

## ALTGELD'S AMERICA

The Lincoln Ideal Versus Changing Realities

BY RAY GINGER

# Altgelds America

**Ray Ginger**

## **Altgelds America:**

German Monuments in the Americas Hans A. Pohlsander, 2010 This book looks at the many transatlantic bonds which have linked and still link Germany and the United States German immigrants to the Americas brought with them a good deal of cultural baggage They cultivated their German heritage in their schools churches and clubs They expressed pride in this heritage by erecting monuments to Goethe or Schiller Beethoven or Wagner Alexander von Humboldt or Turnvater Jahn They claimed Friedrich Wilhelm von Steuben Carl Schurz Gustave Koerner and John A Roebling as their own But German born or German trained sculptors did not limit themselves to German subjects They also paid tribute to America by creating sculptures of Benjamin Franklin George Washington Thomas Jefferson Abraham Lincoln and others who occupy a place of honor in American history While a few German monuments can be found in Canada and in Latin America the number of German monuments in the United States is surprisingly large These monuments illustrate the contribution often overlooked or ignored of the German American community to American society and American cultural life *Atgeld's America* Ray Ginger, 1965

**The Trial in American Life** Robert A. Ferguson, 2008-08-05 In a bravura performance that ranges from Aaron Burr to O J Simpson Robert A Ferguson traces the legal meaning and cultural implications of prominent American trials across the history of the nation His interdisciplinary investigation carries him from courtroom transcripts to newspaper accounts and on to the work of such imaginative writers as Emerson Thoreau William Dean Howells and E L Doctorow Ferguson shows how courtrooms are forced to cope with unresolved communal anxieties and how they sometimes make legal decisions that change the way Americans think about themselves Burning questions control the narrative How do such trials mushroom into major public dramas with fundamental ideas at stake Why did outcomes that we now see as unjust enjoy such strong communal support at the time At what point does overexposure undermine a trial s role as a legal proceeding Ultimately such questions lead Ferguson to the issue of modern press coverage of courtrooms While acknowledging that media accounts can skew perceptions Ferguson argues forcefully in favor of full television coverage of them and he takes the Supreme Court to task for its failure to grasp the importance of this issue Trials must be seen to be understood but Ferguson reminds us that we have a duty currently ignored to ensure that cameras serve the court rather than the media The Trial in American Life weaves Ferguson s deep knowledge of American history law and culture into a fascinating book of tremendous contemporary relevance A distinguished law professor accomplished historian and fine writer Robert Ferguson is uniquely qualified to narrate and analyze high profile trials in American history This is a superb book and a tremendous achievement The chapter on John Brown alone is worth the price of admission Judge Richard Posner A noted scholar of law and literature Ferguson offers a work that is broad in scope yet focuses our attention on certain themes notably the possibility of injustice as illustrated by the Haymarket and Rosenberg prosecutions the media s obsession with pandering to baser instincts and the future of televised trials One of the best books written on this subject in quite some time Library Journal starred review

**Altgeld's America** Ray Ginger, 1973 This work focuses on Chicago from 1892-1905 describing the forces that had remodelled America from the rural society of Lincoln's day. Here are the business leaders, labour organizers and politicians and new immigrants all exposing the follies of a generation lusting for material success.

**Encyclopedia of American Literature** Manly, Inc., 2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Brucoli George Parker Anderson Judith S. The Yale Biographical Dictionary of American Law Roger K. Newman, 2009-01-01 This book is the first to gather in a single volume concise biographies of the most eminent men and women in the history of American law. Encompassing a wide range of individuals who have devised, replenished, expounded and explained law, The Yale Biographical Dictionary of American Law presents succinct and lively entries devoted to more than 700 subjects selected for their significant and lasting influence on American law. Casting a wide net, editor Roger K. Newman includes individuals from around the country from colonial times to the present, encompassing the spectrum of ideologies from left wing to right and including a diversity of racial, ethnic and religious groups. Entries are devoted to the living and dead, the famous and infamous, many who upheld the law and some who broke it. Supreme Court justices, private practice lawyers, presidents, professors, journalists, philosophers, novelists, prosecutors and others: the individuals in the volume are as diverse as the nation itself. Entries written by close to 600 expert contributors outline basic biographical facts on their subjects, offer well-chosen anecdotes and incidents to reveal accomplishments and include brief bibliographies. Readers will turn to this dictionary as an authoritative and useful resource, but they will also discover a volume that delights and entertains. Listed in The Yale Biographical Dictionary of American Law: John Ashcroft, Robert H. Bork, Bill Clinton, Ruth Bader Ginsburg, Patrick Henry J. Edgar, Hoover, James Madison, Thurgood Marshall, Sandra Day O'Connor, Janet Reno, Franklin D. Roosevelt, Julius and Ethel Rosenberg, John T. Scopes, O. J. Simpson, Alexis de Tocqueville, Scott Turow. And more than 700 others.

*The Memory of the Civil War in American Culture* Alice Fahs, Joan Waugh, 2005-10-12 The Civil War retains a powerful hold on the American imagination with each generation since 1865 reassessing its meaning and importance in American life. This volume collects twelve essays by leading Civil War scholars who demonstrate how the meanings of the Civil War have changed over time. The essays move among a variety of cultural and political arenas: from public monuments to parades to political campaigns, from soldiers' memoirs to textbook publishing to children's literature, in order to reveal important changes in how the memory of the Civil War has been employed in American life. Setting the politics of Civil War memory within a wide social and cultural landscape, this volume recovers not only the meanings of the war in various eras but also the specific processes by which those meanings have been created. By recounting the battles over the memory of the war during the last 140 years, the contributors offer important insights about our identities as individuals and as a nation. Contributors: David W. Blight, Yale University; Thomas J. Brown, University of South Carolina; Alice Fahs, University of California, Irvine; Gary W. Gallagher, University of Virginia; J. Matthew Gallman, University of Florida; Patrick J. Kelly, University of Texas, San Antonio; Stuart

McConnell Pitzer College James M McPherson Princeton University Joan Waugh University of California Los Angeles LeeAnn Whites University of Missouri Jon Wiener University of California Irvine *British Chartists in America, 1839-1900* Ray Boston, 1971 Study of historical facts concerning the chartist social movement viewed from the experience of British immigrants in the USA in the 19th century covers the implantation and decline of a working class movement its socialist aspirations social conflicts and involvement in social reform issues and trade unionism etc and includes biographical notes on prominent British chartists in america Bibliography Biographys British chartists in the usa **German-American Relations and German Culture in America** Arthur R. Schultz, 1984 This work is organized by subject Materials are grouped under twelve main sections in the body of the work with appropriate subdivisions and subtopics within each main subject Each section is assigned a two letter designation and entries are numbered consecutively within each section This subject code system was designed to facilitate referrals from the Index to the main body of the text and to allow for cross referencing between sections Introduction *American Studies* Jack Salzman, 1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of American Studies An Annotated Bibliography of Works on the Civilization of the United States published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00 **America's Urban History** Lisa Krissoff Boehm, Steven H. Corey, 2023-07-26 In this second edition America s Urban History now includes contemporary analysis of race immigration and cities under the Trump administration and has been fully updated with new scholarship on early urbanization mass incarceration and cities the Great Society the diversification of the suburbs and environmental justice The United States is one of the most heavily urbanized places in the world and its urban history is essential to understanding the fundamental narrative of American history This book is an accessible overview of the history of American cities including Indigenous settlements colonial America the American West the postwar metropolis and the present day landscape of suburban sprawl and an urbanized population It examines the ways in which urbanization is connected to divisions of society along the lines of race class and gender but it also studies how cities have been sources of opportunity hope and success for individuals and the nation Images maps tables and a guide to further reading provide engaging accompaniment to illustrate key concepts and themes Spanning centuries of America s urban past this book s depth and insight make it an ideal text for students and scholars in urban studies and American history **History of the Supreme Court of the United States** Owen M. Fiss, 2006 **The Chicago Pragmatists and**

**American Progressivism** Andrew Feffer, 2018-10-18 Founded in 1894 at a peak of social and industrial turmoil the Chicago school of pragmatist philosophy is emblematic of the progressive spirit of early twentieth century America The Chicago pragmatists under the leadership of John Dewey pursued a close critique of the modern workplace school and neighborhood which provided a theoretical base for the progressive reform agenda Andrew Feffer here provides a richly textured group portrait of Dewey and his colleagues George Herbert Mead and James Hayden Tufts against the backdrop of Chicago's social history In this nuanced intellectual biography of the Chicago pragmatists Feffer retraces the story of their personal involvement in reform movements and examines how they revised contemporary political rhetoric and social theory in order to reestablish the foundations of democracy in productive and rewarding work Drawing on liberal Christian reformist as well as philosophical idealist traditions the pragmatists advanced a radically humanistic social theory that attacked the regimentation of factory life and demanded the democratization of industry and education Feffer also gives an account of certain elitist and anti democratic assumptions of pragmatist theory he shows in particular how progressive reformers inherited the pragmatists mistrust of the political impulses of the industrial workers they championed

**The Urban Establishment** Frederic Cople Jaher, 1982

**Money and Modernity** Alec Marsh, 2011-09-23 Marsh locates Pound and Williams firmly in the Jeffersonian tradition and examines their epic poems as manifestations of a Jeffersonian ideology in modernist terms The modernist poets William Carlos Williams and Ezra Pound were latter day Jeffersonians whose politics and poetry were strongly marked by the populism of the late 19th century They were sharply aware of the social contradictions of modernization and were committed to a highly politicized often polemical poetry that criticized finance capitalism and its institutions notably banks in the strongest terms Providing a history of the aesthetics of Jeffersonianism and its collision with modernism in the works of Pound and Williams Alec Marsh traces the money question from the republican period through the 1940s Marsh can thus read two modernist epics Pound's Cantos and Williams's Paterson as the poets hoped they would be read as attempts to break the hold of false financial values on the American imagination Marsh argues that Pound's and Williams's similar Jeffersonian outlooks were the direct result of the political battles of the 1890s concerning the meaning of money Although Pound's interest in money and economics is well known few people are aware that both poets were active in the Social Credit monetary reform movement of the 1930s and 1940s a movement shown by Marsh to have direct links to Jeffersonianism via American populism Ultimately the two poets took divergent paths with Pound swerving toward Italian fascism as exemplified in his Jefferson and or Mussolini and Williams becoming deeply influenced by the American pragmatism of John Dewey Thus Marsh concludes Pound embraced the fascist version of state capitalism whereas his old friend proclaimed a pragmatic openness to the new selves engendered by corporate capitalism Money and Modernity exemplifies the best of recent literary criticism in its incorporation of American studies and cultural studies approaches to bring new insight to modern masterworks

**American Anarchy** Michael Willrich, 2023-10-31

FINALIST FOR THE PULITZER PRIZE IN HISTORY A lively fast paced history Adam Hochschild bestselling author of American Midnight of America s anarchist movement and the government s tireless efforts to destroy it In the early twentieth century anarchists like Emma Goldman and Alexander Berkman championed a radical vision of a world without states laws or private property Militant and sometimes violent anarchists were heroes to many working class immigrants But to many others anarchism was a terrifyingly foreign ideology Determined to crush it government officials launched a decades long war on anarchy a brutal program of spying censorship and deportation that set the foundations of the modern surveillance state The lawyers who came to the anarchists defense advanced groundbreaking arguments for free speech and due process inspiring the emergence of the civil liberties movement American Anarchy tells the gripping tale of the anarchists their allies and their enemies showing how their battles over freedom and power still shape our public life Winner of the Presidents Book Prize from the Society for Historians of the Gilded Age and Progressive Era **John Dewey and American Democracy**

Robert B. Westbrook, 2015-07-22 Over a career spanning American history from the 1880s to the 1950s John Dewey sought not only to forge a persuasive argument for his conviction that democracy is freedom but also to realize his democratic ideals through political activism Widely considered modern America s most important philosopher Dewey made his views known both through his writings and through such controversial episodes as his leadership of educational reform at the turn of the century his support of American intervention in World War I and his leading role in the Outlawry of War movement after the war and his participation in both radical and anti communist politics in the 1930s and 40s Robert B Westbrook reconstructs the evolution of Dewey s thought and practice in this masterful intellectual biography combining readings of his major works with an engaging account of key chapters in his activism Westbrook pays particular attention to the impact upon Dewey of conversations and debates with contemporaries from William James and Reinhold Niebuhr to Jane Addams and Leon Trotsky Countering prevailing interpretations of Dewey s contribution to the ideology of American liberalism he discovers a more unorthodox Dewey a deviant within the liberal community who was steadily radicalized by his profound faith in participatory democracy Anyone concerned with the nature of democracy and the future of liberalism in America including educators moral and social philosophers social scientists political theorists and intellectual and cultural historians will find John Dewey and American Democracy indispensable reading **Ronald Reagan The Movie** Michael Rogin, 1988-07-15 Fresh

provocative and full of vitality this is a first rate contribution to the study of political culture It should be read not only by political scientists political theorists and sociologists but also by students of American studies and literature Sheldon Wolin Princeton University **America's Three Regimes** Morton Keller, 2009-03-11 Hailed in The New York Times Book Review as the single best book written in recent years on the sweep of American political history this groundbreaking work divides our nation s history into three regimes each of which lasts many many decades allowing us to appreciate as never before the slow steady evolution of American politics government and law The three regimes which mark longer periods of continuity

than traditional eras reflect are Deferential and Republican from the colonial period to the 1820s Party and Democratic from the 1830s to the 1930s and Populist and Bureaucratic from the 1930s to the present Praised by The Economist as a feast to enjoy and by Foreign Affairs as a masterful and fresh account of U S politics here is a major contribution to the history of the United States an entirely new way to look at our past our present and our future packed with provocative and original observations about American public life     Honoré Jaxon Donald B. Smith, 2023-11-01 Born in 1861 to a Methodist family William Henry Jackson grew up in Ontario before moving to Prince Albert Saskatchewan where he sympathized with the M tis and became personal secretary to Louis Riel After the M tis defeat a Regina court committed the young English Canadian idealist to the lunatic asylum at Lower Fort Garry He eventually escaped to the United States joined the labour union movement and renounced his race Self identifying as M tis he changed his name to the French sounding Honor Jaxon and devoted the remainder of his life to fighting for the working class and the Indigenous peoples of North America In Honor Jaxon Donald B Smith draws on extensive archival research and interviews with family members to present a definitive biography of this complex political man The book follows Jaxon into the 1940s where his life mission became the establishment of a library for the First Nations in Saskatchewan collecting as many books newspapers and pamphlets relating to the M tis people as possible In 1951 at age ninety he was evicted from his apartment and his library discarded to the New York City dump In poor health and broken in spirit he died one month later Heavily illustrated Honor Jaxon recounts the complicated story of a young English Canadian who imagined a society in which English and French Indigenous and M tis would be equals

As recognized, adventure as skillfully as experience practically lesson, amusement, as skillfully as covenant can be gotten by just checking out a books **Altgelds America** afterward it is not directly done, you could allow even more concerning this life, on the order of the world.

We present you this proper as without difficulty as easy mannerism to get those all. We offer Altgelds America and numerous books collections from fictions to scientific research in any way. in the midst of them is this Altgelds America that can be your partner.
