Concept Of Christian Love:

Lincoln and the Politics of Christian Love Grant N. Havers, 2009-11-13 America has seen faith based initiatives and the audacity of hope in twenty first century politics but few participants in our political scene have invoked the other Christian virtue of charity as a guiding principle Abraham Lincoln extolled the merit of loving thy neighbor as thyself especially as a critique of the hypocrisy of slavery but a discussion of Christian love is noticeably absent from today's debates about religion and democracy In this provocative book Grant Havers argues that charity is a central tenet of what Lincoln once called America's political religion He explores the implications of making Christian love the highest moral standard for American democracy showing how Lincoln's legacy demands that a true democracy be charitable toward all and that only a people who lived according to such ideals could succeed in building democracy as Lincoln understood it Havers argues that it is simplistic to conflate Lincoln's invocation of with charity for all with his abiding support for the ideal of human equality The ethic of charity in his view also brought a uniquely Christian realism to the universalism of democracy He also describes how since World War I intellectuals and political leaders have denied that there exists a necessary relation between democracy and Christian love proposing that democracy is sufficiently ethical without reliance on a specific religious tradition Today's neoconservatives and liberals instead posit a universal yearning for democracy that requires no foundation in the ethic of charity Havers shows that this democratic universalism espoused by those who believe a chosen people should uphold the natural rights of humanity is alien to the sober thought of both the founders and Lincoln This carefully argued work defends Lincoln's understanding of charity as essential to democracy while emphasizing the difficulty of fusing this ethic with the desire to spread democracy to people who do not share America's Christian heritage In considering the prospect of America's leaders rediscovering a moral foreign policy based on charity rather than the costly idolization of democracy **Lincoln and the Politics of Christian Love** makes a timely contribution to the wider debate over both the meaning of religion in American politics and the mission of America in the world and opens a new window on Lincoln's lasting legacy

Ethics, Love, and Faith in Kierkegaard Edward F. Mooney, 2008-07-17 *Ethics Love and Faith in Kierkegaard* collects essays from 13 leading scholars that center on key themes that characterize Kierkegaard's philosophy of religion With their unique focus on notions of the self views on the command to love one's neighbor thoughts on melancholy and despair and the articulation of religious vision the essays in this volume cover the breadth and depth of Kierkegaard's philosophical and religious writings Poised at the intersection of Kierkegaard's moral psychology and its religious significance they offer vivid testimony to the ongoing power of his unique and fervent religious spirit Students and scholars alike will find new light shed on questions that define Kierkegaard's philosophy and religion today

True Love James M. Renihan, 2010 Christian love is central to the life of every believer When Paul speaks of the work of the Holy Spirit in Jesus followers love is the first item he mentions Galatians 5:22 when our Saviour prepared his disciples for the events of that final night in Jerusalem and everything that would come

after he spoke to them about love John 13 Perhaps it is not an overstatement to say that love is at the root of the Christian faith it is Gods abiding and everlasting love that gives impetus to the incarnation of Christ and the redemption of his people

Invisible Forces and Powerful Beliefs Chicago Social Brain Network,2011 In this book a remarkable group of scientists physicians philosophers and theologians share profound insights into our deepest questions and the invisible forces and powerful beliefs that shape us They will challenge you and reward you with a richer understanding of who we are what we share and what it means Love and Christian Ethics Frederick V. Simmons,Brian Sorrells,2016 At the heart of Christian ethics is the biblical commandment to love God and to love one s neighbor as oneself But what is the meaning of love Scholars have wrestled with this question since the recording of the Christian gospels and in recent decades teachers and students of Christian ethics have engaged in vigorous debates about appropriate interpretations and implications of this critical norm In Love and Christian Ethics nearly two dozen leading experts analyze and assess the meaning of love from a wide range of perspectives Chapters are organized into three areas influential sources and exponents of Western Christian thought about the ethical significance of love perennial theoretical questions attending that consideration and the implications of Christian love for important social realities Contributors bring a richness of thought and experience to deliver unprecedentedly broad and rigorous analysis of this central tenet of Christian ethics and faith William Werpehowski provides an afterword on future trajectories for this research Love and Christian Ethics is sure to become a benchmark resource in the field

The Catholic Ethic and the Spirit of Community John E. Tropman,2001-12-21 Starting where Max Weber s The Protestant Ethic and the Spirit of Capitalism left off John E Tropman develops the idea that there is another religious based ethic permeating society a Catholic ethic Where Weber proposed that a Protestant ethic supported the development of capitalism Tropman argues that there is a Catholic ethic as well and that it is more caring and community oriented Weber s notion of the Protestant ethic has become widely accepted but until Tropman s work beginning in the mid 1980s there had been no discussion of another religious based ethic He suggests that if the Protestant ethic is an achievement ethic the Catholic ethic is a helping one Tropman outlines a Catholic ethic that is distinctive in its sympathy and outreach toward the poor and in its emphasis on family and community over economic success This book fully explores the Catholic ethic and its differing focus by using both historical and survey research It also points to the existence of other religious based ethics This clearly written book employing the tools of both sociology and religious thought will appeal to a wide audience including students and scholars in disciplines informed by the influence of religion on politics and on social and economic behavior

Kierkegaard Mark A. Tietjen,2016-02-24 S ren Kierkegaard 1813 1855 had a mission reintroduce the Christian faith to Christians Mark Tietjen thinks that Kierkegaard s critique of his contemporaries strikes close to home today Through an examination of core Christian doctrines he helps us hear Kierkegaard s missionary message to a church that often fails to follow Christ with purity of heart Kierkegaard in Post/Modernity Martin Beck Matušík,Martin Joseph Matušík,Merold

Westphal,1995-10-22 Covering a diversity of themes this collection still reflects consensus Kierkegaard is to be taken seriously as a philosopher at the turn of the twenty first century **The New Testament and Bioethics** R. Dennis Macaleer,2014-01-01 Beauchamp and Childress s Principles of Biomedical Ethics is a well accepted approach to contemporary bioethics Those principles are based on what Beauchamp and Childress call the common morality This book employs New Testament theological themes to enhance the meaning of those principles of bioethics The primary New Testament text for this study is the twin commands from Jesus to love God and love one s neighbor The three theological themes developed from this study the image of God the covenant and the pursuit of healing are deeply embedded in the New Testament and in the ministry of Jesus Three contemporary bioethics principles are used for this dissertation based on The Belmont Report They are the principles of respect for persons justice and beneficence In each case the theological themes are shown to enhance the meaning of these bioethics principles Each of the three principles as understood through the three theological themes is applied to a current bioethics issue to demonstrate the efficacy of this approach The three current issues addressed are the withdrawal or withholding of life sustaining treatment the distribution of health care in the Untied States and the use of palliative care **Rediscovering Faithfulness** Kenneth W. M. Wozniak,2024-07-09 What does faithfulness mean for modern Christians who find themselves immersed in a social and moral context two millennia removed from that of Jesus As a notion endorsed by Christians universally irrespective of church tradition geographic location economic and political milieu or spiritual experience faithfulness is essential to mature Christian living Yet many in the modern church have lost or perhaps forgotten the true nature of faithfulness and thus have wandered from that which God envisages for believers Rediscovering what faithfulness entails however is altogether possible Theological ethicist Kenneth W M Wozniak takes the reader on a journey of encounter looking to the earliest Christians and their understanding of fidelity to the way of Jesus as a model for believers today and as the means by which the essence of faithfulness rooted not in adherence to a performance standard but rather in personal cultivation of the divine character the Jesus way not only can be discovered but also embraced and enjoyed by the one who aspires to align with the very being of God *The Concept of Nature in Science and Theology* Niels Henrik Gregersen,Michael W. S. Parsons,Christoph Wassermann,1997 **Tetsugaku Companion to Feeling** Kido Atsushi,Noe Keiichi,Lam Wing Keung,2024-02-29 This edited volume is the first in English that covers the philosophy of feeling and related topics in Japanese philosophy on Nishida Kitar and fellow thinkers Part I focuses on Nishida Kitar s philosophy of feeling including but not limited to comparisons with Tanabe Hajime Koyama Iwao and provides coverage of Buddhist moral and Chinese philosophy Part II goes beyond Kitar into topics such as Japanese aesthetics Nietzsche s reception in Japan and the philosophy of AI This is a comprehensive scholarly text on feeling in Japanese philosophy aimed at researchers and students working in the field **A Theology of Love** Werner G. Jeanrond,2010-01-21 This book explores the different dimensions of Christian love It argues that all expressions of love are

wrestling with the challenge of otherness **Eros and Self-Emptying** Lee C. Barrett, 2013-11-30 Pt 1 Setting the stage two pilgrims on the way home Kierkegaard's tense picture of Augustine Augustine's restless heart and Kierkegaard's desire for an eternal happiness Augustine and Kierkegaard on the road life as a journey Pt 2 Signposts on the journey specific theological intersections of Augustine and Kierkegaard God the attraction and repulsion of boundless love Sin culpable action and corrupt state God's gracious response to sin the enigma of divine sovereignty and human responsibility Christology the allure of lowliness Salvation faithful love and loving faith The church a parting of the ways Conclusion two edifying theologies of self giving The Intricacies of Love and Intimacy Ami Rokach, 2024-08-30 This book explores the meaning of love and intimacy from a variety of perspectives specifically philosophical psychological and cultural This volume is a focussed study on what makes them and what may break love and intimacy Love and intimacy are central to us is sought by almost everyone and while we seem to know what they are they are not easily described The present volume includes eleven chapters which are divided into two parts The first part describes the meaning of love intimacy and romantic relations and the second highlights what may go wrong in such relationships and why The book explores theoretical debates and contemporary research around emotions and will be of interest to students and researchers of psychology philosophy as well as sex marriage and family therapists and counselors The chapters in this book were originally published in *The Journal of Psychology* *For the Love of Children* Ted Peters, 1996-01-01 Examines the ethics of new reproductive technologies

Volume 15, Tome IV: Kierkegaard's Concepts Dr Jon Stewart, Dr William McDonald, Dr Steven M Emmanuel, 2014-11-28 Kierkegaard's Concepts is a comprehensive multi volume survey of the key concepts and categories that inform Kierkegaard's writings Each article is a substantial original piece of scholarship which discusses the etymology and lexical meaning of the relevant Danish term traces the development of the concept over the course of the authorship and explains how it functions in the wider context of Kierkegaard's thought Concepts have been selected on the basis of their importance for Kierkegaard's contributions to philosophy theology the social sciences literature and aesthetics thereby making this volume an ideal reference work for students and scholars in a wide range of disciplines The Buddha-Christ as the Lord of the True Self Fritz Buri, 1997 This translation of a 1982 volume published in Bern Paul Haupt Verlag by a Swiss theologian with a longstanding interest in dialogue between Buddhism and Christianity features an examination of the Kyoto school of Japanese philosophers who attempted to engage with both Christianity and secular West **The Political Meaning of Christianity** Glenn Tinder, 2000-01-18 The Political Meaning of Christianity brings to light various important issues of contemporary concern within the public and considers with a fresh perspective several issues in political theory Tractates on the Gospel of John 112-24; Tractates on the First Epistle of John (The Fathers of the Church, Volume 92) Saint Augustine, 2010-04 In this volume which concludes John W Rettig's translation of St Augustine's Tractates on the Gospel of John Augustine applies his keen insight and powers of rhetoric to the sacred text drawing the audience into an

Concept Of Christian Love Introduction

In the digital age, access to information has become easier than ever before. The ability to download Concept Of Christian Love has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Concept Of Christian Love has opened up a world of possibilities. Downloading Concept Of Christian Love provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Concept Of Christian Love has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Concept Of Christian Love. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Concept Of Christian Love. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Concept Of Christian Love, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Concept Of Christian Love has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
