That Came Alive:

The Stuffed Dog That Came to Life Johnny Tyrone Howell, 2002-09-30 **Dead Alive; a true and particular account of a man who came to life again in the closet of a surgeon, after he had been publicly executed; how he affrighted the surgeon, who afterwards assisted him in his escape to Holland, where he became an opulent merchant. [A chapbook.]** DEAD ALIVE., 1820 Coming Alive Steve Harper, 2022-11-15 A spiritual practice for serious minded but busy people Everyone needs renewal even the most committed among us The spiritual life requires regular practice and a bit of time Coming Alive Daily Meditations for Spiritual Renewal offers five brief meditations each week for focused reading reflection and prayer Each entry centers on a passage of scripture or spiritual writing The meditations are deep insightful and beautifully simple as readers have come to expect from Steve Harper s writing This timeless book offers a gently challenging daily habit which leads to renewal of spirit and mind Coming Alive features Brief readings about 10 minutes per day Undated readings so readers can determine their own pattern of practice Spiritual depth and wisdom from ancient and contemporary sources Foreword by Brian McLaren From the Foreword Steve Harper s new book beautifully focuses in on the real core of the spiritual life Not dogma not rules and regulations not duties or guilt not pressure or obligation but life life to the full what I like to call aliveness Brian McLaren *Free at Last* Derrick McCarson, 2015-03-04 Grace is supposed to be amazing but all too often the Christian life can be more about keeping stuffy rules than enjoying a relationship with Christ The tendency to add works to salvation has been a thorny problem since the gospel was first preached Legalism the doctrine of salvation by works robs the Christian of the grace filled life The book of Galatians is like an emancipation proclamation that says If the Son has set you free then you are free at last The liberating message of Galatians says believers are free from sin regulations and guilt Free from the need to measure up Free to be loved by Christ and changed by his grace Galatians is a guide for recovering Pharisees and in *Free at Last* Derrick McCarson takes us on a verse by verse journey through Paul s bondage busting manifesto You may be surprised to learn that Paul s message of grace is still as relevant today as it was centuries ago While the culture has changed much in those intervening years mankind s inherent desire for performance based religion has not This book is a timely reminder to Christians everywhere that if we aren t living by grace then we have succumbed to spiritual slavery A Right to Life Tom O'Keefe, 2005-11-28 While sitting in the hallway outside of his first grade classroom young Bobby Dorsey overhears his teacher reporting his misbehavior to his mother Margaret through a vent in the classroom door He is shocked when he hears his mother tearfully confess that he is the unexpected result of a high school affair that she never intended to have a child and that he would have been aborted if not for the intervention of his grandmother a devout Southern Baptist and her pastor The unexpected and unwanted birth of Bobby causes Margaret to feel she was robbed of the fun of her high school years Driven to complete her lost adolescence she exposes Bobby to a string of boyfriends with whom she often has a sexual relationship Bobby becomes aware of those relationships at far too early an age

for him to understand what is going on Some of Margarets boyfriends are cruel and abusive to Bobby This coupled with his mothers indifference eventually leads him to feel an outsider in his own home in the small East Texas town of Purvis His mothers preoccupation with her own life and lack of concern for him causes Bobby to become increasingly curious about his absent father who he learns is managing a motel in Chattanooga Tennessee The more Bobby learns about his father the more his fantasies about him grow He wonders if he might find the love and acceptance with him that he had not found living with his mother Therefore at ten years of age Bobby concludes that Purvis is not a good place for him to be and that he needs to go live with his father in Chattanooga So begins a modern Huckleberry Finn tale filled with adventure and intrigue as Bobby embarks on an almost nine hundred mile journey from Texas to Tennessee He encounters fascinating people and has several narrow escapes from busybodies who want to take over his problem and solve it for him Enough people had judged and condemned him Enough had screwed up his life in Purvis He wants nothing further to do with the likes of them His life is now in his own hands until he reaches his father whom he is convinced will be the answer to all his problems Does Bobby reach his father without experiencing more abuse Would his father be able to provide him the love and support he never found in Purvis Does Bobby take the damage from his childhood abuse along with him This novel deals both dramatically and spiritually with the following current hot topics The abortion issue childhood physical emotional and sexual abuse and prejudice including homophobia It illustrates how one generations abused become the next generations abusers It drives home the point that a persons RIGHT TO LIFE is far more than a mere right to birth showing that love compassion understanding and forgiveness are also basic human rights that deserve the same impassioned advocacy seen among current anti abortionists
