Confederate Gold The Missing Treasure:

Confederate Gold Bill Westhead, 2002-03 On April 2nd 1865 with the Confederate states in turmoil a train carrying the separate monies of both the Confederate Treasury and the Virginia banks left Richmond Following a hazardous flight south the train was eventually split allowing the bank money to return to Richmond On May 24th the wagon train carrying this money north was hijacked near Washington Georgia While some of the stolen money was recovered much remains missing to this day Rumors abound as to where the thieves hid their loot Some claim it was dumped in that portion of the Savannah River which is now part of Thurmond Lake There have been many attempts to find it with no success although occasional claims of finding a gold bar or a few coins have been made Others suggest the money is hidden in Crawfordville at the home of then Vice President Alexander Stephens but again no evidence has been found Confederate Gold deftly blends fact and fiction into an historical mystery The novel is woven around past realities and encompasses the many aspects of human strengths loyalty patience and fortitude offset by human frailties greed lust and deceit Adventure and suspense are combined against a backdrop of real and fictional characters In the end the novel suggests an answer to the whereabouts of that missing treasure If it is not in the Savannah River or at the home of Vice President Alexander Stephens it could well be where Singleton states it to be
