Dodgers as you've never read before. No schmaltz or phony nostalgia, just the real story from the real men who lived and played through the magical years in a bygone time. There is pride and pain in the players' memories and a bittersweetness that comes from being good and at times great but not as great as they hoped and expected to be. *Bums* is a true baseball classic, considered by many to be the best history of the Trolley Dodgers this side of *Boys of Summer*. The book includes dozens of interviews and anecdotes, great photos, plus a special focus on Jackie Robinson's breakthrough to the major leagues. Winner of the prestigious Casey Award for best baseball book of 1984. Despite countless books on the Dodgers that have followed, none top Golenbock's.
