Confederate Research Sources:

Confederate Research Sources James C. Neagles, 1986 The information in this book will considerably decrease the time the researcher needs to become oriented after arriving at any of the facilities listed in this book and should guarantee that a valuable genealogical source is not overlooked The author traveled to each of the Confederate and border states to determine exactly what Confederate records are to be found in those state archives and libraries Introd *The Source* Loretto Dennis Szucs, Sandra Hargreaves Luebking, 2006 Genealogists and other historical researchers have valued the first two editions of this work often referred to as the genealogist's bible The new edition continues that tradition Intended as a handbook and a guide to selecting locating and using appropriate primary and secondary resources The Source also functions as an instructional tool for novice genealogists and a refresher course for experienced researchers More than 30 experts in this field genealogists historians librarians and archivists prepared the 20 signed chapters which are well written easy to read and include many helpful hints for getting the most out of whatever information is acquired Each chapter ends with an extensive bibliography and is further enriched by tables black and white illustrations and examples of documents Eight appendixes include the expected contact information for groups and institutions that persons studying genealogy and history need to find *Death of a Confederate* Arthur N. Skinner, James L. Skinner, 2011-08-15 Spanning nearly a century the letters in this collection revolve around a central event in the history of a southern family the death of the eldest son owing to sickness contracted during service in the Confederate Army The letters reveal a slaveowning family with keen interests in art music and nature and an unshakable belief in their religion and in the Confederate cause William Seagrove Smith was a private in the signal corps of the Eighteenth Battalion Georgia Infantry Smith was part of the force defending Savannah until it fell in late 1864 and then marched with General William J Hardee in his famous retreat out of the city and through the Carolinas Like so many other soldiers on both sides of the conflict William Smith fell not at the hands of an enemy but from disease He died in Raleigh North Carolina on July 7 1865 A parallel and complementary story about William's younger brother Archibald also emerges in the letters As a cadet at Georgia Military Institute Archibald was as his parents fervently wished exempt from service however he ultimately saw and survived action before the war's end Scattered among the many lines in the letters that are devoted to the two brothers are a wealth of particulars about agricultural industrial and social life in the family's north Georgia community of Roswell the Smith family's flight from Sherman's invasion force their lives as refugees in south Georgia and a final reunion of the Smith brothers outside of Savannah just after the city's fall Also included are a number of moving exchanges between the Smiths and the family that cared for William in his final days A brief history of the Smith family through 1863 begins the correspondence while the letters following the war reveal their fortitude in the face of William's death and the hardships of Reconstruction The volume concludes with selected letters from the subsequent generation of Smiths who conjure images of the Old South and revive the memory of William Like the most distinguished

Civil War era letter collections The Death of a Confederate introduces a personal dimension to its story that is often lost in histories of this sweeping event **Encyclopedia of the Confederacy** Richard Nelson Current,1993 V 1 Adam Curr V 2 Dahl Loma V 3 Long Shil V 4 Shin Zall A Journal of the American Civil War: V5-1 Theodore P. Savas,David A. Woodbury,2021-12-31 Balanced and in depth military coverage all theaters North and South in a non partisan format with detailed notes offering meaty in depth articles original maps photos columns book reviews and indexes Collection of The Museum of the Confederacy 14th TN Infantry as seen by a sergeant 40th GA Infantry as seen by a major the Washington Artillery The Germans of Charleston, Richmond and New Orleans during the Civil War Period, 1850-1870 Andrea Mehrländer,2011-05-26 This work is the first monograph which closely examines the role of the German minority in the American South during the Civil War In a comparative analysis of German civic leaders businessmen militia officers and blockade runners in Charleston New Orleans and Richmond it reveals a German immigrant population which not only largely supported slavery but was also heavily involved in fighting the war A detailed appendix includes an extensive survey of primary and secondary sources including tables listing the members of the all German units in Virginia South Carolina and Louisiana with names place of origin rank occupation income and number of slaves owned This book is a highly useful reference work for historians military scholars and genealogists conducting research on Germans in the American Civil War and the American South **Ancestry magazine** ,1996-05 Ancestry magazine focuses on genealogy for today s family historian with tips for using Ancestry com advice from family history experts and success stories from genealogists across the globe Regular features include Found by Megan Smolenyak reader submitted heritage recipes Howard Wolinsky s tech driven NextGen feature articles a timeline how to tips for Family Tree Maker and insider insight to new tools and records at Ancestry com Ancestry magazine is published 6 times yearly by Ancestry Inc parent company of Ancestry com

Compendium of the Confederacy: M-Z ,1989 *Ancestry magazine* ,1994-05 Ancestry magazine focuses on genealogy for today s family historian with tips for using Ancestry com advice from family history experts and success stories from genealogists across the globe Regular features include Found by Megan Smolenyak reader submitted heritage recipes Howard Wolinsky s tech driven NextGen feature articles a timeline how to tips for Family Tree Maker and insider insight to new tools and records at Ancestry com Ancestry magazine is published 6 times yearly by Ancestry Inc parent company of Ancestry com **Louisianians in the Western Confederacy** Stuart Salling,2014-01-10 The Louisiana Brigade served the Confederacy in the Army of Tennessee battling on the western frontier Commanded by Daniel W Adams and Randall L Gibson the brigade fought from the Battle of Shiloh in April 1862 to the surrender at Meridian in May 1865 This volume follows the formation and history of the individual units the politics of command and the war s end and aftermath **Crimson Confederates** Helen P. Trimpi,2010 Though located in the heart of Unionist New England Harvard produced 357 alumni who fought for the South during the Civil War men not just from the South but from the North as well This encyclopedic work

gathers their stories together for the first time providing unprecedented biographical coverage of the Crimson Confederates Included are alumni of Harvard College Law School Medical School and Lawrence Scientific School The emphasis of the entries is on the alumnus s military career whether as an infantry private or as a signal scout as a surgeon or as a teacher in the Confederate Naval Academy as an aide de camp or as an artillery captain The range of participation took these men into all the major battles from the Eastern Theater under Robert E Lee to the Trans Mississippi under Richard Taylor and Sterling Price Their careers spanned firing a gun at Fort Sumter and the earliest battles in Virginia to the closing shots at Bentonville and Mobile Harvard s general officers included two major generals W H F Rooney Lee one of Robert E Lee s sons and John Sappington Marmaduke as well as thirteen brigadiers among them James Rogers Cooke Stephen Elliott States Rights Gist John Echols Ben Hardin Helm Albert Gallatin Jenkins Bradley Tyler Johnson and William Booth Taliaferro Several engineers and scientists from Lawrence Scientific School constructed major fortifications at Vicksburg and in Charleston Harbor while others worked in the Nitre and Mining Bureau An appendix of civilian Harvard alumni who served the Confederacy as congressmen diplomats jurists editors and in other ways is also included This comprehensive remarkably detailed reference work will be valuable for researchers and browsers alike Helen P Trimpi has taught at Stanford College of Notre Dame Belmont California University of Alberta and Michigan State University She is the author of Melville s Confidence Men and American Politics in the 1850s numerous essays on Melville and modern poetry and five volumes of poetry Trimpi is a member of the Company of Military Historians Locating Union & Confederate Records Nancy Justus Morebeck,2001

The Uncivil War Robert R. Mackey,2014-08-04 The Upper South Arkansas Tennessee Kentucky and Virginia was the scene of the most destructive war ever fought on American soil Contending armies swept across the region from the outset of the Civil War until its end marking their passage at Pea Ridge Shiloh Perryville and Manassas Alongside this much studied conflict the Confederacy also waged an irregular war based on nineteenth century principles of unconventional warfare In *The Uncivil War* Robert R Mackey outlines the Southern strategy of waging war across an entire region measures the Northern response and explains the outcome Complex military issues shaped both the Confederate irregular war and the Union response Through detailed accounts of Rebel guerrilla partisan and raider activities Mackey strips away romanticized notions of how the shadow war was fought proving instead that irregular warfare was an integral part of Confederate strategy Confederate Odyssey Gordon L. Jones,2014-11-15 Throughout his life Atlanta resident George W Wray Jr 1936 2004 built a collection of more than six hundred of the rarest Confederate artifacts including not just firearms and edged weapons but also flags uniforms and accoutrements Today Wray s collection forms an integral part of the Atlanta History Center s holdings of some eleven thousand Civil War artifacts *Confederate Odyssey* tells the story of the Civil War through the Wray Collection Analyzing the collection as material evidence Gordon L Jones demonstrates how a slave based economy on the cusp of industrialization attempted to fight an industrial war The broad range of the collection includes many rare or

one of a kind objects such as a patent model and early inventions by gun maker George W Morse the bloodstained coat of a seventeen year old South Carolina soldier battle flags made of cloth imported from England and arms made in Georgia the heart of the Confederacy s burgeoning military industrial complex As Civil War history Confederate Odyssey benefits from the study of material remains as it bridges the domains of professional scholars and amateur collectors such as Wray The book tells of the stories significance and context of these artifacts to general readers and Civil War buffs alike The Wray Collection is more than a gathering of relics it is a tale of historical truths revealed in small details Cullman County, Alabama Confederate Soldiers Robin Sterling,2013-07-11 At the time of the Civil War Cullman County did not exist It was carved mostly from the East side of Winston and the West side of Blount in 1877 This book attempts to identify all of the Confederate soldiers originating from the area which became Cullman County as well as those who migrated to the county after the War The book also contains rare first person accounts of the war as told by Cullman County residents George Martin Holcombe and Elijah Wilson Harper and printed in the Cullman Alabama Tribune This book is important to the genealogy and history of Cullman County and contains much previously unpublished information on the old soldiers It contains service records pension applications births deaths marriages and obituaries *A Companion to American Military History* James C. Bradford,2009-11-03 With more than 60 essays A Companion to American MilitaryHistory presents a comprehensive analysis of the historiographyof United States military history from the colonial era to thepresent Covers the entire spectrum of US history from the Indian andimperial conflicts of the seventeenth century to the battles inAfghanistan and Iraq Features an unprecedented breadth of coverage from eminentmilitary historians and emerging scholars including little studiedtopics such as the military and music military ethics care of thedead and sports Surveys and evaluates the best scholarship on every importantera and topic Summarizes current debates and identifies areas whereconflicting interpretations are in need of further study *The Confederate Army, A Regiment: An Analysis Of The Forty-Eighth Tennessee Volunteer Infantry Regiment, 1861-1865* Major Kincaid Gerald,2014-08-15 The performance of an army is often evaluated by its achievements as a whole or by that of its commanders or perhaps even its divisions Often lost in the equation is the small unit After the great plans are complete and the logistics preparations are accomplished it is the collective performance of the small unit that ultimately decides the battle This thesis analyses the campaigns soldiers organization equipment and performance of just one regiment the 48th Tennessee Volunteer Infantry Material concerning the 48th includes numerous primary sources the Official Records Confederate Veteran The Southern Historical Papers Southern Bivouac local histories and the CARL microfiche library of unit histories Note the 48th is not included in these unit histories Other primary references include war diaries of two officers three enlisted men and copies of the 48th s Quartermaster records This thesis concludes that while training and equipment of the 48th was sometimes poor it was effective in numerous engagements despite its relative small size The ultimate demise of the unit was due to personnel losses *Hood's Texas*

Brigade in the Civil War Edward B. Williams, 2012-08-09 Of the many infantry brigades in Robert E Lee's Army of Northern Virginia John Bell Hood's Texas Brigade earned the reputation as perhaps the premier unit From 1862 until Lee's surrender at Appomattox the brigade fought in most of the major campaigns in the Eastern Theater and several more in the Western including the Seven Days Second Manassas Second Bull Run Sharpsburg Antietam Fredericksburg Gettysburg Chickamauga Chattanooga Knoxville the Wilderness Spotsylvania Court House Cold Harbor the siege of Richmond and Petersburg and Appomattox Distinguished for its fierce tenacity and fighting ability the brigade suffered some of the war's highest casualties This volume chronicles Hood's Texas Brigade from its formation through postwar commemorations providing a soldier's eye view of the daring and bravery of this remarkable unit

The Synans of Virginia Vinson Synan, 2003-08 William Synan was born in about 1800 in County Cork Ireland He emigrated in about 1812 and settled in Virginia He married Sarah Terry daughter of Emmanuel Terry 9 January 1821 in Louisa County Virginia They had six children Descendants and relatives lived mainly in Virginia Includes Blankenbaker Brooks Riley and related families

Rebels against the Confederacy Barton A. Myers, 2014-10-13 In this groundbreaking study Barton A Myers analyzes the secret world of hundreds of white and black Southern Unionists as they struggled for survival in a new Confederate world resisted the imposition of Confederate military and civil authority began a diffuse underground movement to destroy the Confederacy joined the United States Army as soldiers and waged a series of violent guerrilla battles at the local level against other Southerners Myers also details the work of Confederates as they struggled to build a new nation at the local level and maintain control over manpower labor agricultural and financial resources which Southern Unionists possessed The story is not solely one of triumph over adversity but also one of persecution and ultimately erasure of these dissidents by the postwar South's Lost Cause mythologizers
