Allied Intervention in Russia John Bradley,1984-02-02 **Allied Intervention in Russia 1918-1919** John Swettenham,2017-03-27 When originally published in 1967 and using archive material from official records in Ottawa this book threw new light on the motives and actions of the intervening powers Allied intervention took place in three main areas Northern and Southern Russia as well as Siberia Canada was the major Commonwealth contributor to the intervention in Siberia and a superficial account of the events and their political implications is contained in the official history of the Canadian Army in the First World War This book discusses the subject in depth and from an international perspective In this critical assessment the story of the Allied operations in Russia has been written against the double background of the issues and events of the Russian Civil War itself and of the international intrigues and rivalries of the Allies *The Allied Intervention in Russia, 1918-1920* I. Moffat,2015-02-26 This work explores the reasons for the Allied intervention into Russia at the end of the Great War and examines the military diplomatic and political chaos that resulted in the failure of the Allies and White Russians to defeat the Bolshevik Revolution *The Victors' Dilemma* John Silverlight,1971 *The Volunteer Army and Allied Intervention in South Russia, 1917-1921* George A. Beede,1994 A fascinating encyclopedic survey of the Spanish Cuban American War the Philippine War and the small wars between 1899 and the end of the occupation of Haiti in 1934 The name changes themselves are instructive The usage of Spanish American War ignores the fact that the war in Cuba had been largely won by the Cuban revolutionaries before US intervention hence the new title Spanish Cuban American War The use of Philippine Insurrection is replaced by Philippine War since the Philippine forces had taken much of the islands from Spain before US ground forces arrived And guerillas or revolutionaries have replaced bandits the term used by the US to discredit oppositional forces Annotation copyright by Book News Inc Portland OR *British Participation in the Allied Intervention in Russia 1918-1920* Boris Polozoff,1965
