source and the source provides a basis of faith for the believing community The preaching event is also personal for the
individual members of the congregation who receive the preacher's words based on a biblical text in their own unique way In
the synthesis of Biblical text sermon and listener response many testimonies are present Preaching and the Personal is a
collection of papers that have been presented at the Society of Biblical Literature These papers encourage and nurture
dialogue among scholars who share an interest in the unique theological problems inherent to the relationship between
biblical interpretation and proclamation Preaching and the Personal opens a stimulating dialogue in the field *La
