

A Concise History
PREACHING

Paul Scott Wilson

Concise History Of Preaching

Michael Duduit

Concise History Of Preaching:

A Concise History of Preaching Paul Scott Wilson, 1992 From the apostle Paul Origen and Chrysostom through Aquinas Luther Calvin and Wesley to Harry Emerson Fosdick James S Stewart and Martin Luther King Jr this volume traces the history of preaching by focusing on the work of 20 key Christian preachers Wilson analyzes how preachers through history have structured their sermons and shows how preaching today embodies the theological ideas of an era *A Brief History of Preaching* Yngve Brilioth, 1965 Translated from Predikans historia Includes bibliographical references pages 217 223 From synagogue to church the three basic elements The Greek homily Augustine and his era The Middle Ages From Luther to Carpzov An ecumenical survey Appendix the history of preaching in Sweden *The Story of Preaching* T. A. Prickett, 2011-06-09 The Story of Preaching is a fresh look at the preacher and preaching from the early days of the Church until today It is not a history of preaching because there are some obvious gaps in the timeline What I have attempted to do is to describe the preacher and the characteristics of the period in which he or she lived One of the things which I have tried to do is to show how the preachers handled the issues of their day One of my objectives in doing this is to help the preachers of my day to address the issues of this era as the preachers of old addressed the issues in their time The book will show that some who dared to challenge the attitudes of their day faced many challenges and some even faced death because of their commitment to apply the principles of the gospel to the status quo of their day However the book will show that there were those who challenged the mode of their time without facing death or threats of death They found a way to present their concerns to their constituents in a way that lead to success The New Interpreter's® Handbook of Preaching , 2010-11-01 The New Interpreter s Handbook of Preaching is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary scholarship and it develops theory geared to practice Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice **A History of Preaching Volume 1** Rev. O.C. Edwards JR., 2016-04-25 A History of Preaching brings together narrative history and primary sources to provide the most comprehensive guide available to the story of the church s ministry of proclamation Bringing together an

impressive array of familiar and lesser known figures Edwards paints a detailed compelling picture of what it has meant to preach the gospel Pastors scholars and students of homiletics will find here many opportunities to enrich their understanding and practice of preaching Volume 1 contains Edwards s magisterial retelling of the story of Christian preaching s development from its Hellenistic and Jewish roots in the New Testament through the late twentieth century s discontent with outdated forms and emphasis on new modes of preaching such as narrative Along the way the author introduces us to the complexities and contributions of preachers both with whom we are already acquainted and to whom we will be introduced here for the first time Origen Chrysostom Augustine Bernard Aquinas Luther Calvin Wesley Edwards Rauschenbusch Barth all of their distinctive contributions receive careful attention Yet lesser known figures and developments also appear from the ninth century reform of preaching championed by Hrabanus Maurus to the reference books developed in the thirteenth and fourteenth centuries by the mendicant orders to assist their members preaching to Howell Harris and Daniel Rowlands preachers of the eighteenth century Welsh revival to Helen Kenyon speaking as a layperson at the 1950 Yale Beecher lectures about the view of preaching from the pew Volume 2 available separately as 9781501833786 contains primary source material on preaching drawn from the entire scope of the church s twenty centuries The author has written an introduction to each selection placing it in its historical context and pointing to its particular contribution Each chapter in Volume 2 is geared to its companion chapter in Volume 1 s narrative history Ecumenical in scope fair minded in presentation appreciative of the contributions that all the branches of the church have made to the story of what it means to develop deliver and listen to a sermon A History of Preaching will be the definitive resource for anyone who wishes to preach or to understand preaching s role in living out the gospel This work is expected to be the standard text on preaching for the next 30 years says Ann K Riggs who staffs the NCC s Faith and Order Commission Author Edwards former professor of preaching at Seabury Western Theological Seminary is co moderator of the commission which studies church uniting and church dividing issues A History of Preaching is ecumenical in scope and will be relevant in all our churches we all participate in this field says Riggs from EcuLink Number 65 Winter 2004 2005 published by the National Council of Churches

Deep Preaching J. Kent Edwards, 2009

J Kent Edwards recalls a story that late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring

to the awe inspiring from the trite to the transforming *Organic Homiletic* Richard Hee-Chun Park,2006 Organic form theory of Romanticism helps writers artists and preachers free themselves from potentially limiting norms and rules of form Organic Homiletic Samuel T Coleridge Henry G Davis and the New Homiletic will inspire preachers to express their individual voices and create their own authentic forms by offering preachers innovative methods to creatively imitate blend and mix a wide variety of sermon forms The book is a motivator for preachers to intuitively discover sermon content in the rhetorical context of a given preaching situation and to develop that content utilizing organic form in the process of sermon preparation Organic Homiletic is a must read for seminarians experienced preachers creative writers and artists all those who seek to be fresh authentic creative liberated and organic **Preaching that Matters** Stephen Farris,1998-01-01 Preaching is the art of building a bridge in the hearer s mind from the ancient world of the biblical text to the realities of our daily lives Throughout this book Stephen Farris offers splendid insights into ways that the Bible can connect with modern life and gives specific guidance to preachers on how to make these connections happen This is a highly practical book for ministers and for classroom use **Preaching** James Cox,2002-06-17 Stands head and shoulders above the other texts Cox has complete mastery over all aspects of preaching Students and teachers will be awed Review and Expositor A contemporary restatement of the fundamentals of good preaching serves as a splendid refresher course for old timers and as a basic text for some of the newer preachers A distinctly practical handbook The Christian Century Balanced practical and familiar The strength of the book is the many practical sections in which the author gives step by step guidance A useful ring on which to cut one s homiletical teeth Theology Today Inspiring offers excellent counsel on ways to master the message will strengthen any pulpit Ministries A strong and worthy book may well prove little short of revolutionary in the years ahead The Christian Ministry *Preaching Effectively, Revitalizing Your Church* Guerric DeBona,2009 Preaching Effectively Revitalizing Your Church offers a practical and theological guide to effective preaching Guerric DeBona an experienced and respected teacher of homiletics uses the metaphor of a ladder to describe the ascent up seven rungs that constitute the strategies of preaching Beginning with advice on discovering a personal theology of preaching the author proceeds to unlock the power of the Bible and the liturgy He then guides preachers in creating a unified homily and in discovering a homiletic method that best suits their own intellect and temperament Chapters on communicating in contemporary culture and on globalizing the homily for the New Evangelization are vital for coming to grips with the technological age and the often bewildering diversity of today s world Finally DeBona challenges readers to recognize and confront their own obstacles to effective preaching Each chapter ends with questions to assist preachers in appropriating the material With bad homilies consistently cited as a factor in declining church attendance Preaching Effectively Revitalizing Your Church answers a very pressing need especially in view of the papacy s urgent call to rescue traditionally Christian countries from the brink of total secularization Book jacket **The Big Idea of Biblical Preaching** Keith Willhite,Scott M. Gibson,2003-02-01 Since 1980

Haddon Robinson has influenced generations of students and preachers through his widely used classic text *Biblical Preaching* in which he shows preachers how to communicate the Bible's big ideas with precision. But does Robinson's big idea approach to expository preaching still work in today's diverse cultures and fast-paced world? *The Big Idea of Biblical Preaching* now in paperback presents a strong defense of the ongoing relevance of this approach to expository preaching. An experienced and skilled group of contributors to this volume includes Paul Borden, Scott M. Gibson, Duane Litfin, Terry Mattingly, John Reed, Bruce L. Shelley, Donald R. Sunukjian, Joseph M. Stowell III, Bruce K. Waltke, Scott Wenig, and Keith Willhite. This volume is written not only for the current generation of students but also for today's preachers who will find in the pages of this book a powerful approach to expository preaching.

Preaching Through Time Casey C. Barton, 2017-07-28

As preachers who come to the pulpit before God and before God's people each and every week, how do we make sense of the text as we live a new moment of its ongoing story? Most options available to the preacher necessitate a hermeneutical step that requires us to preach outside of time in timeless truths, experiences, or realities. But the gospel is the drama of God appearing to and working with and loving God's people in time. *Preaching Through Time* gives the preacher a timely homiletic for preaching together the times of God's gospel then and now while calling God's people to perform their own roles in today's moment of that gospel drama. Anachronism: preaching together the moments of God's drama is the language event that will get us from text to timely sermon week by week.

Text Messages John Tucker, 2017-12-06

Facebook, Twitter, Snapchat. We live in a rapidly changing world, a world that seems to be increasingly inhospitable toward preaching. In the face of digital technology, social media, cultural pluralism, and pastoral burnout, how can Christian preachers proclaim the gospel faithfully and effectively? This book answers that question by bringing together a selection of important voices from across North America, Asia, and the Pacific. It argues that Spirit-empowered preaching is characterized by five attributes: it opens the Scriptures, engages the culture, addresses the listener, dissects the preacher, and elevates the Savior. With contributions from authors like William Willimon, Darrell Johnson, Lynne Baab, Robert Smith Jr., and Paul Windsor, this is an excellent resource for ordained ministers, lay preachers, theological students, and anyone wrestling with the challenge of preaching God's word in a smartphone world.

Care-full Preaching G. Lee Ramsey, 2012-03-15

In *Care-full Preaching*, G. Lee Ramsey Jr. offers a new vision for how sermons can energize all members of a congregation to care for one another. Using fresh images and sermons from Fred Craddock, James Forbes, Gina Stewart, Barbara Brown Taylor, and himself, Ramsey demonstrates in practical ways how sermons can create a caring community.

The Company of the Preachers David L. Larsen, 1998-09-01

This work by a veteran pastor and professor of homiletics looks at the history of preaching from its roots in the Old Testament prophets to its continuing development in the modern era.

A Chorus of Witnesses Thomas G. Long, Cornelius Plantinga, 1994

In the interest of providing exemplary models of sermons, the editors have compiled examples that display excellence in form, aim, style, and content. Developed and delivered by renowned pastors, theologians, and homileticians, the thirty-six entries in this

volume include sermons that make artful use of sources pursue classic aims and exhibit particular homiletic forms *From Prophecy to Preaching* A. Stewart-Sykes, 2015-12-22 This book seeks to determine the origins of preaching in Christianity and to trace its history before Origen On the basis of an examination of the external evidence for Christian preaching before Origen and of cognate activities in the ancient world which might have influenced Christian practice and on the basis of a narrative hypothesis on the nature of the development of Christianity a history is traced by which prophecy gives way to Scripture as the primitive Christian oikos becomes the oikos theou The homily is seen to emerge from the practice of submitting prophecy to judgement and application which comes to employ Scripture and in time is employed on Scripture itself This is the first attempt to answer the questions of how when and why preaching entered Christian worship

Preaching God's Grand Drama Ahmi Lee, 2019-10-15 How can preachers preach biblically faithful sermons that move listeners to positive action An author on the cutting edge of contemporary homiletics and theology offers a fresh approach to preaching that helps listeners see themselves as actors in God's grand drama Ahmi Lee presents a unifying third way in homiletical approaches i.e. theodramatic that reimagines the preacher's role in relation to the Bible the congregation and the world The book not only helps students understand various preaching models but also is relevant to working preachers who want to critique and improve their approach Foreword by Mark Labberton **Handbook of Contemporary Preaching, 2nd Edition** Michael Duduit, 2024-07-15 The revised and updated 2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching **Fulfilled in Our Hearing** Guerric DeBona, 2005 What can today's preacher learn from past practices What needs to be adapted so that the preacher can be an authentic prophetic voice for today Father Guerric DeBona mines the treasures of the Christian homiletic tradition and confronts the challenges of modern technology multiculturalism and feminism to open a discussion about how the preacher can effectively reach the assembly in today's postmodern media saturated culture Fulfilled in Our Hearing is certain to become the standard text in homiletics courses for ordained and lay preachers alike BOOK JACKET

Yeah, reviewing a book **Concise History Of Preaching** could accumulate your near links listings. This is just one of the solutions for you to be successful. As understood, exploit does not recommend that you have extraordinary points.

Comprehending as with ease as harmony even more than extra will meet the expense of each success. bordering to, the notice as competently as perspicacity of this Concise History Of Preaching can be taken as competently as picked to act.

Concise History Of Preaching Introduction

In the digital age, access to information has become easier than ever before. The ability to download Concise History Of Preaching has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Concise History Of Preaching has opened up a world of possibilities. Downloading Concise History Of Preaching provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Concise History Of Preaching has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Concise History Of Preaching. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Concise History Of Preaching. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Concise History Of Preaching, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Concise History Of Preaching has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Concise History Of Preaching Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
