Betrayed: A New Look into Resistance Pasquale De Marco, In 1893 a group of American businessmen overthrew the Hawaiian monarchy in a bloodless coup They established a provisional government and sought to annex Hawaii to the United States Native Hawaiians responded with a massive petition drive gathering over 20 000 signatures in protest They sent delegations to Washington D C to lobby against annexation They organized boycotts and protests Their efforts ultimately failed as the United States annexed Hawaii in 1898 But Native Hawaiian resistance did not end there They continued to fight for their rights and their culture They established schools and churches to preserve their language and traditions They fought for land rights and economic justice And they never gave up hope that one day they would regain their sovereignty Hawaii Betrayed is a powerful and inspiring story of resistance and resilience It is a testament to the strength and determination of the Native Hawaiian people Their story is an important reminder that the fight for justice and self determination is never over This book is essential reading for anyone who wants to understand the true history of Hawaii It is a story that will inspire and empower all who read it About the Author Pasquale De Marco is a historian and author who has written extensively about Hawaiian history and culture He is a passionate advocate for Native Hawaiian rights and self determination If you like this book write a review **Etheridge Translation of the Western Peshitto** John Wesley

Etheridge,2024-09-27 A complete English translation of the Western Aramaic Peshitta text Great for comparison with standard translations from Greek This translation of the Four Gospels has been made directly from the Syriac The text chiefly followed is that of Gutbir 1664 compared with the editions of Paris G F Boderiani 1584 Walton in the London Polyglot and Schaaf s of 1709 The rubrics for the lessons are from Walton The object of the translator having been to offer in English an accurate representation of these venerable eastern scriptures the version is as literal as the structure of the two languages seems to admit From a desire to preserve the air and manner as well as meaning of the original he has retained the Syrian orthography of the proper names and has left some of the peculiar denominatives of the gospel narrative untranslated Such are the titles of Pharishee the Pharisees Zadukoyee the Sadducees Sophree the Scribes Malphona Doctor c The name of the

Divine Being ALOHA the ALOHA of the Hebrew revelation is also left unaltered In the expression of these names the method of the Nestorians has been followed rather than that used by the Western Syrians because in the former the pronunciation more fully accords with the orthography
