## Confederate Heroes And Heroines:

*Confederate Heroes and Heroines* William Woods Hassler, 1995-01-01     *Jewish Heroes & Heroines of America* Seymour Brody, 2010-09 Documents with 150 stories and illustrations how Jews have made heroic contributions in every facet of American industry and culture     *The Women of the Confederacy* J. L. Underwood, 2020-09-28     Confederate Heroines Thomas P. Lowry, 2006-10-01     **Southern Heroes, Heroines, and Legends** ,1962     The Pelican Guide to Old Homes of Mississippi , The Pelican Guide to Old Homes of Mississippi Volume II Columbus and the North features the following areas Macon Columbus Starkville Aberdeen Corinth Holly Springs Oxford Sardis Como Carrollton Grenada and the Greenville Delta This volume includes all the essential information that will make the area a sightseer s delight photographs of famous homes and landmarks locations hours open significant features notable history and admission policies Author Helen Kerr Kempe is a former associate editor of the Louisiana Almanac She has also written The Pelican Guide to Old Homes of Mississippi Volume I Natchez and the South Her Mississippi guides are significant contributions to the Pelican Guide Series     **The Heroine of the Confederacy; Or, Truth and Justice** Miss Florence J. O'Connor, 1866     **Confederate Veteran** ,1894     **A Lost Heroine of the Confederacy** William Galbraith, 1990     Americanizing the Movies and Movie-Mad Audiences, 1910-1914 Richard Abel, 2006-08-28 This engaging deeply researched study provides the richest and most nuanced picture we have to date of cinema both movies and movie going in the early 1910s At the same time it makes clear the profound relationship between early cinema and the construction of a national identity in this important transitional period in the United States Richard Abel looks closely at sensational melodramas including westerns cowboy cowboy girl and Indian pictures Civil War films especially girl spy films detective films and animal pictures all popular genres of the day that have received little critical attention He simultaneously analyzes film distribution and exhibition practices in order to reconstruct a context for understanding moviegoing at a time when American cities were coming to grips with new groups of immigrants and women working outside the home Drawing from a wealth of research in archive prints the trade press fan magazines newspaper advertising reviews and syndicated columns the latter of which highlight the importance of the emerging star system Abel sheds new light on the history of the film industry on working class and immigrant culture at the turn of the century and on the process of imaging a national community     Confederate Veteran ,1986     *United Daughters of the Confederacy Patriot Ancestor Album* United Daughters of the Confederacy, 1999     *American Quaker Romances* Carolina Fernández Rodríguez, 2021-12-20 Quaker characters have peopled many an American literary work most notably Uncle Tom s Cabin as Quakerism has been historically associated with progressive attitudes and the advancement of social justice With the rise in recent years of the Christian romance market dominated by American Evangelical companies there has been a renewed interest in fictional Quakers In the historical Quaker romances analyzed in this book Quaker heroines often devote time to spiritual considerations advocate the sanctity of marriage and promote traditional family values However their concern with

social justice also leads them to engage in subversive behavior and to question the status quo as illustrated by heroines who are active on the Underground Railroad or are seen organizing the Seneca Falls convention Though relatively liberal in terms of gender Quaker romances are considerably less progressive when it comes to race relations Thus they reflect America's conflicted relationship with its history of race and gender abuse and the country's tendency to both resist and advocate social change Ultimately Quaker romances reinforce the myth of America as a White and Christian nation here embodied by the Quaker heroine the all powerful savior who rescues Native Americans African Americans and Jews while conquering the hero's heart

**The United Daughters of the Confederacy Magazine** United Daughters of the Confederacy, 1999 **Conflict and Colonialism in 21st Century Romantic Historical Fiction** Hsu-Ming Teo, Paloma Fresno-Calleja, 2024-06-13

This book explores how postmillennial Anglophone women writers use romantic narrativisations of history to explore, revise, repurpose and challenge the past in their novels exposing the extent to which past societies were damaging to women by instead imagining alternative histories The novelists discussed employ the generic conventions of romance to narrate their understanding of historical and contemporary injustice and to reflect upon women's achievements and the price they paid for autonomy and a life of public purpose The volume seeks firstly to discuss the work of revision or reparation being performed by romantic historical fiction and secondly to analyse how the past is being repurposed for use in the present It contends that the discourses and genre of romance work to provide a reparative reading of the past but there are limitations and entrenched problems in such readings

**Minutes of the ... Annual Meeting and Reunion of the United Confederate Veterans ...**, 1897 [The Reconstruction of White Southern Womanhood, 1865-1895](#) Jane Turner Censer, 2003-09-30

This impressively researched book tells the important but little known story of elite southern white women's successful quest for a measure of self reliance and independence between antebellum strictures and the restored patriarchy of Jim Crow Profusely illustrated with the experiences of fascinating women in Virginia and North Carolina it presents a compelling new chapter in the history of American women and of the South As were many ideas notions of the ideal woman were in flux after the Civil War While poverty added a harder edge to the search for a good marriage among some southern belles other privileged white women forged identities that challenged the belle model altogether Their private and public writings from the 1870s and 1880s suggest a widespread ethic of autonomy Sometimes that meant increased domestic skills born of the new reality of fewer servants But women also owned and transmitted property worked for pay and even pursued long term careers Many found a voice in a plethora of new voluntary organizations and some southern women attained national celebrity in the literary world creating strong and capable heroines and mirroring an evolving view toward northern society Yet even as elite southern women experimented with their roles external forces and contradictions within their position were making their unprecedented attitudes and achievements socially untenable During the 1890s however virulent racism and pressures to re create a mythic South left these women caught between the revived image of the southern belle and the emerging

emancipated woman Just as the memoirs of southern white women have been key to understanding life during the Civil War the writings of such women unlock the years of dramatic change that followed Informed by myriad primary documents Jane Turner Censer immerses us in the world of postwar southern women as they rethought and rebuilt themselves their families and their region during a brief but important period of relative freedom

**Politically Incorrect Guide to Real American Heroes** Brion McClanahan, 2012-11-12 As presidential candidates sling dirt at each other America desperately needs a few real heroes Tragically liberal historians and educators have virtually erased traditional American heroes from history According to the Left the Founding Fathers were not noble architects of America but selfish demagogues And self made entrepreneurs like Rockefeller were robber barons and corporate polluters Instead of honoring great men from America s past kids today now idolize rock stars pro athletes and Hollywood celebrities In his new book *The Politically Incorrect Guide to Real American Heroes* author Brion McClanahan rescues the legendary deeds of the greatest Americans and shows why we ought to venerate heroes like Captain John Smith adventurer Daniel Boone General Robert E Lee and many more *The Politically Incorrect Guide to Real American Heroes* not only resuscitates America s forgotten heroes but sheds light on the Left s most cherished figures including Franklin Delano Roosevelt and the Kennedys With biting wit and devastating detail McClanahan strikes back against the multicultural narrative peddled by liberal historians who make heroes out of pop culture icons and corrupt politicians In America s hour of peril McClanahan s book is a timely and entertaining call to remember the heritage of this great nation and the heroes who built it

*Life of Whittier's Heroine, Barbara Fritchie* Henry Morris Nixdorff, 1887

*Italy in Early American Cinema* Giorgio Bertellini, 2010 Giorgio Bertellini traces the origins of American cinema s century long fascination with Italy and Italian immigrants to the popularity of the pre photographic aesthetic the picturesque Once associated with landscape painting in northern Europe the picturesque came to symbolize Mediterranean Europe through comforting views of distant landscapes and exotic characters Taking its cue from a picturesque stage backdrop from *The Godfather Part II* *Italy in Early American Cinema* shows how this aesthetic was transferred from 19th century American painters to early 20th century American filmmakers *Italy in Early American Cinema* offers readings of early films that pay close attention to how landscape representations that were related to narrative settings and filmmaking locations conveyed distinct ideas about racial difference and national destiny

Embark on a breathtaking journey through nature and adventure with is mesmerizing ebook, Witness the Wonders in **Confederate Heroes And Heroines** .
