

"FLYNN IS AN EXCELLENT STORYTELLER." — BOOKLIST

JOSEPH FLYNN

The Concrete Inquisition

Concrete Inquisition

Yedida K. Stillman, George K. Zucker

Concrete Inquisition:

The K Street Killer Joseph Flynn, 2011-11-08 Somebody in Washington is updating Shakespeare The first thing he wants to do is kill all the lobbyists Knocking off three of them in consecutive weeks he s off to a fast start On the lapel of each victim the killer leaves a pin that arguably resembles Porky Pig The Metro police are on the case when Putnam Shady steps forward and identifies the third victim as a friend Authority averse Putnam gives the cops only bare bones information but he tells Margaret Sweetie Sweeney that he thinks he will be the next victim The reason he explains is quite simple There are two plans afoot to seize control of the federal government At the center of one plan is the speaker of the House of Representatives The group behind the other plan consisted of Putnam and his three dead colleagues Sweetie vows to protect Putnam She enlists Jim McGill the president s henchman to find out who is behind the murders But then McGill s whole world is turned upside down His son Kenny is diagnosed with leukemia President Patricia Grant s life is only slightly less tumultuous Her enemies force her to leave the Republican Party Erna Godfrey implicates her husband Reverend Burke Godfrey in the killing of Patti s first husband Andrew Hudson Grant But Reverend Godfrey refuses to go down without a fight Amidst the turmoil Welborn Yates and Kira Fahey schedule their marriage and inevitably have to deal with wedding crashers

Inquisition and Power John H. Arnold, 2013-07-20 What should historians do with the words of the dead Inquisition and Power reformulates the historiography of heresy and the inquisition by focusing on depositions taken from the Cathars a religious sect that opposed the Catholic church and took root in southern France during the twelfth century Despite the fact that these depositions were spoken in the vernacular but recorded in Latin in the third person and rewritten in the past tense historians have often taken these accounts as verbatim transcriptions of personal testimony This belief has prompted some historians including E Le Roy Ladurie to go so far as to retranslate the testimonies into the first person These testimonies have been a long source of controversy for historians and scholars of the Middle Ages Arnold enters current theoretical debates about subjectivity and the nature of power to develop reading strategies that will permit a more nuanced reinterpretation of these documents of interrogation Rather than seeking to recover the true voice of the Cathars from behind the inquisitor s framework this book shows how the historian is better served by analyzing texts as sites of competing discourses that construct and position a variety of subjectivities In this critically informed history Arnold suggests that what we do with the voices of history in fact has as much to do with ourselves as with those we seek to rescue from the silences of past

The Spanish Inquisition Henry Kamen, 2014-05-27 In this completely updated edition of Henry Kamen s classic survey of the Spanish Inquisition the author incorporates the latest research in multiple languages to offer a new and thought provoking view of this fascinating period Kamen sets the notorious Christian tribunal into the broader context of Islamic and Jewish culture in the Mediterranean reassesses its consequences for Jewish culture measures its impact on Spain s intellectual life and firmly rebuts a variety of myths and exaggerations that have distorted understandings of the Inquisition

He concludes with disturbing reflections on the impact of state security organizations in our own time **New Horizons in Sephardic Studies** Yedida K. Stillman, George K. Zucker, 2012-02-01 This book contains the most recent research in the intrinsically interdisciplinary field of Sephardic Studies It provides new insights into Sephardic history culture folklore languages music and literature from both new and established international scholars *The Hangman's Companion* Joseph Flynn, 2010-09-13 Jim McGill the first private eye to live in the White House calls himself The President's Henchman As the husband of President Patricia Darden Grant he can call himself pretty much what he wants But with privilege comes obligation When Patti travels to a G 8 meeting in England McGill is fitted for evening wear and drafted to be Patti's escort at a gilded dinner He's okay with that But while Patti is busy reshaping the world McGill fears his time will be occupied cutting ribbons Then Glen Kinnard's daughter Emilie asks for help McGill knows Kinnard from their days as Chicago cops They were never friends and once almost came to blows But McGill is a soft touch for a young woman looking out for her dad and oh does Kinnard need help Taking the ashes of his late wife to her native Paris Kinnard got into a fight with the star player of the French national soccer team The brawl under the Pont d'Iena the bridge at the foot of the Eiffel Tower left Kinnard unconscious and the Frenchman dead Kinnard swears he was only trying to protect a woman the Frenchman was beating But the woman has disappeared The French allow McGill to investigate provided he accepts Gabriella Casale a State Department Security Officer as his bodyguard that he works with the investigating magistrate assigned to the case and that he wraps things up in a week In Paris McGill encounters gypsy con artists British soccer hooligans and a monstrous brute known as The Undertaker And he tries to ignore rumors reaching him that the president of France was Patti's old college boyfriend and things back in England are heating up once again Time is short and there's a lot to do because at the end of the week McGill still has to don his white tie and tails for dinner with Patti and the Queen at Buckingham Palace *Digger* Joseph Flynn, 2010-11-27 **Blood Street Punx** Joseph Flynn, 2011-02-13 Five rich kids from Chicago's Gold Coast get an idea to advance their careers as artists They'll create a fictitious street gang the Blood Street Punx and start painting murals all over town Their paintings will knock people's eyes out The Blood Street Punx will be depicted as huge fearsome all but mythical figures People will have to take notice People do notice The wrong people In short order the city's real gangs see the murals for these new Punx on their turf and they don't like it When the Punx are connected to the destruction of one gang's drug cache war is declared on them That's not the Punx only worry A Chicago cop nicknamed Lady Die is given the job of tracking them down She's fallen out of favor with the department has a brick on her career and finding the new gang becomes her only task That's bad for the Punx because she's a lot smarter than any street thug So what are the Punx going to do now The same thing any rich young group of artists would do Paint their masterpiece as fast as they can *Acquittals in the Spanish Inquisition* Gunnar W. Knutsen, 2024-10-28 The Spanish Inquisition has become such a byword for injustice that many forget it was also a judicial system capable of acquittal This study of more than 67 000 trials uncovers over 2 500 formal acquittals

more than 6 600 suspended trials and nearly 2 100 with unknown or no recorded outcomes The inquisitors were jurists who frequently held other judgeships before and after their tenure and used the same evidentiary rules as other Spanish courts If every acquittal may be taken as an admission of error the Spanish Inquisition admitted its errors thousands of times occasionally even putting them on public display at the autos de fe An acquittal can also be taken as a sign that the inquisitors did not wish to punish the innocent and that while they were quick to arrest and charge people on flimsy evidence they were too conscientious to convict them without further proof However it is also clear that the Holy Office at times did bend twist or even break the law when it suited it in order to secure a conviction This book is aimed at students scholars and general readers seeking a nuanced understanding of the Spanish Inquisition and its workings

Current Trends in the Historiography of Inquisitions Autori Vari,2024-03-28T10:04:00+01:00 This volume launches the book series of Inquire International Centre for Research on Inquisitions of the University of Bologna a research network that engages with the history of religious justice from the 13th to the 20th century This first publication offers twenty chapters that take stock of the current historiography on medieval and early modern Inquisitions the Spanish Portuguese and Roman Inquisitions and their modern continuations Through the analysis of specific questions related to religious repression in Europe and the Iberian colonial territories extending from the Middle Ages to today the contributions here examine the history of the perception of tribunals and the most recent historiographical trends New research perspectives thus emerge on a subject that continues to intrigue those interested in the practices of justice and censorship the history of religious dissent and the genesis of intolerance in the Western world and beyond

Still Coming Joseph Flynn,2011-05-30 **The Spanish Inquisition** Joseph Pérez,2005-01-01 A new history of the Spanish Inquisition a terrifying battle for a unified faith

Inquisition and Medieval Society James B. Given,2018-08-06 James B Given analyzes the inquisition in one French region in order to develop a sociology of medieval politics Established in the early thirteenth century to combat widespread popular heresy inquisitorial tribunals identified prosecuted and punished heretics and their supporters The inquisition in Languedoc was the best documented of these tribunals because the inquisitors aggressively used the developing techniques of writing and record keeping to build cases and extract confessions Using a Marxist and Foucauldian approach Given focuses on three inquiries what techniques of investigation interrogation and punishment the inquisitors worked out in the course of their struggle against heresy how the people of Languedoc responded to the activities of the inquisitors and what aspects of social organization in Languedoc either facilitated or constrained the work of the inquisitors Punishments not only inflicted suffering and humiliation on those condemned he argues but also served as theatrical instruction for the rest of society about the terrible price of transgression Through a careful pursuit of these inquiries Given elucidates medieval society's contribution to the modern apparatus of power

The Inquisition E. Vacandard,2018-01-02 Reproduction of the original
The Wiley-Blackwell History of Jews and Judaism Alan T. Levenson,2012-03-12 The Wiley Blackwell History of Jews and

Judaism presents a panoramic and comprehensive overview of the major aspects of Jewish life and culture from the biblical period through to contemporary times. A collection of outstanding contributions from leading experts presents the latest scholarship on a range of questions relating to Jews, Jewish history, Judaism, folk practices, politics, economic structure, the relationship of Judaism to Christianity, and the manifold participation of Jews in general culture through various times and geographical locales. In addition, the book explores Jewish historiography and the lives of ordinary people, the achievements of Jewish women, and the sustained interaction of Jews within the environments they inhabited. In exploring the major periods and themes of Jewish history and the history of Judaism, the volume features a wide range of contemporary approaches that demonstrate the maturation of Jewish studies. Special attention is accorded to underrepresented eras, including the early modern and post-1945 periods of Jewish history in all their major dimensions. More contentious scholarly issues, such as the relationship of Ancient Israel and the Hebrew Bible, or the nature of Zionism, diaspora, and its implications for contemporary Israel, feature multiple essays that reveal varied points of view. Lively and informative, this essential single-volume reference reflects our current state of knowledge on the evolution of Jewish life and culture from its ancient origins to the modern age.

Seven Myths of the Spanish Inquisition Gretchen D. Starr-LeBeau, 2023-07-03. Gretchen Starr LeBeau's *Seven Myths of the Spanish Inquisition* provides an excellent introduction to Habsburg Spain's most reviled and misunderstood institution. Drawn from archival sources and modern scholarship, this concise study presents the long and tortured history of the Spanish Inquisition in an accessible format for readers interested in the intersection of religion and jurisprudence. Addressing common misconceptions about the procedures, effectiveness, and reach of the Inquisition, this work argues convincingly for an updated assessment encompassing change over time and variations across Spain and its empire. Students of the early modern period will benefit from the volume's logical organization, glossary of terms, and suggestions for further reading. Benjamin Ehlers, University of Georgia.

The Inquisitor in the Hat Shop Federico Barbierato, 2016-03-03. Early modern Venice was an exceptional city. Located at the intersection of trade routes and cultural borders, it teemed with visitors, traders, refugees, and intellectuals. It is perhaps unsurprising then that such a city should foster groups and individuals of unorthodox beliefs whose views and life styles would bring them into conflict with the secular and religious authorities. Drawing on a vast store of primary sources, particularly those of the Inquisition, this book recreates the social fabric of Venice between 1640 and 1740. It brings back to life a wealth of minor figures who inhabited the city and fostered ideas of dissent, unbelief, and atheism in the teeth of the Counter Reformation. The book vividly paints a scene filled with craftsmen, friars, and priests, booksellers, apothecaries, and barbers bustling about the city spaces of sociability between coffee houses and workshops, apothecaries and barbers' shops, from the pulpit and drawing rooms, or simply publicly speaking about their ideas. To give depth to the cases identified, the author overlays a number of contextual themes, such as the survival of Protestant or crypto-Protestant doctrines, the political situation at any given time, and the networks of dissenting groups that flourished within the city, such as the free

metaphysicists who gathered in the premises of the latter Bortolo Zorzi In so doing this rich and thought provoking book provides a systematic overview of how Venetian ecclesiastical institutions dealt with the sheer diffusion of heterodox and atheistical ideas at different social levels It will be of interest not only to scholars of Venice but all those with an interest in the intellectual cultural and religious history of early modern Europe **Women in the Inquisition** Mary E. Giles,1999 The accounts representing the experiences of girls and women from different classes and geographical regions include the trials vastly divergent outcomes ranging from burning at the stake to exoneration **The Roman Inquisition** Thomas F. Mayer,2015-04-15 Few legal events loom as large in early modern history as the trial of Galileo Frequently cast as a heroic scientist martyred to religion or as a scapegoat of papal politics Galileo undoubtedly stood at a watershed moment in the political maneuvering of a powerful church But to fully understand how and why Galileo came to be condemned by the papal courts and what role he played in his own downfall it is necessary to examine the trial within the context of inquisitional law With this final installment in his magisterial trilogy on the seventeenth century Roman Inquisition Thomas F Mayer has provided the first comprehensive study of the legal proceedings against Galileo By the time of the trial the Roman Inquisition had become an extensive corporatized body with direct authority over local courts and decades of documented jurisprudence Drawing deeply from those legal archives as well as correspondence and other printed material Mayer has traced the legal procedure from Galileo s first precept in 1616 to his second trial in 1633 With an astonishing mastery of the legal underpinnings and bureaucratic workings of inquisitorial law Mayer s work compares the course of legal events to other possible outcomes within due process showing where the trial departed from standard procedure as well as what available recourse Galileo had to shift the direction of the trial The Roman Inquisition Trying Galileo presents a detailed and corrective reconstruction of the actions both in the courtroom and behind the scenes that led to one of history s most notorious verdicts

Ideology and Inquisition Martin Austin Nesvig,2009-01-01 This book is the first comprehensive treatment in English of the ideology and practice of the Inquisitional censors focusing on the case of Mexico from the 1520s to the 1630s Others have examined the effects of censorship but Martin Nesvig employs a nontraditional approach that focuses on the inner logic of censorship in order to examine the collective mentality ideological formation and practical application of ideology of the censors themselves Nesvig shows that censorship was not only about the regulation of books but about censorship in the broader sense as a means to regulate Catholic dogma and the content of religious thought In Mexico decisions regarding censorship involved considerable debate and disagreement among censors thereby challenging the idea of the Inquisition as a monolithic institution Once adapted to cultural circumstances in Mexico the Inquisition and the Index produced not a weapon of intellectual terror but a flexible apparatus of control **History of the Inquisition of Spain** Henry Charles Lea,2023-12-17 In History of the Inquisition of Spain Henry Charles Lea meticulously chronicles the development and implementation of the Spanish Inquisition unveiling its political social and religious ramifications Through a blend of rigorous

historical research and vivid narrative Lea exposes the complex interplay between ecclesiastical authority and state power while employing a critical lens towards primary sources that illuminate the darker aspects of this tumultuous period His work not only serves as a comprehensive examination of the Inquisition s mechanism of control but also situates it within the broader tapestry of 15th to 17th century Spain highlighting its role in shaping national identity and intolerance Henry Charles Lea was a prominent American historian and advocate of religious liberty whose background in law and strong interest in social justice profoundly influenced his writing His extensive research into European history and the dynamics of religious persecution informed his nuanced understanding of the Inquisition s impact on both victims and society at large Lea s personal commitment to liberal causes and profound sense of empathy for the oppressed drive the moral urgency of his narrative This seminal work is essential reading for scholars and general readers alike who seek to comprehend the intricate relationships between faith power and violence Lea s blend of scholarly rigor and narrative flair makes it an invaluable contribution to the understanding of religious intolerance and its enduring legacy In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Concrete Inquisition full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Concrete Inquisition eBooks, including some popular titles.

FAQs About Concrete Inquisition Books

What is a Concrete Inquisition PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view

or print it. **How do I create a Concrete Inquisition PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Concrete Inquisition PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Concrete Inquisition PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Concrete Inquisition PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
