# Confederate Georgia

**Robin Sterling**

## **Confederate Georgia:**

**Confederate Georgia** Thomas Conn Bryan, 2009-09-01 Published in 1953 Confederate Georgia describes life in Georgia during the Civil War T Conn Bryan presents the political military economic and social aspects of life including secession preparations for war industry and transportation wartime finance desertion and disloyalty women in the conflict social life and diversions the press and literary pursuits education and religion Although Georgia's relations with the Confederate government are fully treated the main emphasis is on activities within the state Numerous quotations from letters diaries and other source materials give a personalized view of the war and capture the spirit of the times

**Georgia's Confederate Monuments and Cemeteries** David N. Wiggins, 2006 Confederate monuments and markers in cemeteries across Georgia are inscribed with a variety of dedications Many offer a simple sentiment such as Our Confederate Dead 1861 1865 or Lest We Forget some present a more political statement They Fought Not For Conquest But For Liberty And Their Own Homes some have long soliloquies of prose or poetry and others feature lists of names of individuals or units that served Georgia's Confederate Monuments and Cemeteries features vintage images of soldiers sailors and the many different types of monuments erected throughout the state to honor them These monuments of stone marble granite and bronze recognize the sacrifice of those who served Georgia in the War Between the States Various memorial associations and organizations survivors and descendants of these men and women built lasting tributes to them and each has a story to tell

**Confederate Military History: Georgia** Clement Anselm Evans, 1899 In v 1 11 each state has at end a Biographical section Additional sketches illustrating the services of officers and privates and patriotic citizens are appended in v 2 Maryland p 185 447 West Virginia p 139 296 in v 3 Virginia p 693 1295 in v 4 North Carolina p 355 813 in v 5 South Carolina p 425 931 1 Curry J L M Legal justification of the South in secession Garrett W R The South as a factor in the territorial expansion of the United States Evans C A The Civil history of the Confederate States 2 Johnson B T Maryland White Robert West Virginia 3 Hotchkiss Jed Virginia 4 Hill D H Jr North Carolina 5 Capers Ellison South Carolina 6 Derry J T Georgia 7 Wheeler Joseph Alabama Hooker C E Mississippi 8 Porter J D Tennessee 9 Johnston J S Kentucky Moore J C Missouri 10 Dimitry John Louisiana Harrell J M Arkansas 11 Roberts O M Texas Dickinson J J Florida 12 Parker W H The Confederate States navy Jones J W The morale of the Confederate armies Evans C A An outline of Confederate military history Lee S D The South since the war Documental and statistical appendix

Remembering Georgia's Confederates David N. Wiggins, 2005 Found on monuments throughout the South the sentiment Lest we forget represents the theme of Remembering Georgia's Confederates Dedicated to the men and women who served Georgia when her heart belonged to the Confederate States of America this volume remembers the state's Confederate past a time of passion devotion honor courage faith perseverance sacrifice and loss Georgia rich in its heritage boasts numerous locales to visit learn about and remember its role in the Confederacy the battlefields and their interpretive centers the coastal forts the prison camp the world's largest

painting the world's largest Confederate memorial a pair of locomotive engines a number of Confederate cemeteries and various homes museums and history centers

**The Confederate Hospitals of Madison, Georgia / their records & histories / 1861-1865** Bonnie P. (Patsy) Harris, 2014-07-01 Madison Georgia was a hopping place while it hosted three and later a fourth Confederate hospitals during the eight months before their final retreat in July 1864 Every few days the train depot was a flurry of activity as surgeons attendants and locals unloaded hundreds of sick and wounded soldiers fresh from the battles in Tennessee and North Georgia Most of the records of their care were saved by the Director of Hospitals of the Army of Tennessee and then ferreted out 140 years later by the author from collections scattered across many states This book includes verbatim transcriptions of those documents the subsequent hospital histories surgeon biographies and thousands of names in hundreds of regiments

*A History of Georgia* Kenneth Coleman, 1991 First published in 1977 A History of Georgia has become the standard history of the state Documenting events from the earliest discoveries by the Spanish to the rapid changes the state has undergone with the civil rights era the book gives broad coverage to the state's social political economic and cultural history This work details Georgia's development from past to present including the early Cherokee land disputes the state's secession from the Union cotton's reign Reconstruction the Bourbon era the effects of the New Deal Martin Luther King Jr the fall of the county unit system and Jimmy Carter's election to the presidency Also noted are the often overlooked contributions of Indians blacks and women Each imparting his own special knowledge and understanding of a particular period in the state's history the authors bring into focus the personalities and events that made Georgia what it is today For this new edition available in paperback for the first time A History of Georgia has been revised to bring the work up through the events of the 1980s The bibliographies for each section and the appendixes have also been updated to include relevant scholarship from the last decade

*Cullman County, Alabama Confederate Soldiers* Robin Sterling, 2013-07-11 At the time of the Civil War Cullman County did not exist It was carved mostly from the East side of Winston and the West side of Blount in 1877 This book attempts to identify all of the Confederate soldiers originating from the area which became Cullman County as well as those who migrated to the county after the War The book also contains rare first person accounts of the war as told by Cullman County residents George Martin Holcombe and Elijah Wilson Harper and printed in the Cullman Alabama Tribune This book is important to the genealogy and history of Cullman County and contains much previously unpublished information on the old soldiers It contains service records pension applications births deaths marriages and obituaries

**Six Confederates at Upper Lotts Creek** R. Keith Hamilton, 2009-08-26 Six Confederates is a collection of the life stories and war records of the Six Confederate Veterans buried at Upper Lotts Creek Primitive Baptist Church in Bulloch County Georgia They are Robert W DeLoach Z Taylor DeLoach Ephraim H Edenfield Theodore H Griffin Griffin W Parrish and Henry Parrish

**Blount County, Alabama Confederate Soldiers, Volume 3: Miscellaneous** Robin Sterling, 2013-08-15 Mary Gordon Duffee wrote When the drums beat and the bugles called for men to

march to the front I tell you old Blount responded nobly and sent hundreds of her gallant sons to march fight suffer and die for the flag that now lies furled forever This series of books attempts to identify all the Confederate soldiers who enlisted in organizations from the Blount County area along with those who moved to Blount County after the Civil War Whole company rosters are captured and entire service records pension applications birth dates spouses and marriage dates newspaper clippings and obituaries and dozens of pictures are contained in these volumes This is the first time ever all this information has been available in a single reference book Volume 3 contains information on soldiers who enlisted in other Alabama organizations and those who moved to Blount County after the Civil War These books are vital to any serious student of Blount County Alabama genealogy and history *Winston County, Alabama Confederate Soldiers* Robin Sterling, 2013-07-10

Much has been written about men who joined the Federal Army from the so called Hill Country in Alabama which included Winston County Little has been written about the men who enlisted from Winston in the Confederacy Surprisingly the number of Winston County Confederates almost matched the number of those who supported the Union Many important Confederate officers hailed from Winston County The book begins with an essay describing the Forgotten Winston County Confederates Following is an alphabetized list of all Confederate soldiers associated with Winston County including those that moved in after the war Information includes service records pension applications birth marriage and death information The book is filled with rare photos and obituaries Additional information includes articles on Captain White's Mail Guard and the Winston County Rough and Ready Volunteers Full name index This book is important to students of Winston County History *Hell's Broke Loose in Georgia* Scott Walker, 2007-07-01 Darling I never wanted to go home as bad in my life as I do now and if they don't give me a furlow I am going any how Written in December 1862 by Private Wright Vinson in Tennessee to his wife Christiana in Georgia these lines go to the heart of why Scott Walker wrote this history of the Fifty seventh Georgia Infantry a unit of the famed Mercer's Brigade All but a few members of the Fifty seventh lived within a close radius of eighty miles from each other More than just an account of their military engagements this is a collective biography of a close knit group Relatives and neighbors served and died side by side in the Fifty seventh and Walker excels at showing how family ties friendships and other intimate dynamics played out in wartime settings Humane but not sentimental the history abounds in episodes of real feeling a starving soldier's theft of a pie another's open confession in a letter to his wife that he may desert a slave's travails as a camp orderly Drawing on memoirs and a trove of unpublished letters and diaries Walker follows the soldiers of the Fifty seventh as they push far into Unionist Kentucky starve at the siege of Vicksburg guard Union prisoners at the Andersonville stockade defend Atlanta from Sherman and more Hardened fighters who would wish hell on an incompetent superior but break down at the sight of a dying Yankee these are real people as rarely seen in other Civil War histories *Rebel Georgia* F. N. Boney, 1997 In January 1861 a state convention voted by a narrow margin to secede from the Union In this popular treatment of the Civil War in Georgia F. N. Boney tells the story of how the strain of this

modern total war relentlessly ravaged the state's resources and weakened its resolve to fight for the Confederate cause. Heavy casualties on the battlefield and accelerating inflation on the home front combined to undermine the morale of the Confederacy and the citizens of Georgia. Narrating Sherman's pivotal capture of Atlanta on 2 September 1864 and his crushing march to the sea which ended with the fall of Savannah in late December, Boney recounts how the Confederacy's slow death affected the psyches of Georgians, black and white. In the process, Boney shows how rebel Georgia gradually overcame its grief and was eventually reunited with the north in a national reconciliation.

**Confederate Cities** Andrew L. Slap, Frank Towers, 2015-12-01 When we talk about the Civil War we often describe it in terms of battles that took place in small towns or in the countryside: Antietam, Gettysburg, Bull Run, and most tellingly, the Battle of the Wilderness. One reason this picture has persisted is that few urban historians have studied the war, even though cities hosted, enabled, and shaped Southern society as much as they did in the North. **Confederate Cities**, edited by Andrew L. Slap and Frank Towers, shifts the focus from the agrarian economy that undergirded the South to the cities that served as its political and administrative hubs. The contributors use the lens of the city to examine now-familiar Civil War era themes, including the scope of the war, secession, gender, emancipation, and war's destruction. This more integrative approach dramatically revises our understanding of slavery's relationship to capitalist economics and cultural modernity. By enabling a more holistic reading of the South, the book speaks to contemporary Civil War scholars and students alike, not least in providing fresh perspectives on a well-studied war.

**Confederate Veteran**, 1893 **Catalogue of the Confederate Museum, Richmond, Va., 1898** Museum of the Confederacy (Richmond, Va.), 1898 [The Civil War in Georgia](#) John C. Inscoe, 2011-09-01 Georgians like all Americans experienced the Civil War in a variety of ways. Through selected articles drawn from the New Georgia Encyclopedia ([www.georgiaencyclopedia.org](http://www.georgiaencyclopedia.org)), this collection chronicles the diversity of Georgia's Civil War experience and reflects the most current scholarship in terms of how the Civil War has come to be studied, documented, and analyzed. The Atlanta campaign and Sherman's March to the Sea changed the course of the war in 1864 in terms both of the upheaval and destruction inflicted on the state and the life span of the Confederacy. While the dramatic events of 1864 are fully documented, this companion gives equal coverage to the many other aspects of the war: naval encounters and guerrilla warfare, prisons and hospitals, factories and plantations, politics and policies, all of which provided critical support to the Confederacy's war effort. The book also explores home front conditions in depth, with an emphasis on emancipation, dissent, Unionism, and the experience and activity of African Americans and women. Historians today are far more conscious of how memory as public commemoration, individual reminiscence, historic preservation, and literary and cinematic depictions has shaped the war's multiple meanings. Nowhere is this legacy more varied or more pronounced than in Georgia, and a substantial part of this companion explores the many ways in which Georgians have interpreted the war experience for themselves and others over the past 150 years. At the outset of the sesquicentennial, these new historical perspectives allow us to appreciate the Civil War

as a complex and multifaceted experience for Georgians and for all southerners A Project of the New Georgia Encyclopedia  
Published in Association with the Georgia Humanities Council and the University System of Georgia GALILEO **African American Life in the Georgia Lowcountry** Philip Morgan,2011-11-01 The lush landscape and subtropical climate of the Georgia coast only enhance the air of mystery enveloping some of its inhabitants people who owe in some ways as much to Africa as to America As the ten previously unpublished essays in this volume examine various aspects of Georgia lowcountry life they often engage a central dilemma the region s physical and cultural remoteness helps to preserve the venerable ways of its black inhabitants but it can also marginalize the vital place of lowcountry blacks in the Atlantic World The essays which range in coverage from the founding of the Georgia colony in the early 1700s through the present era explore a range of topics all within the larger context of the Atlantic world Included are essays on the double edged freedom that the American Revolution made possible to black women the lowcountry as site of the largest gathering of African Muslims in early North America and the coexisting worlds of Christianity and conjuring in coastal Georgia and the links with variations to African practices A number of fascinating memorable characters emerge among them the defiant Mustapha Shaw who felt entitled to land on Ossabaw Island and resisted its seizure by whites only to become embroiled in struggles with other blacks Betty the slave woman who in the spirit of the American Revolution presented a list of grievances to her master and S Quash the Arabic speaking Muslim who arrived on one of the last legal transatlantic slavers and became a head man on a North Carolina plantation Published in association with the Georgia Humanities Council The Confederate Republic George C. Rable,2000-11-09 Although much has been written about the ways in which Confederate politics affected the course of the Civil War George Rable is the first historian to investigate Confederate political culture in its own right Focusing on the assumptions values and beliefs that formed the foundation of Confederate political ideology Rable reveals how southerners attempted to purify the political process and avoid what they saw as the evils of parties and partisanship According to Rable secession marked the beginning of a revolution against politics in which the Confederacy s founding fathers saw themselves as the true heirs of the American Revolution Nevertheless factionalism developed as the war dragged on with Confederate nationalists emphasizing political unity and support for President Jefferson Davis s administration and libertarian dissenters warning of the dangers of a centralized Confederate government Both sides claimed to be the legitimate defenders of a genuine southern republicanism and of Confederate nationalism and the conflict between them carried over from the strictly political sphere to matters of military strategy civil religion and education Rable concludes that despite the war s outcome the Confederacy s antipolitical legacy had a profound impact on southern politics "Our Connection with Savannah" Russell K. Brown,2004 From the outset the 1st Battalion Georgia Sharpshooters had problems Much of the trouble lay in the organization of Civil War regiments and companies Most companies in the early years of the war were made up of men from the same town or county The concept of the sharpshooters was alien to this home town tradition Men were asked to leave the

comfortable companionship of their neighbors and friends and go into a unit with people they had never met before Despite its uncertain beginning the battalion was molded into a fine unit by the skill and energy of its officers and non commissioned officers The sharpshooters early won the praise of higher level commanders and inspecting officers However as the war dragged on the battalion was reduced in numbers morale and efficiency Notwithstanding its poor performance in the last months of its life the unit has a high reputation that was well deserved A Civil War veteran and historian called the sharpshooters one of the best drilled and most efficient battalions in the service This book objectively examines the organization leadership and performance of the sharpshooters follows their wartime experiences and devotes considerable attention to the individual soldiers If the story of the 1st Battalion Georgia Sharpshooters has not been a well known story it is now

**"The Women Will Howl"** Mary Deborah Petite, 2015-06-08 In July 1864 Union General William T Sherman ordered the arrest and deportation of more than 400 women and children from the villages of Roswell and New Manchester Georgia Branded as traitors for their work in the cotton mills that supplied much needed material to the Confederacy these civilians were shipped to cities in the North already crowded with refugees and left to fend for themselves This work details the little known story of the hardships these women and children endured before and most especially after they were forcibly taken from their homes Beginning with the founding of Roswell it examines the pre Civil War circumstances that created this class of women The main focus is on what befell the women at the hands of Sherman s army and what they faced once they reached such states as Illinois and Indiana An appendix details the roll of political prisoners from Sweetwater New Manchester
