## **Courage To Be Catholic:**

The Courage To Be Catholic George Weigel, 2007-10-15 The Catholic Church in America is in a state of crisis Yet few understand what the crisis really is why it happened or how the Church must respond to it As no other commentator or critic has done George Weigel situates the current crisis of sexual abuse and episcopal malfeasance in the context of recent Catholic history With honesty and critical rigor he reveals the Church's failure to embrace the true spiritual promise of Vatican II a failure that has resulted in the gradual but steady surrender to liberal culture that he dubs Catholic Lite Drawing upon his unparalleled knowledge of how the Church works both in America and in Rome Weigel exposes the patterns of dissent and self deception that became entrenched in seminaries among priests and ultimately among the bishops who failed their flock by thinking like managers instead of apostles But Weigel reminds us in the Biblical world a crisis is a time of great opportunity an invitation to deeper faith Every great crisis of the Church's past from the Dark Ages to the Reformation has resulted in a period of reform that returned the Church and its priesthood to its roots Weigel sets forth an agenda for genuine reform that challenges seminarians priests bishops and the laity to lead more integrally Catholic lives As he argues so persuasively the answer to the present crisis will not be found in Catholic Lite but in classic Catholicism a Catholicism that has reclaimed the wisdom of the past in order to face the corruptions of the present and create a strong future **Courage**

**Clean of Heart** Rosemarie Scott, 2006 Clean of Heart is written for practicing Catholics who accept all the teachings of the Church yet are still ensnared by pornography and self abuse There is hope Through the Sacraments God provides all the grace one needs to become pure No matter how long one has indulged in pornography or how deep one has sunk into the mire of vice Our Lord can still break the addiction What makes Clean of Heart different First it is written from a Catholic point of view While Evangelical Christians have many books and programs for pornography addicts there are few titles on the market for Catholics Clean of Heart consists of forty three daily meditations which draw from the power of the Sacraments and the wisdom of the Saints elements lacking in many Evangelical books Second Clean of Heart is a surprisingly chaste book It contains no obscenities or explicit testimonies which may be an occasion of sin for some The focus is on attaining a clean heart rather than recalling past sins
