Comrades Tales Of A Brigadiista In The Spanish Civil War:

Comrades Harry Fisher, 1999-08-01 The Spanish Civil War served as an ideological and physical battleground for visionary Americans wishing to combat the spread of fascism Harry Fisher was one such idealist who became a soldier in the famed Abraham Lincoln Brigade the American contingent of international volunteers dedicated to defeating Franco's forces Fisher was one of the earliest American volunteers and one of the few to participate in all the major battles Under a barrage of shells bombs and bullets for eighteen months he lost his illusions about war's efficacy in solving political issues To this day a despondence often overwhelms him when he recalls a family photograph he found jutting from the pocket of a slain fascist soldier His involvement taught him that up close the dead whether fascist soldiers or his own fallen comrades looked alike This is a war story simply told Yet it is also a complex story about a young man testing his ideology in the harsh realities of battle
