Confederate Military History A Library Of Confede

Frances Harding Casstevens

Confederate Military History A Library Of Confede:

Confederate Military History Clement A. Evans, 2004-06 This is one volume in a library of Confederate States history in twelve volumes written by distinguished men of the South and edited by Gen Clement A Evans of Georgia A generation after the Civil War the Southern protagonists wanted to tell their story and in 1899 these twelve volumes appeared under the imprint of the Confederate Publishing Company The first and last volumes comprise such subjects as the justification of the Southern States in seceding from the Union and the honorable conduct of the war by the Confederate States government the history of the actions and concessions of the South in the formation of the Union and its policy in securing the territorial dominion of the United States the civil history of the Confederate States Confederate naval history the morale of the armies the South since the war and a connected outline of events from the beginning of the struggle to its close The other ten volumes each treat a separate State with details concerning its peculiar story its own devotion its heroes and its battlefields

Confederate Military History Clement Anselm Evans, 1899 In v 1 11 each state has at end a Biographical section Additional sketches illustrating the services of officers and privates and patriotic citizens are appended in v 2 Maryland p 185 447 West Virginia p 139 296 in v 3 Virginia p 693 1295 in v 4 North Carolina p 355 813 in v 5 South Carolina p 425 931 1 Curry J L M Legal justification of the South in secession Garrett W R The South as a factor in the territorial expansion of the United States Evans C A The Civil history of the Confederate States 2 Johnson B T Maryland White Robert West Virginia 3 Hotchkiss Jed Virginia 4 Hill D H Jr North Carolina 5 Capers Ellison South Carolina 6 Derry J T Georgia 7 Wheeler Joseph Alabama Hooker C E Mississippi 8 Porter J D Tennessee 9 Johnston J S Kentucky Moore J C Missouri 10 Dimitry John Louisiana Harrell J M Arkansas 11 Roberts O M Texas Dickinson J J Florida 12 Parker W H The Confederate States navy Jones J W The morale of the Confederate armies Evans C A An outline of Confederate military history Lee S D The South since the war Documental and statistical appendix **Confederate Military History** Clement Anselm Evans, 1962

Confederate Military History CLEMENT ANSELM. EVANS, 2025-05-22 Confederate Military History is a comprehensive historical record of the Confederate States of America and its military campaigns during the American Civil War Volume 10 in the series this work offers detailed accounts of battles leaders and the social and political context of the Confederacy Written by Clement Anselm Evans a former Confederate general this volume provides invaluable insights into the strategies challenges and experiences of the Confederate army This book is an essential resource for historians scholars and anyone interested in a deeper understanding of this pivotal period in American history This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United

States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Confederate Military History: Confederate history, 1987 *Confederate Veterans in Northern California* Jeff Erzin, 2020-06-09 Drawing on six years of research this book covers the military service and postwar lives of notable Confederate veterans who moved into Northern California at the end the Civil War Biographies of 101 former rebels are provided from the oldest brother of the Clanton Gang to the son of a President to plantation owners dirt farmers criminals and everything in between *Confederate Veteran*, 1894 Christopher H. Tebault, Surgeon to the Confederacy Alan I. West, 2020-02-19 Among the top physicians of the Confederacy Christopher H Tebault distinguished himself as a surgeon during the Civil War Recognized for his medical contributions after the war he was nominated Surgeon General of the United Confederate Veterans a position he used to compile the history of Confederate medicine advocate for veterans and contribute to Southern literature A staunch Lost Cause proponent he also fought Reconstruction policies and the enfranchisement of former slaves Drawing on his own writings this first biography of Tebault describes his notable medical education in New Orleans and the ingenuity he used to treat wounds and illness as well as his struggles against Reconstruction policies situating his story in the problematic context of Confederate history that persists today *Guide to the Writing of American Military History* United States. Department of the Army, 1951 **General Braxton Bragg, C.S.A.** Samuel J. Martin, 2014-01-10 General Braxton Bragg is often described as a despicable friendless man the most hated general of the Confederacy Historians have denigrated Bragg by accepting without challenge the self serving accusations of prominent disgruntled subordinates each of whom sought to explain their own failures by assigning them to Bragg This biography without dodging Bragg s deficiencies refutes much of this false testimony The result is a balanced view of this controversial general from his early rise to power in the Western theater to his subsequent fall from grace in the latter years of the Civil War *Army History*, 2014 *The Confederacy* Henry Putney Beers, 1968 Collett Leventhorpe, the English Confederate J. Timothy Cole, Bradley R. Foley, 2014-08-23 This is the story of Collett Leventhorpe 1815 1889 an Englishman and former captain in the 14th Regiment of Foot Leventhorpe came to North Carolina about 1843 settled there and later served the Confederacy as a colonel in the 34th and 11th N C and brigadier general commanding the Home Guard in eastern North Carolina Though he trained as a physician at the College of Charleston in the late 1840s he never practiced and was a restless man endlessly in search of fortune before the war in the gold fields of North Carolina and Georgia and after it in the pursuit of lost estates art treasures and inventions But he excelled first and foremost as a Confederate soldier As a field commander he was never defeated in battle and his record was marred only by his own rejection of a much deserved but very

late promotion to CSA brigadier He lies buried in the beautiful Happy Valley section of Caldwell County **Annual Report of the Providence Public Library** Providence Public Library (R.I.),1894 *Ben McCulloch and the Frontier Military Tradition* Thomas W. Cutrer,2000-11-09 A well written comprehensively researched biography Publishers Weekly Will both edify the scholar while captivating and entertaining the general reader Cutrer s research is impeccable his prose vigorous and his life of McCulloch likely to remain the standard for many years Civil War A well crafted work that makes an important contribution to understanding the frontier military tradition and the early stages of the Civil War in the West Civil War History A penetrating study of a man who was one of the last citizen soldiers to wear a general s stars Blue and Gray A brisk narrative filled with colorful quotations by and about the central figure Will become the standard biography of Ben McCulloch *Journal of Southern History* A fast paced clearly written narrative that does full justice to its heroically oversized subject *American Historical Review* **Niles' Weekly Register** ,1815 **If It Takes All Summer** William D. Matter,2017-03-01 The termination of the war and the fate of the Union hung in the balance in May of 1864 as Robert E Lee s Army of Northern Virginia and Ulysses S Grant s Army of the Potomac clashed in the Virginia countryside first in the battle of the Wilderness where the Federal army sustained greater losses than at Chancellorsville and then further south in the vicinity of Spotsylvania Courthouse where Grant sought to cut Lee s troops off from the Confederate capital of Richmond This is the first book length examination of the pivotal Spotsylvania campaign of 7-21 May Drawing on extensive research in manuscript collections across the country and an exhaustive reading of the available literature William Matter sets the strategic stage for the campaign before turning to a detailed description of tactical movements He offers abundant fresh material on race from the Wilderness to Spotsylvania the role of Federal and Confederate cavalry Emory Upton s brilliantly conceived Union assault on 10 May and the bitter clash on 19 May at the Harris farm Throughout the book Matter assesses each side s successes failures and lost opportunities and sketches portraits of the principal commanders The centerpiece of the narrative is a meticulous and dramatic treatment of the horrific encounter in the salient that formed the Confederate center on 12 May There the campaign reached its crisis as soldiers waged perhaps the longest and most desperate fight of the entire war for possession of the Bloody Angle a fight so savage that trees were literally shot to pieces by musket fire Matter s sure command of a mass of often conflicting testimony enables him to present by far the clearest account to date of this immensely complex phase of the battle Rigorously researched effectively presented and well supported by maps this book is a model tactical study that accords long overdue attention to the Spotsylvania campaign It will quickly take its place in the front rank of military studies of the Civil War **Confederate Military History, Extended Edition, Cumulative Index: A-H** ,1987 *Brigadier General John Adams, CSA* Leslie R. Tucker,2013-11-13 John Adams is best remembered as one of the four Confederate generals who lay on the porch of the Carnton House dead when the Battle of Franklin ended on December 1 1864 Unfortunately he did not leave much in the way of personal papers and this biography has been pieced

together from Army records and other sources including accounts of his contemporaries Adams's career in the U S Army gives us a good look at the military the concept of Manifest Destiny and the relations with those conquered by the Army the Indians This book also considers one of the more debated topics in Civil War history why did a man who served the United States for most of his life resign his commission and side with the Confederacy *Clingman's Brigade in the Confederacy, 1862-1865* Frances Harding Casstevens, 2002-01-01 On November 11 1862 Brigadier General Thomas Lanier Clingman despite a lack of formal military training was named commander of four regiments sent to North Carolina to prevent Federal troops from making further inroads into the state Clingman has been called one of North Carolina's most colorful and controversial statesmen but his military career received little attention from his contemporaries and has been practically ignored by later historians This work determines the effect Clingman's Brigade had on various battles and in various defensive positions It also corrects falsehoods by providing a more accurate portrayal of Clingman the brigade and the problems it faced Chapters are devoted to Clingman in his civilian life and his military life battles fought by the brigade and the four regiments Appendices include Clingman's two order books detailing general and specific orders a roster of his officers and miscellaneous letters

Enjoying the Beat of Expression: An Mental Symphony within **Confederate Military History A Library Of Confede**

In a global eaten by monitors and the ceaseless chatter of instant interaction, the melodic splendor and mental symphony developed by the prepared term often fade in to the backdrop, eclipsed by the constant noise and disruptions that permeate our lives. But, situated within the pages of **Confederate Military History A Library Of Confede** a charming fictional treasure filled with fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, that fascinating masterpiece conducts visitors on an emotional journey, well unraveling the hidden songs and profound influence resonating within each carefully constructed phrase. Within the depths of this touching analysis, we can examine the book is key harmonies, analyze their enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
