, settings, and plots? How does YA fiction place itself in the larger conversation regarding religion? Modern YA fiction does not shy away from the dilemmas and anxieties teenagers face today. While many stories end with the protagonist in a state of flux, if not despair, some authors choose redemption or reconciliation. This collection of new essays explores these issues and more, with a focus on stories in which characters respond to a new, often shifting religious landscape in both realistic and fantastic worlds. **Whitaker's Cumulative Book List**, 1986 *Ramayana and Mahabharata*, 1987
