A Loxley

Con Manuela La Brujita:

La Leyenda de la Bruja de la Bellota José Luis Clavijo Repetto, **La bruja Clea** Asun Silva, 2017-06-23 nete a Sof a en esta historia de amistad y misterio en la que no faltar alg n que otro hechizo En la granja de Sof a ocurren cosas misteriosas Pipo el rat n de campo y su amigo el perro Claus le ayudan a descubrir lo que pasa Todo tiene que ver con do a Enriqueta la maestra de escuela que esconde un secreto muy especial Una vez que entrabas en su casa y cerrabas la puerta **Juana la bruja** José Caicedo Rojas, 2013-12-06 Novela hist rica escrita en 1894 En Bogot reci n fundada Juana Garc a espa ola venida a Am rica buscando una nueva vida presta sus servicios como adivina y vidente Expulsada del reino por bruja muere ahogada a manos de Gonzalo quien busca vengar una maldici n de Juana Son muchas las razones por las cuales esta obra puede ser definida como sorprendente la primera es que se trata de una novela hist rica que reconstruye con rigor y minucia los hechos que narra ocurridos en el siglo XVI cuando en el siglo XIX los recursos para investigar eran limitados la segunda es que en sus pocas p ginas establece un ritmo gil que atrapa al lector la tercera raz n es que la estructura est muy bien armada y se mezclan con facilidad el lenguaje hist rico con el coloquial e incluso humor stico Sorprende por ltimo que tanto Juana la bruja como Jos Caicedo Rojas hayan sido relegados al olvido Aunque la verdad son muchos los escritores que han pasado por estas tierras colombianas que han sido olvidados Pero a cada cual sus merecimientos y al bogotano nacido en 1816 es menester recuperarlo Incluye pr logo y biograf a del autor escritas por Javier Correa glosario de t rminos en desuso e ilustraciones de Roc o Parra El marica, la bruja y el armario Eduardo Nabal Aragón, 2007 El cine terreno de libertad es tambi n coto abierto en el que campan a sus anchas la homofobia femenina y la misoginia gay Empieza la pel cula l dice Bruja m s que bruja y lo escupe porque cree que esa mujer es la arp a m s malvada de todas las perversas Marica maric n grita ella y al hacerlo no define insulta Y ambos se dan cita para el duelo a las puertas del armario espacio simb lico de encierro y ocultaci n de la homosexualidad The End Nabal nos recuerda que m s all del marica orgulloso que se apropia del insulto qu cosa tan queer y de la bruja que se inscribe en la tradici n de las mujeres sabias estigmatizadas y perseguidas en ocasiones el cine nos devuelve la imagen m s terrible de ambos porque utiliza esos t rminos de manera ofensiva como aprendimos a leerlos en los cuentos como nos ense aron a usarlos desde peque os progenitores y educadores Aqu todo parece lo que es porque ste es un libro sobre los estereotipos pero que pretende alejarse del simple rechazo frontal a los mismos porque este rechazo puede tanto colapsar su interpretaci n como limitarse a una aproximaci n superficial y nada efectiva a los mismos Y el cine como arte visual y narrativo funciona con im genes o ideas de personas tal y como perviven en el subconsciente colectivo Buceemos pues Dramáticos posteriores a Lope de Vega Ramón de Mesonero Romanos, 1859 **Dos reales de judías** Ángel Gamayo, 1880 **Manuela** Eugenio Díaz Castro, 1889 **Comedia nueva. Yo me entiendo y Dios me entiende** Jose de Canizares, **PLATA Y BRONCE 2a., ed. ,** *Museo de cuadros de costumbres y variedades. Tomo I y II* Martínez Pinzón, Felipe, 2020-01-01 Esta es la primera reedici n completa del Museo de cuadros de costumbres y va riedades 1866

Compuesta por 97 textos cortos y la primera impresión completa de la novela Manuela de Eugenio Díaz esta compilación fue editada por Vergara y Vergara como un álbum de recortes a partir de periódicos publicados desde 1846 y hasta 1866. A la manera de otras compilaciones como Los españoles pintados por sí mismos 1843-1844 o Los cubanos pintados por sí mismos 1852 Vergara buscaba que el Museo representara el álbum familiar de Colombia. A partir de tipos humanos, eventos históricos y paisajes emblemáticos del país el Museo debía ser leído no solo por un público colombiano sino por uno español. Este libro es una obra mayor del siglo XIX colombiano y una contribución clave de la cultura letrada decimonónica que ha permanecido al margen de los debates actuales sobre la época. Como pieza literaria es una de las expresiones más acabadas del conservadurismo de mediados del siglo XIX en tanto propone a Colombia como una extensión de España. Como tal el Museo fue una reacción a las reformas liberales de la época. Estas pretendían por una parte la independencia cultural frente a España y por otra a través de empresas estatales como la Comisión Comográfica 1850-1859 organizar al país en torno a signos distintos a la religión católica o las costumbres hispanas. Aparte de enmarcar este texto en los debates acerca de las reformas liberales en Colombia esta reedición inserta al Museo en el movimiento global de la escritura de tipos y costumbres y rescata del archivo los periódicos de los cuales Vergara extrajo sus cuadros. Contiene 32 ilustraciones de la cultura visual de la época.

Museo de cuadros de costumbres y variedades Tomo II José María Vergara y Vergara, Felipe Martínez Pinzón, 2020-01-01. No ha muchos días me hallaba yo en una tertulia y como las materias de conversación se hubiesen agotado uno de los concurrentes propuso esta antiquísima trivial y manoseada cuestión cuál es el más feliz de los mortales. Varios fueron los pareceres. Unos atribuyeron al amor la virtud de hacer felices a los hombres otros a la salud quien se decidió por la riqueza quien por el poder quien por la paz doméstica. Dos de los que estaban presentes se acordaron de cierto pasaje del Telémaco y el uno dijo que en su sentir el mortal más dichoso es un rey que teme a los dioses y que labra la felicidad de sus pueblos el otro afirmó que la persona verdaderamente feliz es la que cree serlo. Suscitose al oír este último parecer un murmullo aprobatorio pero el sujeto que había propuesto la cuestión no se dio por satisfecho y sentó la proposición de que el mortal más feliz es un ama de leche.³ Añadió que aunque esta felicidad es casi infinita no deja de tener sus grados y que si los padres de la criatura que se cría son acomodados y aprehensivos aquella dicha pasando por encima de todos los grados de comparación alcanza al superlativo y no como quiera al superlativo absoluto felicissimus sino al superlativo relativo felicissimus omnium el más feliz de todos.⁴ Me he penetrado de esta verdad prosigui el sustentante no por medio de reflexiones hechas al aire sino por medio de observaciones diarias que he podido hacer en casa de un hermano mío casado y padre de un hijo que vino al mundo después de otros dos que ni de la cuna siquiera sino de la artesa pasaron al sepulcro.

La casa de los amores imposibles Cristina López Barrio, 2010-07-15. Una mágica novela sobre las trampas del deseo la tragedia del amor y los lazos indestructibles de la familia. Las mujeres Laguna han cargado con una terrible maldición desde el principio de su linaje una tras otra sufren mal de amores y se lo dan a luz niñas que perpetúan esta cruel herencia. Pero cuando después de décadas de pasiones prohibidas y amores tr
