Selection And Censorship A Study Of School And Public Libraries In California:

Book Selection and Censorship Marjorie Fiske, Marjorie Fiske Lowenthal, 1968 Book Selection and Censorship: a Study of School and Public Libraries in California M. Fiske, 1968 **Handbook of Research on Children's and Young Adult Literature** Shelby Wolf, Karen Coats, Patricia Enciso, Christine Jenkins, 2011-04-27 This landmark volume is the first to bring together leading scholarship on children's and young adult literature from three intersecting disciplines Education English and Library and Information Science Distinguished by its multidisciplinary approach it describes and analyzes the different aspects of literary reading texts and contexts to illuminate how the book is transformed within and across different academic figurations of reading and interpreting children's literature Part one considers perspectives on readers and reading literature in home school library and community settings Part two introduces analytic frames for studying young adult novels picturebooks indigenous literature graphic novels and other genres Chapters include commentary on literary experiences and creative production from renowned authors and illustrators Part three focuses on the social contexts of literary study with chapters on censorship awards marketing and literary museums The singular contribution of this Handbook is to lay the groundwork for colleagues across disciplines to redraw the map of their separately figured worlds thus to enlarge the scope of scholarship and dialogue as well as push ahead into uncharted territory **The Climate of Book Selection** University of California, Berkeley. School of Librarianship, J. Periam Danton, **Censorship** Derek Jones, 2001-12-01 Censorship A World Encyclopedia presents a comprehensive view of censorship from Ancient Egypt to those modern societies that claim to have abolished the practice For each country in the world the history of censorship is described and placed in context and the media censored are examined art cyberspace literature music the press popular culture radio television and the theatre not to mention the censorship of language the most fundamental censorship of all Also included are surveys of major controversies and chronicles of resistance Censorship will be an essential reference work for students of the many subjects touched by censorship and for all those who are interested in the history of and contemporary fate of freedom of expression

Communication Informatics and Librarianship in India S. P. Agrawal, Pushpa Rani Sharma, 1992 **Research in Information Studies** W. Bernard Lukenbill, 2012-04-11 Research is integrated into the whole fabric of modern day society and culture It affects our lives in so many ways from finding a job to knowing how to manage our health Information studies designed to understand this array of information encompasses a wide expanse of disciplines Many of these areas draw their philosophical and research bases from a mixture of disciplines within the social sciences and the humanities This book takes a holistic view of these diverse areas and shows how they are united through the common thread of enhancing our knowledge of and understanding the world in which we all live Foundations of Library and Information Science Richard E. Rubin, Rachel G. Rubin, 2020-09-14 Richard E Rubin's book has served as the authoritative introductory text for generations of library and information science practitioners with each new edition taking in its stride the myriad societal

technological political and economic changes affecting our users and institutions and transforming our discipline Rubin teams up with his daughter Rachel G Rubin a rising star in the library field in her own right for the fifth edition Spanning all types of libraries from public to academic school and special it illuminates the major facets of LIS for students as well as current professionals Continuing its tradition of excellence this text addresses the history and mission of libraries from past to present including the history of service to African Americans critical contemporary social issues such as services to marginalized communities tribal libraries and immigrants the rise of e government and the crucial role of political advocacy digital devices social networking digital publishing e books virtual reality and other technology forces shaping the future of libraries including Future Ready libraries and sustainability as a core value of librarianship the values and ethics of the profession with new coverage of civic engagement combatting fake news the importance of social justice and the role of critical librarianship knowledge infrastructure and organization including Resource Description and Access RDA linked data and the Library Research Model the significance of the digital divide and policy issues related to broadband access and net neutrality intellectual freedom legal issues and copyright related topics contemporary issues in LIS education such as the ongoing tensions between information science and library science and the changing character of collections and services including the role of digital libraries preservation and the digital humanities In its newest edition Foundations of Library and Information Science remains the field's essential resource

Intellectual Freedom and Social Responsibility in American Librarianship, 1967-1974 Toni Samek, 2017-07-06 Between 1967 and 1974 a number of librarians came together to push for change in the American Library Association They soon prompted a majority of the profession to examine their role in the dissemination and preservation of culture and to ask basic questions about the terrain that the profession defends A particular concern was the limitations to intellectual freedom if any that might arise in the pursuit of other perhaps equally worthy goals The questions raised by this advocacy group were based on a relatively new concept of librarianship social responsibility that was partly an outgrowth of the civil rights and antiwar agitation of the period and partly a continuation of the proud traditions of the alternative press movement in the United States The resulting dissension and turmoil exposed an inherent discrepancy not only between the rhetoric of ideals within the profession and the reality of practice but between librarians as agents of change librarians having a social agenda and professional neutrality or the provision of information for all sides without taking sides These conflicts have never been resolved The reader will find in this book a fully researched presentation of the years of ferment and political infighting that brought the issues into such sharp focus

Supporting Students' Intellectual Freedom in Schools: The Right to Read Sachdeva, Danielle E., Hull, Samantha L., Kimmel, Sue C., Whitaker, Westry A., 2023-12-21 In today's developing view of education a disquieting trend looms the erosion of students' right to choose what they read This erosion fueled by an alarming surge in censorship attempts casts a shadow over the very essence of intellectual exploration Recent years have witnessed an unprecedented number of challenges aimed at restricting

access to books targeting themes that embrace human diversity inclusivity and the tapestry of life itself As educators administrators and scholars grapple with this critical juncture Supporting Students Intellectual Freedom in Schools The Right to Read serves as a comprehensive resource they can turn to for support and knowledge This book is a call to action resonating with teachers school librarians administrators and scholars who refuse to let censorship erode the foundations of education As censorship attempts proliferate its chapters offer fortification providing educators at all levels with the tools to safeguard students intellectual freedom From the hallowed halls of academia to the vibrant classrooms of K 12 the insights within these pages shape curricula conversations and a collective commitment to nurturing minds that thrive on diversity and inquiry In a world clamoring for unwavering advocates of intellectual freedom Supporting Students Intellectual Freedom in Schools is not just a solution it is a declaration of resolute solidarity in the pursuit of knowledge and the unassailable right to read

The Collection Building Reader Betty-Carol Sellen, Arthur Curley, 1992 A selection of 30 articles from the quarterly journal Collection Building The articles are organised into four sections management issues selection deselection evaluation and resource sharing and include such topics as information policies for collection development librarians

Wisconsin Library Bulletin, 1981

Citizenship and Participation in the Information Age Manjunath

Pendakur, Roma M. Harris, 2002-01-01 This book reflects each contributor's vision of the future visions that range from the enthusiastic and hopeful to the pessimistic and fearful

Library Services in Theory and Context Michael K.

Buckland, 2014-05-09 Library Services in Theory and Context provides a theoretical framework for considering the nature of library services This book is organized into four parts encompassing 16 chapters that focus on the management of library services The first part presents some basic problems in librarianship along with the scope and probable nature of appropriate theory The second part considers the five key aspects and use of library services including inquiries retrieval the process of becoming informed the demand for library services and the allocation of resources to and within library services The third part deals with the connection and extensions of library services specifically the problem of achieving internal consistency and the generalizability of conceptual framework to information services The fourth part reconsiders some of the basic conceptual problems in library services This book will be of great value to school administrators and librarians

Standard Catalog for Public Libraries, 1959-1963 H.W. Wilson Company, 1964

Fundamentals of Collection Development and Management Peggy Johnson, 2009 Addresses the art of controlling and updating your library's collection Discussions of the importance and logistics of electronic resources are integrated throughout the book

Standard Catalog for Public Libraries H.W. Wilson Company, 1959

Library Ethics Jean Preer, 2008-10-30 The evolution of ethical standards for librarians parallels the development of librarianship as a profession Our most important professional values have been tested and debated in the course of formulating and adopting our codes of ethics This book includes historical precedents and current examples of ethical issues facing the profession It looks broadly at the many arenas in which librarians face ethical

choices helping practitioners identify an ethical dilemma and providing guidance on how to respond how to separate personal belief from professional responsibility and how to make exceptions in a principled way Where appropriate references are included to the codes of ethics of other professions journalists booksellers and lawyers *Catalog of the Communications Library, University of Illinois* University of Illinois at Urbana-Champaign. Library, 1975 **Intellectual Freedom and the Use of Trade Books in the Elementary School** Katherine Mone Chandler, 1985
