Confederate Season Poems:

Confederate Patriot, Journalist, and Poet: Jorge A. Marbán, 2014-05 Jos Agustín Quintero 1829-1885 was a Cuban American from New Orleans Louisiana who skillfully and energetically represented the Confederacy in northeastern Mexico during the Civil War. This dynamic multilingual leader helped coordinate the defensive plans necessary to protect the Texas border and insure the procurement of war material and provisions vital to the Southern Army. He is a relatively unknown but fascinating figure in many ways: a native of Cuba who participated in his country's struggle for independence against Spain; an outstanding writer of Cuban patriotic poetry; and an American who was highly respected and recognized for his legal and journalistic accomplishments as well as his significant diplomatic contributions to the Southern Cause. This is the story of a man of extraordinary culture, an extremely intelligent, capable and determined immigrant who believed passionately in a cause and dedicated much of his short life to it. *Margaret Junkin Preston, Poet of the Confederacy* Stacey Jean Klein, 2007. A look at the life and prolific writings of Stonewall Jackson's sister-in-law Margaret Junkin Preston 1820-1897, who was once deemed by the Washington Post to be one of the really famous American authors of the day. A prolific author of poetry and fiction, she came to popular acceptance despite masculine disapproval of female writers, especially in the South. In this comprehensive literary biography, Klein maps the progress by which this Pennsylvania native became a celebrated poet of the Confederacy and eventually an established author of national prominence. Margaret's father, Presbyterian minister Rev. Dr. George Junkin, served by turn as president of Lafayette College in Easton, Pennsylvania; Miami University in Oxford, Ohio; and Washington College in Lexington, Virginia, a career path that exposed Margaret and her sister Eleanor to a superior education. While in Virginia, Eleanor married Major Thomas J. Jackson, later Confederate general Stonewall Jackson, in 1853 and died tragically soon after following childbirth. In 1857, Margaret married Major John T. L. Preston, a Latin professor at the Virginia Military Institute and widower with seven children. Though her writings had appeared in national magazines, Preston gave up her writing career in exchange for household duties of marriage. But with the onset of war, Preston again took to wielding her pen, this time through a series of Confederate nationalist verses. The death of Stonewall Jackson and the invasion of her home by Federal troops solidified for Preston the high personal cost of war and compounded her belief in the Confederate cause as just. Her most notable piece from this period is a long narrative poem, *Beechenbrook: A Rhyme of the War*, published in 1865. After the war, Preston saw in her writings an opportunity to validate the lost cause ethos of the former Confederacy and to propose expanded roles for women in reshaping Southern society. It is during this period, Klein notes, that Preston's works advanced in sophistication and captured a wide readership. **Confederate Minds** Michael T. Bernath, 2010-07-10. During the Civil War, some Confederates sought to prove the distinctiveness of the southern people and to legitimate their desire for a separate national existence through the creation of a uniquely southern literature and culture. Michael Bernath follows the activities of a group of southern writers, thinkers, editors, publishers, educators, and ministers whom he labels Confederate

cultural nationalists in order to trace the rise and fall of a cultural movement dedicated to liberating the South from its longtime dependence on Northern books periodicals and teachers By analyzing the motives driving the struggle for Confederate intellectual independence by charting its wartime accomplishments and by assessing its failures Bernath makes provocative arguments about the nature of Confederate nationalism life within the Confederacy and the perception of southern cultural distinctiveness

Confederate Sympathies Andrew Donnelly, 2025-04-14 The archive of the Civil War era is filled with depictions of men s same sex affections and intimacies Across antebellum campaign biographies proslavery fiction published memoirs of Confederate veterans and Union prisoners of war Civil War novels newspaper accounts and the war s historiography homoerotic symbolism and narratives shaped the era s politics as well as the meaning and memory of the war The Civil War in turn shaped the development of homosexuality in the United States In a book full of surprising insights Andrew Donnelly uncovers this deeply consequential queer history at the heart of nineteenth century national culture Donnelly s sharp analytical eye particularly focuses on the ways Northern white men imagined their relationship with white Southerners through narratives of same sex affection Assessing the cultural work of these narratives Donnelly argues that male homoeroticism enabled proslavery coalition building among antebellum Democrats fostered sympathy for the national retreat from Reconstruction and contributed to the victories of Lost Cause ideology Linking the era s political and cultural history to the history of homosexuality Donnelly reveals that male homoeroticism was not inherently radical but rather cultivated political sympathy for slavery the Confederacy and white supremacy

Poet of the Lost Cause Donald Robert Beagle, Bryan Albin Gienza, 2008 The result of meticulous scholarship and decades of careful collecting to create a body of reliable information this definitive full length biography of the enigmatic Confederate poet presents a close examination of the man behind the myth and separates Lost Cause legend from fact Jacket
