A Concise History of the Spanish Civil War Gabriel Jackson, 1974 Photographs posters and drawings highlight an examination of the key events and immediate effects of the Spanish Civil War A Concise History of the Spanish Civil War Paul Preston, 1996 A Short History of the Spanish Civil War Julián Casanova, 2021-10-21 Inhaltsverzeichnis Introduction The roots of the conflict Spain split in half Holy War and anticlerical hatred An international war on Spanish soil The Republic at war The new order A long war An uncivil peace A Concise History of the Spanish Civil War Gabriel The Spanish Civil War Andrew Forrest, 2012-11-12 The Spanish Civil War was one of the bloodiest conflicts Tackson, 1980 of the modern era This book covers its background with the fall of the monarchy and the Second Republic Franco and Fascism the conflict itself the role of foreign powers the legacy of the war Including narrative questions and analysis of a wide variety of sources from popular novels and poetry to contemporary political commentaries. The Spanish Civil War is a concise introduction to this topic and an essential study aid A Short History of the Spanish Civil War Julián Casanova, 2019-09-19 The years of the Spanish Civil War filled twentieth century Spain with hope frustration and drama Not only did it pit countryman against countryman and neighbour against neighbour but from 1936 39 this bitterly contended struggle sucked in competing and seemingly atavistic forces that were soon to rage across the face of Europe and then the rest of the world nationalism and republicanism communism and fascism anarchism and monarchism anti clerical reformism and aristocratic Catholic conservatism The Guerra Civil is of enduring interest precisely because it represents much more than just a regional contest for power and governmental legitimacy It has come to be seen as a seedbed for the titanic political struggles and larger social upheavals that scarred the entire twentieth century In elegant and accessible prose Julian Casanova tells the gripping story of these years of anguish and trauma which hit the country with a force hitherto unknown at any time in Spain's history Charting the most significant events and battles alongside the main players in the tragedy he provides answers to some of the pressing questions such as the roots and extent of anticlerical violence that have been asked in the seventy years that have passed since the painful defeat of the Second Republic British Volunteers in the Spanish Civil War Richard Baxell, 2004-07-31 During the Spanish Civil War of 1936 1939 almost 2 500 men and women left Britain to fight for the Spanish Republic This book examines the role experiences and contribution of the volunteers who fought in the British Battalion of the 15 International Brigadesasking Who were these volunteers Where did they come from Why did they go to Spain How much did they actually help the Spanish Republic In contrast to recent revisionist interpretations this work stresses the crucial importance of the war experience itself rather than political ideology in the understanding of the volunteers role and experiences within the Spanish war This book will be of essential interest to historians and those interested in the Spanish Civil War A Concise History of the United States Marine Corps, France and the Spanish Civil War Mr Martin Hurcombe, 2013-05-28 In this wide **1775-1969** William D. Parker,1971

ranging study of French intellectuals who represented the Spanish Civil War as it was happening and in its immediate aftermath Martin Hurcombe explores the ways in which these individuals addressed national anxieties and shaped the French political landscape Bringing together reportage essays and fiction by French supporters of Franco's Nationalists and of the Spanish Republic Hurcombe shows the multifaceted ways in which that conflict impacted upon French political culture He argues that French cultural representations of the war often articulated a utopian image of the Nationalists or of the Spanish Republic that served as models behind which the radical right or the radical left in France might mobilise His book will be of interest not only to scholars of French literature and culture but also to those interested in how events unfolding in Spain found an echo in the political landscapes of other countries A Concise History of the United States Marine **Corps, 1775-1969** United States.
