## **Courts Of Terror Soviet Criminal Justice And Jewish Emigration:**

**Courts of Terror** Telford Taylor, 2012-06-06 The true quality of a judicial system is best measured by its resistance to stress whether caused by community racial or other prejudice or by the pressure of state political policies and interests Telford Taylor Working in secret for the past several years a group of distinguished American attorneys including university law professors has mounted an intensive campaign to secure the release of a score of Russians most of them Jews attempting to emigrate to Israel who have been incarcerated in Soviet prisons on a variety of trumped up charges Telford Taylor prosecutor at the Nuremberg war trials and now professor of law at Columbia University is one of these lawyers In this book he makes public how he and his colleagues among them Alan Dershowitz Leon Lipson George Fletcher and Melvin Stein have challenged the Soviet judicial system on its own legal grounds and how the Soviet Union has subverted its own rules for the conduct of trials and the confinement of prisoners in order to accommodate a government policy of discouraging emigration without appearing to prohibit it The author tells how he and his fellow attorneys prepared and presented to Russian officials petitions containing documentation of false indictments and twisted trial procedures In one case a factory mechanic Isaac Shkolnik accused of spying for the British was brought to trial when the British government denied the accusation on charges of spying for Israel In another a carpenter Pinkhas Pinkhasov was tried and imprisoned for overpricing his services after his emigration permit had been issued Taylor discloses how in case after case trial after trial charges have been fabricated defendants have been denied counsel of their choice and witnesses requested by the defense have been barred from testifying all in clear defiance of Soviet law And perhaps the most appalling of his revelations he brings to light the shocking abuse of Jewish prisoners in the camps at the hands of long time inmates who were sentenced at the end of World War II for Nazi activities and who by virtue of seniority have become trustees with power to discipline the newcomers As of early 1976 despite the arduous labors of the American attorneys despite their visits to Moscow to make personal appeals to Soviet officials highlighted in Taylor's account of his dramatic meeting with Roman Rudenko now the Kremlin's Procurator General who served with him as a prosecutor at Nuremberg thirty years ago only two of the prisoners had achieved early release in possibly unrelated actions **Courts of Terror** documents with stinging force how a judicial system can be and has been perverted to serve the political purposes of totalitarian state It is published to set forth the facts and in hope of opening up new ways to action on behalf of the men who are still unjustly held prisoner

**Courts of Terror** Telford Taylor, 1976-01-01 [The Struggle for Soviet Jewry in American Politics](#) Fred A. Lazin, 2005-04-19 Until 1989 most Soviet Jews wanting to immigrate to the United States left on visas for Israel via Vienna In Vienna with the assistance of American aid organizations thousands of Soviet Jews transferred to Rome and applied for refugee entry into the United States [The Struggle for Soviet Jewry in American Politics](#) examines the conflict between the Israeli government and the organized American Jewish community over the final destination of Soviet Jewish migrants between 1967 and 1989 A generation after the

Holocaust a battle surrounded the thousands of Soviet Jewish migrants fleeing persecution by choosing to resettle in the United States instead of Israel Exploring the changing ethnic identity and politics of the United States Fred A Lazin engages history ethical dilemma and diplomacy to uncover the events surrounding this conflict This book is essential reading for students and scholars of public policy immigration studies and Jewish history      **A Cold War Exodus** Shaul Kelner,2024-04-23 From twinning bar and bat mitzvahs to smuggling blue jeans across the Iron Curtain A Cold War exodus analyzes how Cold War era social movement activists invented the mass mobilization tactics that helped free Soviet Jews and reshaped Jewish American culture in the process      The Jews of the Soviet Union Benjamin Pinkus,1988 This is a comprehensive and topical history of the Jews in the Soviet Union and is based on firsthand documentary evidence and the application of a pioneering research method into the fate of national minorities Within a four part chronological framework Professor Pinkus examines not only the legal political status of the Jews and their reciprocal relationship with the Soviet majority but also the impact of internal economic demographic and social processes upon the religious educational and cultural life of Soviet Jewry A second layer of analysis describes in depth the complex linkages between the Jews of the Soviet Union the Jews in other diasporas and the state of Israel itself The Jews of the Soviet Union marks a major contribution to the historiography and social analysis of its subject and provides a worthy companion to Professor Pinkus's acclaimed documentary study The Soviet Union and the Jews 1948 1967      **War Against the Jews** Alan Dershowitz,2023-12-12 In War Against the Jews How to End Hamas Barbarism Alan Dershowitz 1 New York Times bestselling author and one of America's most respected legal scholars explains why the horrific attack of Oct 7 and Israel's just response changes everything It has changed the relationship between Israel and the United States especially with regard to the possibility of direct American intervention It has required Israel to consider its nuclear option as a last resort to assure its survival It has revealed dangerous attitudes among America's future leaders on today's college campuses toward Israel's possible destruction It has exposed media biases that have been exacerbated with Israel's vulnerabilities It has united Israelis and Jews around the world as never before despite the deep divisions among them politically religiously and ideologically Nothing will ever be the same It has clouded the future of peace between Israel and its Arab and Muslim neighbors and has diminished the proposals for a peaceful resolution of the Israel Palestinian conflict It has made predictions about the future of the region nearly impossible except that imposing instability is inevitable In this short book Dershowitz analyzes these transforming events and suggests how to move forward      *Further Documents from F. Taylor Ostrander* Warren J. Samuels,2006-08-01 Presents the class notes of Taylor Ostrander at Williams College 1929 32 This title covers courses on principles of economics money and banking public finance the senior seminar and the review of political theory It also includes two memoranda on Franklin Roosevelt and a memoir on the founding of the Williams College Liberal Club      *Problems of Communism* ,1977      Soviet Law After Stalin.. Driessen,H.L. Verhaar,S.P. de Boer,2024-11-25      War on Woke Alan Dershowitz,2024-03-19 In War on Woke Why the New McCarthyism Is More Dangerous Than the Old Alan Dershowitz 1 New York Times bestselling author and one of America's most respected legal scholars warns of the danger to the future of civil liberties and equality in America Alan Dershowitz has been called one of the most prominent and consistent defenders of civil liberties in America by Politico and the nation's most peripatetic civil liberties lawyer and one of its most distinguished defenders of individual rights by Newsweek War on Woke exposes new McCarthyite tendencies and tactics of academia the media and the business community especially high tech that promote closed minded intolerance Dershowitz explains that the new woke McCarthyism challenges the basic tenets of the classic liberal in the traditional sense state Freedom of expression due process presumption of innocence right to counsel equal application of the law tolerance and respect for differing viewpoints and that these bedrock principles are rejected by McCarthyite extremists on both the hard left and the hard right Analyzing the impact of this new woke McCarthyism through the relentless attempts to get Trump the attention on the Bidens and even its international manifestation relative to anti-Semitism Israel and the world Dershowitz investigates the role of media and asks whether the US Supreme Court can constrain this growing threat as new woke McCarthyism becomes mainstream Americanism especially as the current generation of students and young professionals become our political media business educational religious and in uencer leaders      Political Terrorism A.J. Jongman,2017-07-28 While there is no easy way to define terrorism it may generally be viewed as a method of violence in which civilians are targeted with the objective of forcing a perceived enemy into submission by creating fear demoralization and political friction in the population under attack At one time a marginal field of study in the social sciences terrorism is now very much in center stage The 1970s terrorist attacks by the PLO the Provisional Irish Republican Army the Popular Front for the Liberation of Palestine the Japanese Red Army the Unabomber Aum Shinrikyo Timothy McVeigh the World Trade Center attacks the assault on a school in Russia and suicide bombers have all made the term terrorism an all too common part of our vocabulary This edition of Political Terrorism was originally published in the 1980s well before some of the horrific events noted above This monumental collection of definitions conceptual frameworks paradigmatic formulations and bibliographic sources is being reissued in paperback now as a resource for the expanding community of researchers on the subject of terrorism This is a carefully constructed guide to one of the most urgent issues of the world today When the first edition was originally published Choice noted This extremely useful reference tool should be part of any serious social science collection Chronicles of Culture called it a tremendously comprehensive book about a subject that any who have anything to lose from property to liberty life to limbs should be forewarned against      *Human Rights and World Public Order* Myres Smith McDougal,Harold Dwight Lasswell,Lung-chu Chen,2019 As a classic text of the New Haven School of International Law this book explores human rights and international law in the broadest sense taking into account social sciences research while embracing all values secured or consequently

fulfilled or needed to thus be achieved The re issuance of this venerable title unveils this work to a new generation of scholars students and practitioners of international law and human rights

### **The Price of Principle Alan**

Dershowitz,2022-07-12 In his fiftieth book The Price of Principle Why Integrity Is Worth the Consequences Alan Dershowitz 1 New York Times bestselling author and one of America s most influential legal scholars explores the implications of the increasing tendency in politics academia media and even the courts of law to punish principle and reward partisan hypocrisy Alan Dershowitz has been called one of the most prominent and consistent defenders of civil liberties in America by Politico and the nation s most peripatetic civil liberties lawyer and one of its most distinguished defenders of individual rights by Newsweek Yet he has come under intense criticism for living by his principles and applying his famed shoe on the other foot test The Price of Principle is about efforts to cancel Alan Dershowitz and his career because he has insisted on sticking to his principles instead of choosing sides in the current culture and political war dividing our country He explains that principled people are actively punished for not being sufficiently partisan Principle has become the vice and partisanship the virtue in an age when partisan ends justify unprincipled means such as denial of due process and free speech in the interest of achieving partisan or ideological goals Throughout his narrative Dershowitz focuses on three sets of principles that have guided his life 1 freedom of expression and conscience 2 due process fundamental fairness and the adversary system of seeking justice and 3 basic equality and meritocracy He documents the attacks on him and others like him for being guilty of refusing to compromise important principles to promote partisanship He names names and points fingers of accusation at those who have led us down this dangerous road In the end The Price of Principle represents an icon in the defense of free speech and due process reckoning with the challenges of unprincipled attacks a new brand of McCarthyism and insisting that we ask hard questions about our own moral principles

Dershowitz on Killing Alan Dershowitz,2023-04-25 In Dershowitz on Killing How the Law Decides Who Shall Live and Who Shall Die Alan Dershowitz New York Times bestselling author and one of America s most respected legal scholars examines the subjects of death life and the law Alan Dershowitz has been called one of the most prominent and consistent defenders of civil liberties in America by Politico and the nation s most peripatetic civil liberties lawyer and one of its most distinguished defenders of individual rights by Newsweek His legal career as a criminal defense lawyer has been deeply involved with death and life decisions Dershowitz on Killing is a timely examination of issues and questions that are front and center in today s society Employing a philosophical moral religious and cultural lens to the legal aspects surrounding death and life Dershowitz elucidates the role of government to determine who shall live and who shall die in declaring wars ordering executions authorizing deadly force permitting or denying abortions providing or mandating vaccines controlling climate change allowing or refusing asylum for endangered migrants and other life and death rulings He

notes that when the government decides these choices it is asked to do so by first determining whether a right is involved because rights trump mere interest just as constitutional restrictions trump legislative and executive actions Dershowitz on Killing asserts that the rules governing death and life decisions should reflect the irreversibility of death It is essential reading for anyone interested in or concerned about how these decisions are allocated among state and federal executive legislative and judicial private and governmental religious and secular institutions and how people in a democracy through the power of the ballot have the ultimate say in these critical decisions      **Freedom's Ordeal** Peter Juviler, 2010-11-24 Fifteen countries have emerged from the collapse of the Soviet Union Freedom's Ordeal recounts the struggles of these newly independent nations to achieve freedom and to establish support for fundamental human rights Although history has shown that states emerging from collapsed empires rarely achieve full democracy in their first try Peter Juviler analyzes these successor states as crucial and not always unpromising tests of democracy's viability in postcommunist countries Taking into account the particularly difficult legacies of Soviet communism Freedom's Ordeal is distinguished by its careful tracing of the historical background with special attention to human rights before during and after communism Juviler suggests that the culture and practices of despotism may wither wherever modernization conflicts with tyranny and with the curtailment or denial of democratic rights and freedoms      **Caught on Camera** Christian Delage, 2014 Combining the practical knowledge of a renowned director with the perspective of a historian and media specialist Christian Delage explores the conditions and consequences of using film for the purposes of justice and memory by examining archival footage from war crime trials from Nuremberg to the present      **Politics and Nationality in Contemporary Soviet-Jewish Emigration, 1968-89** Laurie P. Salitan, 1992-06-18 According to this study Soviet policy toward Jewish emigration is ruled by domestic affairs rather than foreign It challenges the view that the exodus from the USSR is related to the superpower climate and offers a comparison with Soviet German emigration      *ABA Journal*, 1977-12 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association
