have inspired this curation The Tales of Pirates 80 Novels Stories Legends History of the True Buccaneers beckons readers to embark on a voyage across the high seas of narrative delight It is an essential volume for aficionados of nautical adventure and a compelling addition to any collection for those enchanted by the romanticized rebellion of swashbuckling pirates This anthology punctuated with the lively escapades and grave perils of pirate life offers an invaluable treasure trove for anyone yearning to escape into the tumultuous waves of piracy's legendary past The Publishers Weekly ,1949 **The Romita Legacy** ,2011-01-31 John Romita Sr is as synonymous with Marvel as is Stan Lee Stan was the definitive writer and visionary of the Marvel Universe but Jazzy John was the ultimate catcher to all of Stan's pitches Arguably the most important contributor to Marvel canon with Jack Kirby and arguably the definitive Spider Man artist John Romita has left his mark creating defining and or designing some of Marvel's most well marvelous characters From being in our humble opinion the definitive Spider Man artist to helping design many of Marvel's major characters from Wolverine and the Punisher to Spider Woman The Kingpin and so many more And though it was Stan Lee and Steve Ditko who co created Spider Man and Peter Parker and helped us love the boy with the problems we all grew up with it was Jazzy John who allowed Peter to grow up and have the same problems many had growing up and glamorized Peter Parker and rounded out his stable of characters from Gwen Stacy and Harry Osborne and who also gave us the unbelievable entrance by Mary Jane Watson showing us just how Peter had hit the jackpot And John Romita Jr has also created a rich body of work that few can follow in his footsteps Having outgrown the shadow of his father early in his career John Romita Jr has shown the world why he is Mr Marvel From his early days working with Bob Layton on the Iron Man issues featuring the controversial issues of Tony Stark's alcoholism to his jump to stardom in the early 90's on the Uncanny X Men almost a decade after his first stint on the Uncanny X Men with Chris Claremont to his unbelievable work on Daredevil Man Without Fear with Frank Miller and Al Williamson John proved that he was one of only a few artists who can shine working with a master such as Frank Miller Moving in to the new millennium John's work on Thor was nothing short of amazing as well as working on Daredevil with Ann Nocenti and Al Williamson But nothing has been more tailor made for John Jr's art than Marvel's flagship title Spider Man His return on Peter Parker Spider Man proved that he was Marvel's best choice for a Spider Man artist and when Joe Michael Straczynski took hold of Marvel's flagship title it was John Jr's art that made the great stories shine as well as they did One thing that's kept John's art fresh is his ability to move from character to character It definitely is bitter sweet to see John leave Spider Man and run around the Marvel Universe on characters such as The Eternals with Neil Gaiman proving that once again John Jr is the artists artist who can tackle such great projects and even on his run on the World War Hulk yes Hulk does indeed Smash one is mesmerized by his incredible artwork What's amazing is that as of this writing John Romita Jr will be returning to Amazing Spider Man 568 and this fan Nick Barrucci President of Dynamic Forces feels the excitement and energy to his return These are the things that we live for in comics it's rare to know when a series is going to be great because a great

artist is working on it We are fortunate to be on the ground floor again but the anticipation is something that will only be quenched with the first read of a series that will be great The Romit s are one of the few royal families in comics If you haven't had a chance to fully appreciate their work here s your chance it s a fun ride I hope you enjoy it as much as we have in putting this book together With an introduction by Alex Ross and an afterword by Stan The Man Lee this hard cover book is perfect for every Spider Man fan young and old **Saga-book of the Viking Club** ,1986 List of members in v 3 5
