This Luxury Edition is perfect for anyone looking to invest in a reliable resource for home, school, or office. It includes unique features such as cut thumb tabs, printed endpapers, ribbon marker with coloured head and tailbands, making it a centerpiece for all bookshelves. This centenary edition of the Concise Oxford English Dictionary Luxury Edition presents the most accurate picture of English today. It contains over 240 000 words, phrases, and definitions providing superb coverage of contemporary English, including rare historical and archaic terms, scientific and technical vocabulary, and English from around the world. The dictionary has been updated with hundreds of new words, including subprime, social networking, and carbon footprint, all based on the latest research from the Oxford English Corpus. In addition, the dictionary features an engaging new center section with quick reference word lists containing, for example, lists of Fascinating Words and Onomatopoeic Words, and a revised and updated English Uncovered supplement which examines interesting facts about the English language. Sprinkled throughout the text are intriguing Word Histories detailing the origins and development of numerous words. The volume also retains such popular features as the hundreds of usage notes which give advice on tricky vocabulary and pointers to help you improve your use of English. Finally, the dictionary contains full appendices on topics such as alphabets, currencies, electronic English, and the registers of language from formal to slang, plus a useful Guide to Good English with advice on grammar, punctuation, and spelling.
