Along The Healing Path Recovering From Interstitial Cystitis:

Along the Healing Path Catherine M. Simone, 2000-09 Along the Healing Path includes discussion of IC from a holistic perspective more specific information on herbs natural products and alternative treatments a special section on vitamins and minerals as well as many helpful tips for those looking for a more natural approach to treating their IC This book also contains a discussion of the many reasons why alternative treatments may not have worked for you in the past common problems IC patients run into and more information on how to develop a healing plan of your own **To Wake in Tears**

Catherine M. Simone, 1998 This book is more than just a story about a person with Severe IC who recovered It is a book about hope To Wake in Tears is about how one woman got IC how she came to understand IC and how she treated it in order to get well It offers dozens of physical and emotional coping tips many alternative treatments that you can try at home and attempts to explain the various IC related symptoms and illnesses If you are looking for something to hand to someone in your life who doesn't understand IC so that you can say Here this is what it feels like This is what I'm going through this book will help Whether you have mild moderate or severe IC To Wake in Tears will help you to not only understand your IC better but to help you to get yourself well *Stop the Pain and Damage of Inflammatory-Based Diseases* Dr. Johanna Elliott,

Awakening Through the Tears Catherine M. Simone, 2002 *The Encyclopedia of Autoimmune Diseases* Dana K. Cassell, Noel R. Rose, 2014-05-14 A comprehensive guide to diseases of the immune system listing names symptoms research treatments available and more **The Interstitial Cystitis Solution** Nicole Cozean, Jesse Cozean, 2016-10 The Interstitial Cystitis Solution is a comprehensive guide of the condition helping patients take their treatment into their own hands The Better Bladder Book Wendy L. Cohan, 2011-02-15 Bladder problems affect millions of people yet few are comfortable publicly or openly discussing their symptoms making it difficult for patients with bladder disorders to obtain the support and resources they need Those who've been diagnosed with interstitial cystitis IC or chronic pelvic pain are often told that there is no cure for their ailments Indeed standard treatments used with these conditions are not always effective or lasting As a result many people with bladder problems are looking for comprehensive information and alternative options for recovery Wendy Cohan wrote The Better Bladder Book to give people who suffer from bladder problems more options She guides readers to bladder wellness by emphasizing lifestyle changes and self treatment A week by week approach begins with an understanding of the diagnosis leads to discovering the factors that cause or exacerbate symptoms and ends with implementing the changes needed to reduce symptoms and recover bladder health Cohan introduces the book with a description of the anatomy and function of the urological system and the assessment diagnosis and treatment of typical bladder problems She explains how diet affects the bladder including the role of food sensitivities allergies and intolerance She creates handy lists of healthful and harmful foods and offers a selection of diets to try especially allergy elimination gluten free and anti inflammatory diets Optional weekly meal plans are included Like all aspects of health bladder health is

improved by daily exercise good rest and a reduction of stress Cohan describes the benefits of regular exercise on bladder symptoms its role in stress and pain reduction boosting the immune system controlling inflammation and alleviating depression Stress reduction techniques are also emphasized Finally Cohan supplies tips for a better night s sleep including practicing good sleep hygiene additional relaxation exercises and the use of calming herbal teas Cohan s goal is to leave no stone unturned in the quest for bladder health With the diet exercise sleep and relaxation techniques described in the book the thorough description of medical treatments and procedures and the question and answer section and other resources readers should have all the information they need to start their own journey toward better bladder health
