Confessing Christ In The Twenty First Century:

Confessing Christ in the Twenty-First Century Mark Douglas, 2005-06-09 Confessing Christ in the Twenty First Century written for the layperson and for those who lead and teach them challenges the readers to think about how their confession is the basis for claiming not only a relationship to a savior but a way of living in the world a politics that is countercultural in the literal sense of that term At the same time it comforts them by reminding that the Lord they proclaim is one who opens up a way of living in genuine freedom and equality with others Douglas probes essential issues in philosophy theology worship ethics and politics in a way that offers understanding and a comprehensive view even as it stimulates readers to explore the meaning of their faith in vigorous conversation Confessing Christ Keith S. Whitfield, Steven A. McKinion, Christine E. Thornton, 2024-11-01 Edited by Baptist scholars Steven A McKinion Christine E Thornton and Keith S Whitfield Confessing Christ An Introduction to Baptist Dogmatics offers a unique and comprehensive exploration of Baptist theology Grounded in the belief that theology is both exploratory and explanatory the book introduces a historical covenantal ecclesial and confessional approach to Baptist Dogmatics Each essay delves into a specific area of dogmatic theology covering essential topics such as God Scripture anthropology Christology salvation ecclesiology the sacraments the Christian life and eschatology The volume editors emphasize the importance of renewing Baptist life and mission through a rediscovery of the rich theological heritage By understanding and engaging with this tradition Baptist Christians can express their faith more authentically in the contemporary context and future endeavors The book s four key elements historical covenantal ecclesial and confessional provide a structured framework for exploring core Christian doctrines within the context of Baptist dogmatics Each chapter incorporates biblical exegesis and dialogue with at least one historical Baptist theologian Confessing Christ stands as a significant contribution to the field of Baptist dogmatics serving as essential reading for Baptist scholars pastors and church leaders seeking a deeper understanding of the Baptist theological tradition and its contemporary relevance *Pentecostal Theology for the Twenty-First Century* May Ling Tan-Chow, 2016-05-13 In our post 9 11 world where there is a growing religious fundamentalism and when both exclusion and easy tolerance are inadequate options this book offers a creative alternative arguing that Pentecostalism has the potential to be a peaceful harbinger of plurality The potential lies in its spirituality a lively pneumatology and eschatology The eschatological Spirit is seen as orientated towards the other crossing boundaries in redemptive embrace transcending exclusion and easy tolerance This book s non Western perspective and the empirical contextual study of Singapore s multicultural and multi faith context are unique contributions to religion and society This is a book for students pastors teachers and theologians concerned for an approach to mission that is sensitive to their context who want to learn from a creative theological voice from what has been perhaps the largest religious movement in history and who see the immense potential in lively theology by Christians of the Chinese diaspora who can speak to the many millions of ethnic Chinese Christians This book will also appeal to those outside Christianity who

are interested in its attempts to engage with a complex multi ethnic and multi religious situation such as that in Singapore

Socio-ethical Life of the East African Revival Movement Robinson Kariuki Mwangi, 2025-03-31 Sanctification is an essential part of every Christian life But how do its differing theologies shape our Christian walk and wider socio ethic contexts Grounded in the East Africa Revival Movement EARM this work seeks to answer how the Keswick theology of sanctification contributes to the socio ethical understanding of walking in the light and consequently influences the mission of the Anglican Church in the Mount Kenya region Dr Robinson Kariuki Mwangi uses careful exegetical analysis to understand the biblical roots of revival and calls us to action in showing what our faith stands for integrating practical theology with pastoral practice Scholars of theology and lived Christianity will find the observations in this work informative for further study Confessing the Faith Yesterday and Today Alan P.F. the Christian Just War Tradition Mark Douglas, 2022-05-26 Explicates the way the Christian just war tradition shaped modernity and modernity s blindness to the interpenetration of nature and politics This book sits uniquely at the intersection of just war thinking environmental history and theological ethics Confession of the Christian Religion Girolamo

Zanchi,2025-03-06 In response to the Lutheran Formula of Concord representatives of Reformed churches commissioned Girolamo Zanchi to draft a confession of faith acceptable to all Reformed churches Zanchi patterned his Confession of the Christian Religion after the Apostles Creed giving it a broadly Trinitarian and redemptive historical structure that emphasizes God's saving work for His people in His incarnate Son It is a synthesis of his exegetical doctrinal and pastoral interests and stands out among his numerous publications as a useful and accessible overview of the entire Reformed theological system of doctrine Although the project never attained confessional status at the ecclesiastical level as was planned Zanchi's Confession proved influential in both the Reformed theological tradition generally and the development of Reformed dogmatics in particular

Slaves of Christ Robert Gadeken,2025-05-29 No one in the first century could imagine a world without slavery Yet it was merely part of an entire social system of obligation in which no one was entirely free Responsibility was built into their world whether service to or benefit from those above them These relationships defined them Modern Christians have lost the sense of responsibility and obedience that is part of a relationship with Jesus Their obsession with freedom and independence threatens their relationship with Jesus They see slavery as the opposite of freedom but the early Christians saw slavery to Jesus as the only real freedom When Paul said Christians are slaves of Christ he said it with joy Moderns who take that phrase as a metaphor for commitment miss the point It is a definition It is a relationship that defines a person As Luther said a Christian is someone who has been purchased with the blood of Christ that I may be his own live under him and serve him When modern Christians recover the meaning of slave of Christ they too can say it with joy

Thomas,2010-11-01 This study is the first comprehensive history of the impact of the modern missionary movement on the understanding of and work toward Christian unity It tells stories from all branches of the church Roman Catholic Orthodox and Protestant in its many types conciliar evangelical Pentecostal and independent Part 1 Historical highlights the contribution of modern missions to Christian unity from William Carey and his antecedents and peers to present day missions Part 2 Ten Models of Unity takes an inductive approach to history asking not how should Christians cooperate but how has the missionary movement helped Christians to work together at the local national regional and global level Part 3 Wider Ecumenism broadens the evidence to include how the missions movement has helped not only institutional churches but also broader society to have concern for the unity of the entire human family Included here is the story of how the Protestant missionary movement influenced the forming of the United Nations as well as the drafting of the Universal Declaration of Human Rights The study also covers the movement's impact on Christian attitudes toward and relations with persons of other faiths Mission and Unity is the standard reference work in the field for persons studying modern history modern church history missions and ecumenics

Who Is the Church? An Ecclesiology for the Twenty-First Century Cheryl M. Peterson,2013-05-01 Many congregations today are beset by fears whether over loss of members and money or of irrelevancy in an increasingly pluralistic society To counter this many congregations focus on strategy and

purpose what churches do but Cheryl Peterson submits that mainline churches need to focus instead on what or who they are to reclaim a theological rather than sociological understanding of themselves To do this she places the questions of the church's identity and mission into a conversation with the primary ecclesiological paradigms of the past century the neo Reformation concept of the church as a word event and the ecumenical paradigms of the church as communion She argues that these two paradigms assume a context of cultural Christendom that no longer exists focused on the church that is gathered rather than the missional church that is sent out

Great Commission, Great Confusion, or Great Confession? Lucas V. Woodford, 2012-04-26 There is a great debate going on in the church today It centers on one question What is the mission of the church From culturally relevant emerging congregations to strategic methods of organization and outreach many claim they have the answer They say the mission must become missional Yet the churches of North America continue to struggle Uncertainty is growing What does it really mean to be missional Competing claims abound Get the message out Get the message right Great confusion has set in particularly in the postmodern North American church The Gospel is getting lost Yet throughout the ages the creedal confession of the Holy

Christian Church has carried her through uncertainty and struggle The Apostles Creed has steadied and stayed the mission of the church for centuries It centers on the Gospel of Jesus Christ and the work of the Holy Spirit the communion of saints the forgiveness of sins the resurrection of the body and the life everlasting This book celebrates the historic mission of the Holy Christian Church and it invites the North American church to do the same Constants in Context Stephen B. Bevens, Roger P. Schroeder, Roger Schroeder, 2004-01-01 Mission is handicapped without a sound biblical theology of mission and an understanding of the history of mission leading up to our current context Constants in Context offers both of these elements It is mission theology in historical perspective and or a history of mission that is grounded theologically The authors describe it as a systematic theology with mission at its core and a church history shaped by the constant but always contextual Christian traditions Furthermore it is a constructive contribution to how mission theology needs to be practical and lived out through today s church and in our world Written collaboratively by Roman Catholic writers Stephen Bevens and Roger Schroeder both Missionaries of the Divine Word SVDs It is a particularly insightful in regard to the history and the various streams of Catholic mission but it also addresses and learns from the other traditions of the church In fact one of the book s strengths is its attention to neglected aspects and hidden stories of church and mission history As a result it is gratifying to be inspired by non European mission women in mission and various forgotten or often ignored branches of the church The book is in three sections first there is a framework for cultural contexts and theological constants second an in depth exploration of historical stages and different models for mission and third a presentation of theological frameworks for mission The third section concludes with a case for mission as prophetic dialogue being the most appropriate model for 21st century mission Amazon com *1 Corinthians* Dan Nighswander, 2017-10-10 Christians in the bustling diverse city of Corinth in 50 BCE quarreled about how to be faithful to Jesus In Paul s first letter to the Corinthians he calls the small band of new believers to unity and cautions against factionalism themes that pastor Dan Nighswander unpacks for contemporary readers in this thirty second volume in the Believers Church Bible Commentary series Any Christians who experience division over loyalty to different leaders who find it hard to agree on sexual ethics or to live up to them and who feel tension between their theological convictions and social context will find common ground with believers in Corinth Home of the exalted love chapter which roots all Christian action in the greatest gift 1 Corinthians equips those who follow Jesus to craft true community with other believers differences notwithstanding With keen theological biblical and pastoral insight Nighswander illuminates for readers the apostle Paul s challenge to the Corinthian church and calls Christians today to unity through the reconciling work of Christ Free downloadable study guide available here **1-3 John** Matthew O. Sadiku, 2012-09 Every serious student of the Bible desires to understand the text discover the biblical principles and apply the truths to his her life This commentary is designed to help students pastors and Bible teachers understand the book of 1 3 John in a simple manner Working from the popular New International Version NIV the author provides helpful commentary on the text verse by verse

This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible The epistles of John represent a distinctive voice in the New Testament John Wesley regarded them as the deepest part of the holy scriptures John s epistles have enriched and equipped Christians down through the centuries This commentary on the Johannine epistles is a model of clarity and brevity in writing John wrote to urge his readers to love one another live in the truth and watch for false teachers
