Schloss,2009-03-05 B boying is a form of Afro diasporic competitive dance that developed in the Bronx NY in the early 1970s Widely though incorrectly known as breakdancing it is often dismissed as a form of urban acrobatics set to music In reality however b boying is a deeply traditional and profoundly expressive art form that has been

passed down from teacher to student for almost four decades Foundation B boys B girls and Hip Hop Culture in New York offers the first serious study of b boying as both unique dance form and a manifestation of the most fundamental principles of hip hop culture Drawing on anthropological and historical research interviews and personal experience as a student of the dance Joseph Schloss presents a nuanced picture of b boying and its social context From the dance s distinctive musical repertoire and traditional educational approaches to its complex stylistic principles and secret battle strategies Foundation illuminates a previously unexamined thread in the complex tapestry that is contemporary hip hop
