Comrade Is As Precious As A Rice Seedling A:

A Comrade is as Precious as a Rice Seedling Mila D. Aguilar, 1984 *A Comrade is as Precious as a Rice Seedling* Mila D. Aguilar, 1987 **The Edinburgh Companion to Women in Publishing, 1900-2020** Nicola Wilson, Claire Battershill, Sophie Heywood, Marrisa Joseph, Daniela La Penna, Helen Southworth, Alice Staveley and Elizabeth Willson Gordon, 2024-02-29 Women's creative labour in publishing has often been overlooked. This book draws on dynamic new work in feminist book history and publishing studies to offer the first comparative collection exploring women's diverse deeply embedded work in modern publishing. Highlighting the value of networks, collaboration and archives, the companion sets out new ways of reading women's contributions to the production and circulation of global print cultures. With an international intergenerational set of contributors using diverse methodologies, essays explore women working in publishing transatlantically on the continent and beyond the Anglosphere. The book combines new work on high profile women publishers and editors alongside analysis of women's work as translators, illustrators, booksellers, advertisers, patrons and publisher's readers, complemented by new oral histories and interviews with leading women in publishing today. The first collection of its kind, the companion helps establish and shape a thriving new research field. **Eroticism and Containment** Carol Siegel, Ann M. Kibbey, 1994-12 Sexual confessions on television talk shows. Gender and medical discourse in colonial India. River Phoenix in My Own Private Idaho. White women in a German colony. Henry James thwarted love. What do these seemingly diverse subjects have in common? All address in different ways social and cultural attempts to contain eroticism by delineating the perimeters of genders. They scrutinize the political investments in the construction of gender in such disparate locations as contemporary Hollywood, Renaissance England, colonial India and Africa, and in modern and contemporary homosexual discourse, communities and in Freud's sessions with Dora. But whether the gendering of the subject follows the dictates of conservative politics or the radical agenda of a marginalized interest, the essays reveal the erotic overflow, the flood that cannot be contained within any one gender identity. In examining how the erotic escapes containment, this work discloses problems inherent in the intersections of gender and desire. Go to the Genders website. *The Mass Line (a Second Remolding)* Clarita Roja, 1977 *Makibaka, Join Us in Struggle!* Friends of the Philippines, 1978 *Ain't Gonna Let Nobody Turn Me Around* Alethia Jones, Virginia Eubanks, 2014-11-01 Reveals a remarkable woman's life and her contributions to social justice movements related to Civil Rights, feminism, lesbian and gay liberation, anti-racism and Black feminism. As an organizer, writer, publisher, scholar, activist and elected official, Barbara Smith has played key roles in multiple social justice movements including Civil Rights, feminism, lesbian and gay liberation, anti-racism and Black feminism. Her four decades of grassroots activism forged collaborations that introduced the idea that oppression must be fought on a variety of fronts simultaneously including gender, race, class and sexuality. By combining hard to find historical documents with new unpublished interviews with fellow activists, this book uncovers the deep roots of today.

s identity politics and intersectionality and serves as an essential primer for practicing solidarity and resistance Barbara Smith is a creator of modern feminism as a writer organizer editor publisher and scholar Now she has added to her decades as an activist outside the system by becoming an elected official who truly listens represents and creates bridges to a common good She has shown us that democracy is a seed that can only be planted where we are Gloria Steinem Barbara Smith is one of the grand pioneering and prophetic voices of our time Her truth still hurts and heals Cornel West Ain't Gonna Let Nobody Turn Me Around is not a memoir a biography nor a reader It is a reflection and a conversation It is also a montage of forty years of documents interviews and articles that provide useful lessons for social justice work This book is a tour de force that documents the life's work of Barbara Smith and the freedom struggles she shaped Duchess Harris author of *Black Feminist Politics from Kennedy to Obama* Turning Rage Into Courage Carolyn O.
