The Theology of Priesthood Donald J. Goergen, Ann Garrido, 2017-02-28 By engaging in conversation with those whose experience perspectives and theological traditions vary from their own the contributors to The Theology of Priesthood explore in detail the fundamental questions being asked about the ordained priesthood today Priests deacons and students of theology will find these articles an engaging means to understanding Church ministry and priesthood more deeply The Theology of Priesthood includes ten essays that explore facets of ordained ministry and the ministerial priesthood Paul Philibert OP begins with an overview of issues involved in the contemporary discussion on priesthood within the Roman Catholic tradition Frank Quinn OP addresses the significance of language as it pertains to priesthood and ministry and how language is manifested in rites of ordination Thomas O Meara OP situates the discussion on priesthood within the context of an expansion of ministry in the Church since Vatican II and the implications of this expansion for ministry in the future Stephen DeLeers articulates a theology of priesthood grounded in Vatican II and post Vatican II documents which focuses on the primacy of preaching Thomas Rausch SJ then takes up the issue of diversity within ministerial priesthood as he reflects on priesthood within the context of apostolic religious life Jack Risley OP returns to the question of the relationship between ordained ministry and lay ministry The final three articles reflect on ordained ministry from distinctive perspectives Benedict Ashley OP takes the Letter to the Hebrews as his starting point Paul Wesche looks at priesthood through the lens of an Eastern Orthodox priest Donald Goergen OP asks what insights African theology specifically African Christology might offer a contemporary Catholic theology of priesthood Paul Philibert OP provides a concluding reflection Donald J Goergen OP is a preacher teacher lecturer author and theologian who taught systematic theology for many years He was also previously the

provincial for the Dominican friars of the Central Province He is the editor of A Theology of Jesus series and Being a Priest Today published by Liturgical Press

The First Five Years of the Priesthood Dean R. Hoge, 2017-06-15 Catholic Press Association Award Winner Reports indicate that many newly ordained men are feeling demoralized and some are resigning The accounts raised many questions How widespread is the problem What difficulties are the recently ordained priests facing Is the problem due to changes in lay attitudes or to changes in the ordained themselves Is the situation different from what it was ten or twenty years ago The First Five Years of the Priesthood is a collaborative work of the National Federation of Priests Councils and the Life Cycle Institute of The Catholic University of America that considers this phenomenon It explores the experience of early priesthood and is based on a pilot survey of two groups recently ordained priests active in service and those who have resigned The research team minimized interpretative work on the findings and engaged credible voices in American Catholic life to write commentaries on the implications of the findings The First Five Years of the Priesthood includes both the research findings and commentaries Chapters are The Setting of the Priesthood Today Attitudes of Newly Ordained Active and Resigned Priests What Makes for Satisfied Newly Ordained Priests Four Types of Resigned Priests Life Experiences of Newly Ordained Active and Resigned Priests and Recommendations Made by the Priests Dean R Hoge is a professor in the department of sociology at The Catholic University of America in Washington D C He has done sociological research serving American churches for 31 years and has authored several books and articles on American religion

Gold Tested in Fire Ronald D. Witherup, 2012 The recent Year for Priests focused considerable attention on the priesthood resulting in many books articles retreats conferences and symposia In Gold Tested in Fire Ronald D Witherup SS makes an important new contribution Intersecting scriptural and theological context with lived pastoral insight Witherup explores both classic and contemporary understandings of the priesthood offers insights into the four pillars suggested for priestly formation and looks at the charism of priests and the need for ongoing formation across a life span Having engaged in priestly formation in seminaries for a number of years Witherup moves beyond overly idealized or pietistic approaches to the presbyteral life to offer key insights on the challenges and rewards inherent in contemporary priestly ministry Underlying his approach is the firm conviction that the present testing in the priesthood is a profound summons to a new Pentecost inopportunity for the priesthood to be cleansed and remade and ultimately stronger

New Generations of Catholic Sisters Mary Johnson, 2014 This volume brings together quantitative and qualitative data canonical and theological perspectives and sociological analyses to present a multilayered portrait of women religious in the United States today especially those who entered religious institutes after Vatican II

Finding the Treasure Sandra Marie Schneiders, 2000 Sandra Schneiders brilliant and perceptive analysis projects a new model of religious life Deeply exciting and genuinely consoling from back cover

The Reception of Vatican II Matthew L. Lamb, Matthew Levering, 2017 A sequel to Vatican II Renewal within Tradition OUP 2008 The Reception of Vatican II shows how the Council has been received and interpreted

over the course of the more than fifty years since it concluded The meaning of the Second Vatican Council has been fiercely contested since before it was even over and since its completion has seen a battle for the soul of the Church waged through the interpretation of Council documents Each essay in this volume looks at how one of those documents has been interpreted in the post Vatican II era and points the way forward for its future reception Seminaries, Theologates, and the Future of Church Ministry Katarina Schuth,1999 Seminaries Theologates and the Future of Church Ministry considers the context of ministry on the eve of the twenty first century and focuses on how Roman Catholic seminaries and schools of theology are preparing men and women for service in the Church The study is based on a first hand view of how human and spiritual formation as well as intellectual and pastoral programs are designed in these theologates Anyone interested in how people in ministry will transmit the faith to the next generation particularly people involved with seminary life and work faculty students administrators bishops vocation directors and trustees will find this book valuable BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Religious Life* Loan Le,2016-06-22 Following the Second Vatican Council when each Religious Institute was encouraged to research its charism some Institutes experienced a tension between their charism and their mission or even difficulty identifying what their charism was This book is a study of the theological understanding of charism and of mission in relation to Religious Life within the Catholic Church While this topic has featured in much Roman Catholic theological literature since Vatican II there appears to be a dearth of in depth studies This book addresses this apparent lacuna It draws particularly on the work of two major theologians Jean Marie Roger Tillard OP and Sandra Marie Schneiders IHM who have reflected at length on charism and mission in the period leading up to Vatican II and on the implementation of its documents with respect to Religious Life The very significant contributions of Tillard and Schneiders on the topic provide Religious as well as others who want to know and understand Religious Life with an interesting and motivating insight into charism and mission in Religious Life Within the Roman Catholic Church a Year of Consecrated Life has just drawn to a close and this book forms a background and a response to Pope Francis Apostolic Letter to all Consecrated People on the occasion of the Year of Consecrated Life November 2014 which invited Religious to reflect on these aspects that are essential to the life they have chosen to live *From Trent to Vatican II* Raymond F. Bulman,Frederick J. Parrella,2006-06-15 The second Vatican Council was convened by Pope John XXIII between 1962 and 1965 It marked a fundamental shift toward the modern Church and its far reaching innovations replaced or radically changed many of the practices rules and attitudes that had dominated Catholic life and culture since the Council of Trent in the sixteenth century In this book a distinguished team of historians and theologians offers an impartial investigation of the relationship between Vatican II and Trent by examining such issues as Eucharistic theology liturgical change clerical reform the laity the role of women marriage confession devotion to Mary and interfaith understanding As the first book to present such a comprehensive study of the connection between the two great Councils this is an invaluable

resource for students theologians and church historians as well as for bishops clergy and religious educators

Understanding the Religious Priesthood Christian, OSB Raab, Brian E., SJ Daley, 2020-10-14 Most contemporary theologies of Holy Orders consider priesthood mainly in its diocesan context and most contemporary theologies of religious life do not consider how ordained ministry functions when it is internal rather than external to religious life *Understanding the Religious Priesthood* provides a history and theology of religious priesthood that contributes to our understanding of this vocation's identity and mission It uncovers what religious priesthood shares with diocesan priesthood and non ordained religious life and what makes it different from both those other vocations Christian Raab begins by tracing the history of religious priesthood from its origins in the early Church to the eve of the Second Vatican Council He demonstrates that religious priests often faced questions about how to reconcile their two callings but that they also provided answers in their theologies and spiritualities of priesthood and religious life Meanwhile they made key contributions to the Church's life and mission Raab then investigates the teachings of the Second Vatican Council on priesthood and religious life Observing that the Council presented priesthood according to a diocesan typology and presented religious life without sacerdotal associations he argues that the lack of imagery of religious priesthood contributed to a post conciliar vocational identity crisis among religious priests He then seeks to remedy this lacuna by appealing to the biblical images for religious priesthood Hans Urs von Balthasar offered in his theology of vocations Raab argues that Balthasar's imagery is a promising way forward for understanding the identity and mission of religious priesthood In a final part Raab provides a substantial theological articulation of religious priesthood which illuminates its liturgical signification ecclesial mediation and mission and ministerial identity Here he draws not only from Balthasar but also from Pope John Paul II Yves Congar Jean Marie Tillard Brian Daley and Guy Mansini to construct his profile

Apostolicity Then and Now John J. Burkhard, 2015-05-15 *Apostolicity Then and Now* explores apostolicity from its origin to today Apostolicity is a fundamental mark of the church referring to Jesus' faith given to and carried on and taught unaltered by a continuous line of apostles This book primarily focuses on how apostolicity pertains to the church as a whole and views apostolic succession in light of how apostolicity is applicable to the church Scriptural historical theological and ecumenical contexts provide a thorough study that includes worldviews and their impact on apostolicity Chapters are Who Were the Apostles Why the Early Churches Understood Themselves as Apostolic Apostolicity in History Apostolicity and the Theologians Apostolicity and the Classical and Modern Worldviews Apostolicity in a Postmodern World Apostolicity in Ecumenical Dialogue and Apostolicity in an Ecumenical Church

With Oil in Their Lamps Sandra Marie Schneiders, 2000 In this millennial Madeleva Lecture Sandra Schneiders takes a long and clarifying look at feminism both its impact on the past and its promise for the future She explores some of its deeply transformative effects on twentieth century American culture and on the postconciliar Church While Schneiders touches on a wide range of topics including women's emergence in the world of athletics and education and the greater role of women in

the Church she pays particular attention to the unique impact that women's Religious Life had in facilitating the transformation. Drawing on the insights of feminist thinkers and the biblical tradition the author suggests how a Gospel informed feminism can offer a new vision of humanity Church and world for a new century.

BOOK JACKET Title Summary

field provided by Blackwell North America Inc All Rights Reserved Sacramental Orders Susan K. Wood, 2000 Ordained ministry cannot be understood by itself or only in its relationship with Christ. It must find its identity in relationship to the Church for it exists to serve and build up the Church. In *Sacramental Orders* Susan Wood places the theology of ordained ministry within its ecclesial foundations identifying four concepts that shed light on different aspects of ordained ministry and its relationship to the Church: a monarchical and hierarchical concept; a eucharistic collegial model of ministry representing the communion of particular Churches; the priest prophet and king which structures the concept of the Church as the people of God; and a theology of the Church as a sacrament of Christ and ordained ministry as a sacrament of the Church. *Sacramental Orders* is a liturgical and theological study of ordained ministry grounded in the liturgy of the 1990 typical edition of the rites. It addresses the three Orders within the one Sacrament of Order: bishop, presbyter and deacon. By including each order with this study the interrelationship between the three becomes more apparent and the theology of one is allowed to inform the theology of the others. Wood points out that one of the challenges in theologies of ordained ministry today is to distinguish a bishop from a presbyter when both are ordinations to the priesthood and presbyters are assuming a greater ministry of oversight as they pastor more than one parish and to distinguish deacons from presbyters at a time in church history when deacons are assuming more presbyteral functions. *Sacramental Orders* also focuses on the mutual reciprocity in the relationship between liturgical rite and the theology of the sacrament as explained in ecclesial documents. The ordination rites reflect the theology expressed by Vatican II and yet also present a theology of the sacrament embedded in the liturgical texts and actions. Chapters are: The Ecclesiological Foundations of Ministry; The Liturgical Rite of the Ordination of a Bishop; The Sacramentality of Episcopal Consecration; The Liturgical Rite of the Ordination of Presbyters; Theology of the Presbyterate; The Liturgical Rite of the Ordination of Deacons and Questions Concerning the Diaconate. Susan K. Wood SCL PhD is Associate Professor of Theology at St John's University, Collegeville, MN. She is the author of articles published in *Theological Studies*, *Pro Ecclesia*, *One in Christ*, *Worship*, *Studia liturgica*, *Communio* and *Studio Canonica*. She is a member of the U.S. Lutheran Roman Catholic Dialogue.

Catholic High Schools James L. Heft S. M., 2011-10-21 Catholic high schools in the United States have been undergoing three major changes in recent years: the shift to lay leadership; a national culture that has become deeply consumerist and pluralist; and a more ethnically diverse student body. James Heft explains how these changes can be successfully navigated by teachers, administrations and parents.

Catholic School Leadership Thomas C. Hunt, Thomas Oldenski, Theodore Joseph Wallace, 2000 *Catholic School Leadership* addresses many of the challenges facing those who prepare faith leaders and education leaders for the Catholic schools of the future. The well

known editors and contributors to this volume have written about their personal experiences with Catholic schools the educational foundations of Catholic schools teacher preparation and development Catholic school leadership dealing with parents and families and the challenges of technology for Catholic schools The contributions emphasize the perspectives of both scholars and practitioners within Catholic education and will interest anyone who has experienced time in a Catholic school either as a student teacher or administrator as well as those interested in what is happening within Catholic schools today

Serving the Body of Christ Irwin, Kevin W., 2021 A careful collection summary and commentary of the church's official teaching on the Eucharist and ordained priesthood from Trent through Pope Benedict XVI with avenues for theological exploration based on it Updated with analyses of documents from Pope Francis
