## **Conamara Blues:**

*Conamara Blues* John O'Donohue,2001 Conamara in the West of Ireland has a strange beauty In this collection of poetry John O Donohue evokes the vital energy and rhythm of Conamara engaging with earth sky and sea and the majestic mountains that preside over this terse landscape      Conamara Blues John O'Donohue,2004 Translating the beauty and splendor of his native Conamara into a language exquisitely attuned to the wonder of the everyday John O Donohue takes us on a moving journey through real and imagined worlds Divided into three parts Approachings Encounters and Distances Conamara Blues at once reawakens a sense of intimacy with the natural world and a feeling of wonder at the mystery of our relationship to this world Whether exploring the silent eternal memory of Conamara or focusing on the power of language and the vagaries of human need and passion O Donohue tenderly reveals the fragile vulnerability of love and friendship The result is a musical transcendent and deeply moving series of poems that exemplifies O Donohue at his finest HarperCollins Publishers Perrenial      Conamara Blues John O'Donohue,2011-01-11 Conamara in the West of Ireland has a strange and beautiful landscape a landscape of intense contrasts uniquely dependent on light and shade In daylight a subtle radiance of gentle colours envelops the place Yet on the threshold of darkness the fading light reveals an almost haunted vista of mysterious beauty In this exquisitely crafted collection of poetry John O Donohue evokes the vital energy and rhythm of the Conamara landscape engaging with earth sky and sea and the majestic mountains that silently preside over this glorious region Here too as he draws upon the ancient memory and history of this sacred place he focuses upon the power of language and the vagaries of human need and passion tenderly revealing the fragile vulnerability of love and friendship Written with penetrating insight and a deftness of touch Conamara Blues offers a unique imaginative vision of a landscape steeped in mystery and legend a landscape of hope and possibility that is at once both familiar and unknown      *Conamara Blues* John O'Donohue,2001      **Conamara** Seán Mac Giollarnáth,1972      **The Art of Interfaith Spiritual Care** Walter Blair Stratford,2016-06-23 Relationships between people are frequently compromised as a result of religious viewpoints but appropriate spiritual care requires bridges to understanding that will allow for trust and justice to become visible The pattern for this book is shaped on the recognition that while religious expressions differ markedly in their presentation we can discern at the core of all religious expressions a supposition of sacred presence It is therefore helpful for us all in the daily events of our lives that we approach people of other faiths with a degree of humility recognizing that neither we nor they have a final answer to the question of faith The book is divided into four parts each part containing some chapters in which elements of interfaith care are considered Part one explores the complexities of interfaith engagement Part two discusses ways for caring for each other in the search for meaning Part three claims that spirituality is most difficult if not impossible to define but can be visible in a variety of experiences The fourth part explores ways in which all that has gone before may be put into practice as spiritual care      In the House of Rising Sounds Stephen Copeland,2023-05-15 Ancient

Celts saw thin places where heaven and earth came strangely close to touching Stephen Copeland experienced something similar when his mentor took him to the Double Door Inn an historic hole in the wall blues venue in Charlotte North Carolina This unassuming place invited Copeland further into a spiritual journey that calls out to each of us to open our senses and tune our ears to thin places all around to become aware of sacred spaces in everyday places When Copeland learned the half century old Double Door Inn would be tragically closing he made the old white house of sound his home during its final year What do thin places teach us about ourselves What do they teach us about reality itself And what do we do when they re gone Copeland s soul searching journey with the Double Door as his guide will help readers become more present and attentive to the thinness of reality as we walk with our feet on the ground and our soul in the stars

**Ecospirituality** Rachel Wheeler,2022-02-08 Ecospirituality for the first time comprehensively introduces and lays the foundation for further individual growth in the burgeoning field of ecospirituality Rachel Wheeler covers the background for environmentally oriented spirituality in the Christian tradition beginning with expressions of creation care and creation degradation in the Judeo Christian Scriptures and moving through important moments and figures in the history of Christian spirituality With this foundation in place she reveals how expressions of renewed interest in creation care are showing up amid our compromised living habitats today and shows what ideas laid the groundwork for beginning to speak of God human identity and human responsibility in certain ways Turning to ecospiritual practice Wheeler presents specific practices from a variety of global religious traditions paying particular attention to Indigenous spiritual traditions She also explores interdisciplinary areas that have combined some essential aspects of their own focus of engagement with ecology and furthermore with ecospirituality Such areas as ecojustice ecofeminism ecowomanism and ecopoetics all provide points of contact with the work that ecospirituality makes possible and have important implications for personal and social transformation Wheeler s concise introduction to ecospirituality is not only a foundation laying tool for educators but also a concise thorough way for individuals and students to gain a comprehensive understanding of ecospirituality and why it matters

Pioneering Spirituality Ross Cathy,2015-10-27 A range of practitioners explore what fuels and sustains a life of pioneering mission What is the spirituality in the UK s wider culture and how do we connect with it How can spiritual treasures such as the Eucharist prayer pilgrimage and community be shared with others How can communities of disciples grow in this pioneering spirituality
