*Management Laureates* H. Igor Ansoff, 1992 Part of a series which provides autobiographical studies by individuals who are among contemporary leaders in the management discipline Essays explore their experiences and the factors and forces influencing their professional and personal development Bibliographies of their work are included

*Utopia in Zion* Raymond Russell, 2012-02-01 Although less famous than Israel's cooperative agricultural settlements the kibbutzim and moshavim Israeli urban worker cooperatives have an equally long and rich history Well over a thousand such organizations have been established in what is now Israel since early in this century This book provides a historical social and economic analysis of contemporary urban worker cooperatives focusing on processes affecting their formation and dissolution their use of nonmember labor and the evolution of their democratic decision making practices over time Raymond Russell examines these cooperatives for the light they can shed on worker ownerships and worker cooperatives in general and on Israeli society in particular Applying a range of sociological and economic theories to examine the dynamics of these

organizations over time he finds that both their formation and their later development have been strongly influenced by the uniquely utopian social and economic conditions that prevailed in Jewish Palestine in the first half of the twentieth century
