Concise Dictionary Of Early Christianity

Robert E. Webber

Concise Dictionary Of Early Christianity:

The Concise Dictionary of Early Christianity Joseph Francis Kelly, 1992 A Michael Glazier book Includes bibliographical references p 201 203 **A Dictionary of Early Christian Biography and Literature to the End of the Sixth Century A.D.** Henry Wace, William Coleman Piercy, 1999 Discover essential reliable information on over 800 Christian personalities groups and literature to the end of the sixth century A D in this unique concise volume It includes descriptions of the principal sects and heresies that challenged orthodox Christianity on several fronts during the early years A remarkably comprehensive work this volume evolved from the distinguished four volume Dictionary of Christian Biography and Literature For anyone serious about the early church and the people who made indelible marks in its story this is a fundamental resource Features reliable sketches of major Christian personalities of the first six centuries Analyzes the documents creeds and literature of the early church and its opponents Describes the principal sects and heretics of early Christianity including discussions of the theological tendencies of these opponents Covers more than 600 years of church history in one convenient volume The Concise Oxford Dictionary of the Christian Church Elizabeth A. Livingstone, 2006 Based on the Oxford Dictionary of the Christian Church this abridged version contains over 5 000 condensed and accessible entries It provides coverage of theology patristic scholarship churches and denominations the Church calendar and organization and the Bible as well as entries on theologians philosophers painters musicians and writers of religious works

BOOK JACKET *A Concise Dictionary of Theology* Gerald O'Collins, Edward G. Farrugia, 1991 This most authoritative dictionary of Christian theology today offers a clear up to date explanation of the meaning origin and history of key terms that teachers and students of theology need to know Contains over 50 new entries and updated entries and references to reflect the latest scholarship and research An index of names has been included **The World of the Early Christians** Joseph F. Kelly, 2017-03-15 Like every lost world the world of the early Christians was a combination of the foreign and the familiar the unique and the commonplace In *The World of the Early Christians* Joseph Kelly introduces and explains the world of the early Christians and while he examines the differences between our two societies he also stresses our similarities The early Christians were people like us trying to make their way in life There are many introductions to the world of the early Christians but few if any deal with its historical background and the basic questions non specialists ask Why did the Christians use philosophy at al Didn t it make everything confusing Why didn t they just stay with the Bible In *The World of the Early Christians* Kelly answers such preliminary questions and concentrates on the fundamental issue of why Christians used philosophy rather than simply listing the philosophies they used Not only do most people know little about the early Christians they often have erroneous views about them For example many modern Christians think their ancient spiritual ancestors were impoverished uneducated people from the lowest strata of Roman society *The World of the Early Christians* addresses some of these misconceptions by considering the historical evidence available about these people Similarly Kelly

also explains some ancient topics such as magic and astrology and considers how they can be misleading to modern students. He then describes the early Christians' relationships with other groups such as Jews, pagans, and members of popular and official cults and then explores the intellectual and cultural lives of the early Christians. Students and anyone interested in understanding the now lost world of early Christianity will appreciate this volume's straightforward treatment of this essential background material. Kelly touches upon topics treated by the other volumes in the *Message of the Fathers of the Church* series. He refers to original sources in translation unless no translation is available and he includes bibliographic references for further research. In a direct and easy manner, Kelly brings to life for us today the rich world of the early Christians. Chapters are: Who Were the Early Christians; How Do We Know About the Early Christians; The Physical World; Others; Intellectual and Cultural Life; Living in the World; and A Brief History of Early Christianity. **The Concise**

Dictionary of the Christian Tradition J. D. Douglas, Peter Toon, 2023-09-05. In this single volume, you will find nearly three and a half thousand terms and names from the history, teachings, and liturgy of the church. Terms and names that are difficult to find in standard dictionaries. Brief definitions and descriptions for quick reference. Names and terms from the history of the church in its various expressions. Concepts and terms related to the teachings of the church. Terms connected with the Protestant, Roman Catholic, and Orthodox liturgies. This indispensable reference work is for anyone who wants quick access to information that is sometimes difficult to find even in a well-stocked library. The perfect single volume reference for the layperson, students, pastors, and teachers. **Dictionary of Early Christian Beliefs** David W. Bercot, 2021-04-18. Interest in

the ways of the early church has never been more intense. What did early Christians believe about the divinity of Christ? What were the beliefs of those who sat at the feet of Jesus' disciples? Now for the first time, a unique dictionary has been developed to allow easy access to the ancient material and furnish ready answers to these questions and others like them. David W. Bercot has painstakingly combed the writings of these early church leaders and categorized the heart of their thinking into more than 700 theological, moral, and historical topics to create *A Dictionary of Early Christian Beliefs*. Wonderfully suited for devotional or thematic study as well as sermon illustration, this resource offers a window into the world of the early church and affords special opportunity to examine topically the thoughts of students of the original apostles as well as other great lights in the life of the early church. Collects relevant comments on key Christian concepts from prominent figures such as Origen, Clement of Alexandria, Clement of Rome, and Hippolytus. Includes key biblical verses associated with a given topic. Offers brief definitions of unfamiliar terms or concepts, allowing easy access to the ancient material. Provides a who's who of ante-Nicene Christianity to put in context the ancient Christian writers. Discusses more than 700 key theological, moral, and historical topics. Gives strategic cross-references to related topics. Functions as a topical index to the writings of Ante-Nicene Fathers. **Recent Reference Books in Religion** William M. Johnston, 2014-01-27. Recent Reference Books in Religion

provides incisive summaries and evaluations of more than 350 contemporary reference works on religious traditions, ancient

and modern that have been published in English French and German For maximum usefulness to readers Professor Johnston has broadly defined religion to include not just the world religion of Christianity Judaism Islam Hinduism and Buddhism but also such alternative approaches as mythology folklore and the philosophy of ethics Each entry analyzing a particular work includes full bibliographic details as well as commentary outstanding articles and contributors are highlighted strengths and weaknesses are carefully noted and weighed Readers are directed to volumes whose strengths and weaknesses are carefully noted and weighed Readers are directed to volumes whose strengths complement the weaknesses of others An indispensable guide in any religious studies collection Recent Reference Books in Religion 2nd Edition includes works published through the end of 1997 It also includes a Glossary that describes types and functions of reference books and five indexes Titles Authors Topics Persons and Places

The Literature of Theology David R. Stewart, 2003-01-01 This updated reference guide directs students to over five hundred significant theological resources across a wide area of theological research It details bibliographic sources for encyclopedias dictionaries and electronic resources in biblical studies historical studies theology and practical theology

Christianity Through the Centuries Earle E. Cairns, 2009-09-13 The third edition of Christianity Through the Centuries brings the reader up to date by discussing events and developments in the church into the 1990s This edition has been redesigned with new typography and greatly improved graphics to increase clarity accessibility and usefulness New chapters examine recent trends and developments expanding the last section from 2 chapters to 5 New photos Over 100 photos in all more than twice the number in the previous edition Single column format for greater readability and a contemporary look Improved maps 21 and charts 39 Building on the features that have made Christianity Through the Centuries an indispensable text the author not only explains the development of doctrines movements and institutions but also gives attention to the impact of Christianity on its times and to the mark of the times on Christianity

The Early Church in Its Context Abraham J. Malherbe, Frederick W. Norris, James W. Thompson, 2014-04-09 This volume honors Professor Everett Ferguson of Abilene Christian University on the occasion of his sixty fifth birthday Reflecting the interests of the honoree the twenty one contributions focus on various aspects of the early church and its environment Together the articles form a broad tapestry of interrelated topics informed from the disciplines of philosophy patristic theology archaeology rhetoric art Greco Roman religion and biblical studies

The Oxford Encyclopedia of African Thought Abiola Irele, 2010 From St Augustine and early Ethiopian philosophers to the anti colonialist movements of Pan Africanism and Negritude this encyclopedia offers a comprehensive view of African thought covering the intellectual tradition both on the continent in its entirety and throughout the African Diaspora in the Americas and in Europe The term African thought has been interpreted in the broadest sense to embrace all those forms of discourse philosophy political thought religion literature important social movements that contribute to the formulation of a distinctive vision of the world determined by or derived from the African experience The Encyclopedia is a large scale work of 350 entries covering major

topics involved in the development of African Thought including historical figures and important social movements producing a collection that is an essential resource for teaching an invaluable companion to independent research and a solid guide for further study

The Magazine of Christian Literature ,1892

The Westminster Dictionary of Theological Terms, Second Edition Donald K. McKim,2014-01-01 This second edition of the Westminster Dictionary of Theological Terms provides a comprehensive guide to nearly 7 000 theological terms 1 000 more terms than the first edition McKim s succinct definitions cover a broad range of theological studies and related disciplines contemporary theologies biblical studies church history ethics feminist theology global theologies hermeneutics liberation theology liturgy ministry philosophy philosophy of religion postcolonial theology social sciences spiritually worship and Protestant Reformed and Roman Catholic theologies This new edition also includes cross references that link readers to other related terms commonly used scholarly abbreviations and abbreviations for canonical and deuterocanonical texts an annotated bibliography and a new introductory section that groups together terms and concepts showing where they fit within particular theological categories No other single volume provides the busy student and the theologically experienced reader with such easy access to so many theological definitions

Early Christians Speak, Vol. 1 3rd Ed. Everett Ferguson,1999-11-01 These studies in early church history cover various aspects of the church life of early Christians They focus on the second century What did the second century Christian leaders say about faith baptism infant baptism worship services the Lord s Supper prayer singing church organization mercy and the role of women New Testament texts bearing on the topic are listed at the beginning of each chapter We are talking about the same community of people the same church as existed in the New Testament Such writings have an important bearing on the interpretation of the Scriptures

By this Sign Christian History Project,2003 A history of Christianity from the Decian persecution of 250 A D to the Constantine era of the early to mid 300s

A Dictionary of Early Christian Biography Henry Wace,William C. Piercy,2014 Discover essential reliable information on over 800 Christian personalities groups and literature to the end of the sixth century A D in this unique concise volume It includes descriptions of the principle sects and heresies that challenged orthodox Christianity on several fronts during the early years A remarkably comprehensive work this volume evolved from the distinguished four volume Dictionary of Christian Biography and Literature For anyone serious about the early church and the people who made indelible marks in its story this is a fundamental resource Features reliable sketches of major Christian personalities of the first six centuries Describes the principle sects and heretics of early Christianity including discussions of the theological tendencies of these opponents Analyzes the documents creeds and literature of the early church and its opponents Covers more than 600 years of church history in one convenient volume

Birth of the Church Ivor J Davidson,Tim Dowley,2012-11-20 The Monarch History of the Church is an eight volume series by world renowned historians and theologians Each volume offers an even handed comprehensive and readable assessment of the main strands of Christianity within its period The first volume covers the

period AD 30-312 During this time the church experienced major challenges politically culturally and intellectually yet grew and defined itself in remarkable ways Here is the story of Christianity's earliest shapers men and women whose influence is still felt today *The Early Christian Conception of Christ* Otto Pfleiderer, 1905 *Ancient-Future Faith* Robert E. Webber, 1999-11 In a world marked by relativism individualism pluralism and the transition from a modern to a postmodern worldview evangelical Christians must find ways to represent the historic faith In his provocative new work *Ancient Future Faith* Robert E. Webber contends that present day evangelicalism is a product of modernity Allegiance to modernity he argues must be relinquished to free evangelicals to become more consistently historic Empowerment to function in our changing culture will be found by adapting the classical tradition to our postmodern time Webber demonstrates the implications in the key areas of church worship spirituality evangelism nurture and mission Webber writes The fundamental concern of *Ancient Future Faith* is to find points of contact between classical Christianity and postmodern thought Classical Christianity was shaped in a pagan and relativistic society much like our own Classical Christianity was not an accommodation to paganism but an alternative practice of life Christians in a postmodern world will succeed not by watering down the faith but by being a counter cultural community that invites people to be shaped by the story of Israel and Jesus A substantial appendix explores the development of authority in the early church an important issue for evangelicals in a society that shares many features with the Roman world of early Christians Students professors pastors and laypeople concerned with the church's effective response to a postmodern world will benefit from this paradigmatic volume Informative tables and extensive bibliographies enhance the book's educational value Amazon
