Christian Confessions Ted Campbell,1996-01-01 Ted Campbell examines in a comparative framework the historic teachings of the four major Christian traditions that have shaped our theological heritage Eastern Orthodoxy Roman Catholicism Reformation and Union churches and Evangelical and Free churches He provides an extensive overview of each tradition s particular beliefs on religious authority God and Christ human nature and salvation and church ministry and the sacraments He concludes by considering whether a definable core of Christian teachings cuts across denominational and confessional boundaries

The Good Confession Daniel R. Hyde,2007-01-01 Today too many Christians are followers of novelty religious fads and strange new doctrines unheard of in the history of the church On the contrary to be a Christian is to join the great cloud of witnesses Heb 12 1 through the ages confessing with the Body of Christ the faith that was once for all delivered to the saints Jude 3 This is what Paul called the good confession 1 Tim 6 12 This workbook will lead you in a study of what it means to be a Christian from the vantage point of the Bible the ancient Christian creeds and the Protestant confessions of the sixteenth century

The Earliest Christian Confessions Oscar Cullmann,1949

Forgive Us Mae Elise Cannon,Lisa Sharon Harper,Troy Jackson,Soong-Chan Rah,2014-09-23 Many people have become angry and frustrated with organized religion and evangelical Christianity in particular Too often the church has proven to be a source of pain rather than a place of hope Forgive Us acknowledges the legitimacy of much of the anger toward the church In truth Christianity in America has significant brokenness in its history that demands recognition and repentance Only by this path can the church move forward with its message of forgiveness reconciliation and peace Forgive Us is thus a call to confession From Psalm 51 to the teachings of Jesus to the prayers of Nehemiah confession is the proper biblical response when God s people have injured others and turned their backs on God s ways In the book of Nehemiah the author confesses not only his own sins but also the sins of his ancestors The history of the American church demands a Nehemiah style confession both for our deeds and the deeds of those who came before us In each chapter of Forgive Us two pastors who are also academically trained historians provide accurate and compelling histories of some of the American church s greatest shortcomings

Theologian Soong Chan Rah and justice leader Lisa Sharon Harper then share theological reflections along with appropriate words of confession and repentance. Passionate and purposeful *Forgive Us* will challenge evangelical readers and issue a heart felt request to the surrounding culture for forgiveness and a new beginning.

The Confession of Faith Archibald Alexander Hodge, 1958 The younger Hodge was gifted with the ability to communicate the best theology in a satisfying and pleasant style. His *Commentary on the Westminster Confession of Faith* demonstrates these qualities magnificently. [Trust in God](#) David W. Johnson, 2013-01-01 David Johnson examines the Christian spiritual life using the Book of Confessions of the Presbyterian Church U S A as a guide. *The Confession of Faith, of the Church of Christ in Peacham, Defended* Leonard Worcester, 1818

Confessing Our Faith John Burgess, 2018-02-02 How can the Book of Confessions help elders and lay leaders when they face challenging situations within their congregations? John P Burgess offers answers in *Confessing Our Faith*. Using the confessions as a framework, Burgess covers areas of ministry such as stewardship, evangelism, discipleship, and conflict resolution, offering in each case ways in which the lay leader can respond. A unique and practical reference, *Confessing Our Faith* is designed to aid church leaders in understanding how their work can be informed by the confessional documents.

Christian Creeds and Confessions Gotthold Albertus Gumlich, 1893 [The Earliest Christian Confessions](#) Vernon H. Neufeld, 1963

The Encyclopedia of Christianity Erwin Fahlbusch, Geoffrey William Bromiley, 1999 This multifaceted and up to date encyclopedia is sure to be of interest to pastors and church workers of all confessions, equally so to students, scholars, and researchers around the world who are interested in any aspect of Christianity or religion in general. The first volume contains 465 articles that address a comprehensive list of topics.

A New Dictionary of Christian Theology Alan Richardson, John Bowden, 1989 Welcomed on first publication as the best one volume dictionary of theology, available here is an indispensable resource for students and clergy.

Deeper Christian Faith, Revised Edition Ted A. Campbell, 2019-09-17 The purpose of *Deeper Christian Faith* is to form Christians in such a depth of Christian faith grounded in biblical, historical, and ecumenical insights that they can state with confidence what they believe and practice in common with other Christians and grow in the self-giving love at the heart of the Christian faith. The book is a resounding catechism for Christians who seek deeper formation in beliefs and practices widely received in Christian communities. Anchored by focus texts that allow readers to meditate on biblical and historic texts in ancient formats as well as contemporary translations, this intensive program of study allows contemporary Christians to experience the rich, alien, and mysterious worlds of historic Christian teachings and practices. The book follows the central theme of the self-giving love of God revealed in Jesus Christ and then formed in the life of a believer.

The Christ's Faith Michael Allen, 2009-04-01 The Christ's Faith coheres with orthodox Christology and Reformation soteriology and needs to be affirmed to properly confirm the true humanity of the incarnate Son. Without addressing the interpretation of the Pauline phrase *pistis christou*, this study offers a theological rationale for an exegetical possibility and enriches a dogmatic account of the humanity of the Christ. The

coherence of the Christ's faith is shown in two ways First the objection of Thomas Aquinas is refuted by demonstrating that faith is fitting for the incarnate Son Second a theological ontology is offered which affirms divine perfection and transcendence in qualitative fashion undergirding a Chalcedonian and Reformed Christology Thus the humanity of the Christ may be construed as a fallen human nature assumed by the person of the Word and sanctified by the Holy Spirit The dogmatic location of The Christ's Faith is sketched by suggesting its potential function within three influential theological systems Thomas Aquinas federal theology and Karl Barth Furthermore the soteriological role of the doctrine is demonstrated by showing the theological necessity of faith for valid obedience before God

Confessions Saint Augustine, 2003-05-29 Give me chastity and continence but not yet The son of a pagan father and a Christian mother Saint Augustine spent his early years torn between conflicting world views The Confessions written when he was in his forties recounts how slowly and painfully he came to turn away from his youthful ideas and licentious lifestyle to become one of Christianity's most influential thinkers A remarkably honest spiritual autobiography the Confessions also addresses fundamental issues of Christian doctrine and many of the prayers and meditations it includes are still an integral part of the practice of the faith today Translated with an Introduction by R S PINE COFFIN Christ and Christianity, Studies on Christology, Creeds and Confessions, Protestantism and Romanticism, Reformation Principles, Sunday Observance, Religious Freedom and Christian Union Philip Schaff, 1885 The Story of Creeds and Confessions Donald Fairbairn, Ryan M. Reeves, 2019-10-01 Creeds and confessions throughout Christian history provide a unique vantage point from which to study the Christian faith To this end Donald Fairbairn and Ryan Reeves construct a story that captures both the central importance of creeds and confessions over the centuries and their unrealized potential to introduce readers to the overall sweep of church history The book features texts of classic creeds and confessions as well as informational sidebars

The Christian treasury (and missionary review)., 1878 *The Good Confession* Watchman Nee, 1973-02-01 The apostle Paul charged his son in faith to fight the good fight of the faith lay hold on the life eternal whereunto thou wast called and didst confess the good confession in the sight of many witnesses He laid before Timothy the example of Christ Jesus Who before Pontius Pilate witnessed the good confession 1 Tim 6 12 13 It behooves us therefore to exercise ourselves in this godly practice This second volume of the Basic Lesson Series contains six lessons namely Public Confessions Separated from the World Elimination of Distinctions Witnessing How to Lead People to Christ and Household Salvation
