Running From My Heart Felice Stevens,2020-01-04 People say six years is long enough to mourn the death of his husband but for Ross Miller the pain is as fresh as if it happened yesterday He s left his glittering Hollywood life behind yet guilt still dogs his steps no matter how far he runs Trapped by his past and needing to escape his well meaning friends he rents a cabin in the secluded Adirondack mountains A reclusive man moves in next door and piques Ross s interest but his persistent attempts at friendship are rebuffed That doesn t stop him because the one rule Ross Miller has always lived by is to never take no for an answer Novelist Arden Wainwright has given up He can t pretend a happiness he knows he ll never find again Solitary days turn into years and he remains frozen unable to take a breath At his wit s end he retreats to the mountains but it does little to stir his creativity He continues to hide from life and avoids his overly nosy neighbor who insists on planting himself at Arden s doorstep at every turn Making friends is the last thing Arden wants but annoying or not he can t get the damn man out of his mind Finding peace in their isolated surroundings the two lonely men forge an unlikely friendship where they realize they re more alike than different and better together than apart With Ross s help Arden begins to rebuild the shattered pieces of his life while Arden gives Ross the strength to face his fears and find his way home When love comes calling you can choose to hide from hurt loss and pain but if you take a chance and open the door you might discover that running from your heart is the last thing you ll want to do This book can be read as a stand alone but you may remember Ross Foster s best friend from Broken Silence Book One of the Rock Bottom series

Dorset dear M. E. Francis, 2025-02-05 Ann Kerley had lived in great peace and contentment for more than seventy three years Her neighbours considered her a good plain ooman who always had a kind word for every one and was so ready to do a good turn for another body as heart could wish But lo and behold one fine morning old Ann Kerley awoke to find herself a witch The previous day had been sultry and wild with spells of fierce sunshine that smote down upon honest people s heads as they toiled in cornfield or potato plot bringing out great drops of sweat on sunburnt faces and forcing more than one labourer to supplement the shade and comfort of his broad chip hat by a cool moist cabbage leaf

Written in Bengali and later translated into various languages, Tagore's works reflect a profound engagement with themes such as nature, spirituality, and the human condition. This collection serves not only as an exploration of Tagore's creative evolution but also as a testament to the broader literary renaissance in India during his lifetime.
