Kimble, 1922 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork Compiled from actual work for the use of schools colleges teachers civil service examinations students stenographers and court reporters This book covers 190 different types of business and contains 90 000 words Rehabilitation Monograph Federal Board for Vocational Education, 1919 Fire Service Law Lawrence T. Bennett, 2017-01-10 The frequency of lawsuits in the private and public sectors is proliferating and the fire service is not

immune The protections afforded by Sovereign Immunity have eroded and fire departments are rightfully being held to quality standards They face an increasing number of responsibilities that expose them to litigation Given his legal background and ongoing active role in the fire service the author is in a unique position to provide expertise on how to avoid legal problems by learning from the experiences of others The second edition of Fire Service Law continues to provide much needed coverage of the key areas in which a firefighter or fire department is likely to encounter litigation The fundamental legal principles presented will serve as an excellent foundation for proper decision making and protocol in a fire service organization. The real life case studies and relevant examples taken from today s headlines are valuable tools in the study of fire and EMS law End of chapter review questions correspond to the case studies and Expand Your Learning exercises are included for student and group assignments Readers of this authoritative guide can stay abreast of the latest court decisions affecting fire department operations by accessing the author's Fire EMS Safety Law Newsletter website How to Sav it and Write it Correctly Now: The Ultimate Reference Book, Containing Practical Grammar, Punctuation, & Spelling Rules, Homonyms, Medical Terms, Layperson's Legal Dictionary, Major Art Terms -- And More!
