Conan Of Venarium:

Conan of Venarium Harry Turtledove, 2004-07-11 A new Conan adventure Conan of Venarium from one of today's most popular writers of fantasy and science fiction Harry Turtledove For decades millions of readers have thrilled to the adventures of Conan the barbarian adventurer invented by Robert E Howard and further chronicled by other fantasy greats including such notables as L Sprague de Camp Poul Anderson and Robert Jordan Now Harry Turtledove one of today's most popular writers of fantasy and SF contributes a novel to the Conan saga a tale of Conan in his youth in the year or so before he becomes the wandering adventurer we know from the tales of Howard and others On the verge of adulthood he lives in a Cimmerian hamlet caring for his ailing mother working in his father's smithy and casting his eye on the weaver's daughter next door Then war comes an invasion by the Aquilonian Empire Conan burns to join the fight but he's deemed too young Then from the border country comes an unbelievable report The Aquilonians have smashed the Cimmerian defending forces and can rule as they please Soon their heavily garrisoned forts dot the countryside Their settlers follow after carving homesteads out of other men's land Every Cimmerian longs to drive the intruders out with fire and sword but they must stay their hands for the Aquilonians have promised savage reprisals Then intolerably the Aquilonian commander takes a wholly dishonorable interest in the weaver's daughter and he's not a man to wait or even ask permission It's not a recipe for a peaceable outcome At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Rulers of the Darkness Harry Turtledove, 2025-09-23 Beginning with *Into the Darkness* *Darkness Descending* and *Through the Darkness* bestselling author Harry Turtledove The master of alternative history Publishers Weekly has been telling an epic tale the story of a world war comparable to the terrible world wars of our own 20th century in a world where magic works Imagine the drama and terror of the Second World War only the bullets are beams of magical fire the tanks are great lumbering beasts and fighters and bombers are dragons raining fire upon their targets Welcome to the world of the Derlavaian War a world that is slowly but surely being conquered mile by bloody mile by the forces of the Algarvian empire forces whose most terrible battle magics are powered by the slaughter of innocent people the Kaunians whom Algarve like much of the world holds in disdain In *Rulers of the Darkness* the fourth volume of the series which began with *Into the Darkness* the war for the continent of Derlavai builds toward its crescendo as the mages of Kuusamo aided by their former rivals from Lagoas work desperately to create a newer form of magic that will change the course of the war But this is really a story of ordinary people on all sides of the conflict forced by fate to rise to their heroic limits or sink to the level of their darker natures At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
