## Comrade Dracula:

*Peasant Consciousness and Guerrilla War in Zimbabwe* Terence O. Ranger, 1985 Draws on a wide range of archival and oral sources to argue that the history of African peasants in Zimbabwe produced a specific consciousness which meant that peasant participation in the guerrilla war was different from the peasant role in Mau Mau or in the war in Mozambique It also examines the changing relations between the peasantry and the Zimbabwean state after the 1980 elections North America U of California Press     Guns and Rain David Lan, 1985 Almost every anti colonial struggle in the 20th century was led by an army of guerrillas and no such struggle has succeeded without cooperation between the guerrillas and the local peasantry This book examines what such cooperation meant in the context of Zimbabwe s war of independence between 1966 and 1980 when hundreds of thousands of peasants provided the guerrillas with practical help and support But throughout the country scores of spirit mediums also gave active support to the resistance and with their help the scale of the war expanded into an astonishing act of collaboration between ancestors and their descendants the past and the present the living and the dead BR North America University of California Press     Past and Present in Zimbabwe John David Yeadon Peel, T. J. Chennells, Flora Veit-Wild, 1999 Regarded by some as mad and by others as a genius Zimbabwean writer Dambudzo Marechera is today ten years after his death considered to be one of the most innovative writers that Africa has produced This new book is a collection of critical essays devoted entirely to Marechera s work and includes contributions from academics in Zimbabwe South Africa Italy Nigeria Germany and the United Kingdom who show the complexity and variety of responses that

Marechera's writing evokes Irish Classics Declan Kiberd, 2001 A celebration of the tenacious life of the enduring Irish classics this book by one of Irish writing's most eloquent readers offers a brilliant and accessible survey of the greatest works since 1600 in Gaelic and English which together have shaped one of the world's most original literary cultures In the course of his discussion of the great seventeenth and eighteenth century Gaelic poems of dispossession and of later work in that language that refuses to die Declan Kiberd provides vivid and idiomatic translations that bring the Irish texts alive for the English speaking reader Extending from the Irish poets who confronted modernity as a cataclysm and who responded by using traditional forms in novel and radical ways to the great modern practitioners of such paradoxically conservative and revolutionary writing Kiberd's work embraces three sorts of Irish classics those of awesome beauty and internal rigor such as works by the Gaelic bards Yeats Synge Beckett and Joyce those that generate a myth so powerful as to obscure the individual writer and unleash an almost superhuman force such as the Cuchulain story the lament for Art O Laoghaire and even Dracula and those whose power exerts a palpable influence on the course of human action such as Swift's Drapier's Letters the speeches of Edmund Burke or the autobiography of Wolfe Tone The book closes with a moving and daring coda on the Anglo Irish agreement claiming that the seeds of such a settlement were sown in the works of Irish literature A delight to read throughout Irish Classics is a fitting tribute to the works it reads so well and inspires us to read and read again *A Roof to Repair*, 2000
