Droplets of Emotions Atul Chandra Sarkar,2019-02-28 Haiku or Hokku as it known is a Japanese form of poetry which in English format consists of an unrhymed verse containing three lines The first and third lines contain five syllables whereas the second or middle line has seven syllables A Haiku is one or more graphic images depicting a specific moment that draws one s focus and perforce to think about it Initially meant to be an exercise for novice poets in the course of time it gathered the interest of readers and soon became an appreciated form of poetry Its sojourn from Japanese to Western Literature and gradual transformation are equally interesting Droplets of emotion as the title suggests is a collection of varying emotions conveyed through inspirational imageries often moving in and out of the traditional Nature and more often than not bordering on philosophy Look at a droplet of water and you see everything around it It s just not water but a world unto itself that stirs emotions Each haiku is a drop that mirrors the surrounding of its location Everyone sees blooming and wilted flowers the sun the moon and stars clouds rains birds and innumerable things around him all of them so ordinary and taken for granted Yet of these some draw instant attention awakening the artist painter photographer and poet Such irresistible things although apparently simplistic are actually complex because in the ultimate analysis each is a wee element of the universe **The Portable Jack Kerouac** Jack Kerouac,1995 Presents selections from Jack Kerouac s novels poetry letters and essays *Tranquil* Mikaiel Oteda,2023-10-31 Indulge in serenity with Tranquil A Collection of Haikus to Soothe the Soul Immerse yourself in a poetic haven where each carefully crafted haiku whispers tranquility and introspection Let the minimalist verses transport you to a realm of profound calm and peaceful reflection With its evocative imagery and poignant prose Tranquil creates a calming oasis making it the ideal companion for moments of peaceful introspection Be refreshed and discover tranquility anew with these timeless poetry to soothe your soul *Book of Haikus* Jack Kerouac,2003 A compact collection of more than 500 poems from Jack Kerouac that reveal a lesser known but important side of his literary legacy Above all a haiku must be very simple and free of all poetic trickery and make a little picture and yet be as airy and graceful as a Vivaldi pastorella Jack Kerouac Renowned for his groundbreaking Beat Generation novel On the Road Jack Kerouac was

also a master of the haiku the three line seventeen syllable Japanese poetic form Following the tradition of Basho Buson Shiki Issa and other poets Kerouac experimented with this centuries old genre taking it beyond strict syllable counts into what he believed was the form s essence He incorporated his American haiku in novels and in his correspondence notebooks journals sketchbooks and recordings In Book of Haikus Kerouac scholar Regina Weinreich has supplemented a core haiku manuscript from Kerouac s archives with a generous selection of the rest of his haiku from both published and unpublished sources
