The Concubine's Tattoo Laura Joh Rowland, 2000-04-15 Twenty months spent as the shogun's most honorable investigator of events, situations and people has left Sano Ichiro weary. He looks forward to the comforts that his arranged marriage promises: a private life with a sweet, submissive wife and a month's holiday to celebrate their union. However, the death of the shogun's favorite concubine interrupts the couple's wedding ceremony and shatters any hopes the samurai detective had about enjoying a little peace with his new wife. After Sano traces the cause of Lady Harume's death to a self-inflicted tattoo, he must travel into the cloistered, forbidden world of the shogun's women to untangle the complicated web of Harume's lovers, rivals and troubled past and identify her killer. To make matters worse, Reiko, his beautiful young bride, reveals herself to be not a traditional obedient wife but instead a headstrong, intelligent, aspiring detective bent on helping Sano with his new case. Sano is horrified at her unladylike behavior, and the resulting sparks make their budding love as exciting as the mystery surrounding Lady Harume's death. Amid the heightened tensions and political machinations of feudal Japan, Sano faces a daunting, complex investigation. As subtle as the finest lacquered screen and as powerful as the slash of a sword, Laura Joh Rowland's *The Concubine's Tattoo* vividly brings to life a story of murder, jealousy, sexual intrigue and political storms that keeps its spell until the final shattering scene. *The Concubine's Tattoo* Laura Joh

However, the death of the shogun's favourite concubine interrupts the couple's wedding ceremony as Sano is recalled to perform his duty. [A Sano Ichiro Collection](#) Laura Joh Rowland, 2016-02-23 Laura Joh Rowland's acclaimed Sano Ichiro novels set in seventeenth-century Japan are riveting, richly imagined and suspenseful. As Sano navigates a treacherous political landscape, he works to protect the people of Edo, his family and his honor. In these compelling thrillers, *The Concubine's Tattoo*, Sano Ichiro, the Shogun's most honorable investigator, is summoned to the imperial palace to find the murderer of a young concubine poisoned while applying a lover's tattoo. Sano's new bride, Reiko, insists on helping him with the case. Reiko's samurai blood and warrior's skill alarm her new husband, who expected a docile wife. But Reiko is only the first of many surprises. The Samurai's Wife Sano Ichiro, the Shogun's Most Honorable Investigator of Events, Situations and People, has his doubts about the partnership that he and his spirited new wife, Reiko, have forged. While he recognizes that her help on his cases can be invaluable, he sometimes longs for a more traditional wife. Still, when a botched case and the resulting loss of face sends Sano to the Imperial City to find a killer whose methods are as terrifying as they are elusive, Sano needs the talents of his wife more

than ever to infiltrate the emperor's inner circle Black Lotus When Sano Ichiro is called on to investigate the burning of a cottage belonging to the Black Lotus Temple he makes a shocking discovery The three victims of the blaze were murdered before the fire even began Sano's search for a killer leads him to Haru an orphan girl found at the scene of the crime But Sano's wife Reiko investigating the case against Sano's wishes is convinced of Haru's innocence Behind the walls of the Black Lotus Temple she discovers a sect involved in extortion prostitution and hedonistic rituals Could one of the sect's members be the killer Now Reiko must risk her marriage to Sano in order to prove Haru's innocence **The Concubine**
