Leider, David Shapiro, 2021-07-13 Grow old on purpose This book invites readers to navigate a purposeful path from adulthood to elderhood with choice curiosity and courage Everyone is getting old not everyone is growing old But the path of purposeful aging is accessible to all and it's fundamental to health happiness and longevity With a focus on growing whole through developing a sense of purpose in later life Who Do You Want to Be When You Grow Old celebrates the experience of aging with inspiring stories real world practices and provocative questions Framed by a long conversation between two old friends the book reconceives aging as a liberating experience that enables us to become more authentically the person we always meant to be with each passing year In their bestseller *Repacking Your Bags* Richard J Leider and David A Shapiro defined the good life as living in the place you belong with people you love doing the right work on purpose This book builds on that definition to offer a purposeful path for living well while aging well **USIA World**, 1989 **Death Attitudes and the Older Adult** Adrian Tomer, 2018-10-24 This innovative and informative new text bridges the fields of gerontology and thanatology *Eldercare as Art and Ministry* Irene V. Jackson-Brown, 2020-10-16 This book addresses the fact that despite the inevitability of aging the vast majority of us are ill prepared for eldercare Eldercare as Art and Ministry broadens and deepens an understanding of eldercare as an art and as a ministry As art eldercare requires creativity imagination and perseverance Here ministry is considered in its fullest meaning to include guiding administering serving waiting upon or acting as a loved one's agent Through stories lessons and poignant vignettes Jackson Brown calls each one of us whether young or older ordained or laity fortunate or less fortunate prepared or not to serve and care for an aging loved one For lay people and professionals this book is a guide to navigate the challenges of eldercare and to find meaning in this important work *What are Old People For?* William H.
