When God Speaks in Parables (Volume 3) Dami I. Olu, 2024-04-12 A rich fool A wayward son A good but despised hero A dubious but impressive manager A persistent widow who would not be denied What do all these characters have in common Jesus Jesus wove His narratives around these wildly different characters to teach us about the kingdom of God In a world filled with so many voices struggling for attention and supremacy the voice of Jesus echoes through the ages in the timeless parables He shared with us some 2000 years ago Jesus Christ skillfully used storytelling as a powerful vehicle for delivering eternal and timeless truths about life eternity faith religion forgiveness pride greed and many pertinent subjects The question is Why and how are these parables relevant to us today This series answers the question It promises to be an exciting and life transforming read Come along This volume digs deep to reveal the hidden gems in the following powerful parables told by Jesus Christ the Rich Fool the Lost Coin the Lost Sheep the Prodigal Son the Unmerciful Servant the Good Samaritan the Scribe or Household Treasures The Travelling Owner of the House the Faithful and Evil Servants the Fishing Net The parables centre on the subjects of forgiveness greed and wisdom *Godly Play in Middle and Late Childhood*

Cheryl V. Minor, 2022-07-12 An internationally recognized Christian formation program This latest addition to the Godly Play series focuses on methods for mentors to use with school aged children to keep them engaged including adaptations to the environment adding more stories offering more sophisticated materials for free art responses and more There are compelling reasons for doing Godly Play with this age group and this book shows you how Praise for the Godly Play series Jerome Berryman recognizes the inherent spirituality of childhood and his message in this book empowers parents and caregivers to nurture their children's connection to their place of belonging in God's ongoing story Christian Education Journal Jerome Berryman's work helps children internalize the Christian tradition and then offers them the opportunity to use that tradition in their daily living Rev Jim Carr Methodist Minister San Antonio [The Rabbinic Parables and Jesus the Parable Teller](#)

David Flusser, 2024-04-09 First published in German as *Die rabbinischen Gleichnisse und der Gleichniserzähler Jesus* in 1981 and now translated into English for the first time this seminal work by Professor David Flusser remains an important and unparalleled contribution on Jesus as a storyteller in the Jewish rabbinic tradition Using a literary approach to study extant rabbinic parables he argues that Jesus parables belong to a genre that exists only in rabbinic literature and the New Testament In order to analyze the theology behind Jesus parables we need to understand them as a first century literary art form In a summary of the book Flusser writes I am firmly convinced with fellow researchers that it is possible to get reasonably close to the original wording of Jesus teaching But this is only the case when the otherwise usual method of literary criticism is applied to the text of the Synoptic Gospels and when moreover one is willing and able to be guided by knowledge of Judaism I certainly admit that the words of Jesus including his parables were edited by Greek redactors and subsequently by the evangelists Nevertheless I believe it is often possible to separate the shell from the nut by applying a

better synoptic theory As I have argued several times the parables of Jesus belong to the genre of the rabbinic parables Therefore valid statements about Jesus parables whether these regard their essence or their literary quality can only be made when one has first dealt with the essence and literary form of the rabbinic parables *The Power of Parables* ,2023-11-07 The Power of Parables documents the surprising ways in which Jewish and Christian parables bridge religion with daily life This 2019 conference volume rediscovers the original power of parables to shock and affect their audience which has since been reduced by centuries of preaching and repetition Not only do parables enhance the perspective on Scripture or the kingdom of heaven they also change the sensory regime of the audience in perceiving the outer world The theological differences in their applications appear secondary in view of their powerful rhetoric and suggest a shared genre
