Mennonites and Media: Mentioned in It, Maligned by It, and Makers of It Steven P. Carpenter, 2014-12-31 Anabaptists and Mennonites have often been the subject of media scrutiny sometimes admired at other times maligned Luther called them schwarmar a German word meaning fanatics that alludes to a swarm of bees In contrast American independent film producer John Sayles drew inspiration from Mennonite conscientious objectors for his 1987 award winning film Matewan Voltaire's Candide features a virtuous Anabaptist Oscar Wilde's play The Importance of Being Earnest contains an Anabaptist reference An Anabaptist chaplain is central to Joseph Heller's antiwar classic Catch 22 President Lincoln and General Stonewall Jackson both had something to say about Mennonites Garrison Keillor tells Mennonite jokes These are just a few of the dozens of fascinating media references dating from the early 1500s through the present which are chronicled and analyzed here Mennonites although often considered media shy have in fact used media to great advantage in shaping their faith and identity Beginning with the Martyrs Mirror this book examines the

writings of Mennonite authors John Howard Yoder Donald Kraybill Rudy Wiebe Rhoda Janzen and Malcolm Gladwell Citing books film art theater and Ngram the online culturomic tool developed by Harvard University and Google the author demonstrates that Mennonites punch above their weight class in the media and especially in print [Analysis of the Draft of the Confession of Faith in a Mennonite Perspective](#) Arthur G. Hunsberger, 1994 *Mennonite Handbook* Herald Press Editors, 2007-05-09 Seriously accurate and seriously funny here is an essential field guide for all things Mennonite Combining reliable historical and theological information alongside some fun facts The Mennonite Handbook provides very practical tips on being a churchgoing follower of Jesus Christ Step by step instructions on How to Get to Know Your Pastor How to Sing a Four Part Hymn How to Listen to a Sermon What to Bring to a Church Potluck How to Survive a Church Split How to Console Someone How to Memorize a Bible Verse *Christian Confessions* Ted Campbell, 1996-01-01 Ted Campbell examines in a comparative framework the historic teachings of the four major Christian traditions that have shaped our theological heritage Eastern Orthodoxy Roman Catholicism Reformation and Union churches and Evangelical and Free churches He provides an extensive overview of each tradition s particular beliefs on religious authority God and Christ human nature and salvation and church ministry and the sacraments He concludes by considering whether a definable core of Christian teachings cuts across denominational and confessional boundaries *Growth in Agreement III* Jeffrey Gros, Thomas F. Come Out from among Them, and Be Ye Separate, Saith the Lord William H. Brackney, Evan L. Colford, 2020-01-01 Believers Churches have their origin in the Radical Reformation of the sixteenth century Over the past 450 years the movement has included the Brethren Mennonites Hutterites various types of Baptists and the Restoration Movement While never a unified denominational structure the Believers Churches together have been characterized by a strong personal faith in Christ a call to discipleship and Christian activism a high view of the authority of Scripture and profession of faith in believers baptism The Believers Churches have represented their beliefs in various ecumenical settings missionary gatherings and theological conversations In the late 1950s representatives of the several Believers Churches began to meet in a series of conferences to explore their common views on doctrine history and ethics Topics at the conferences have included baptism Lord s Supper the nature of the church and religious voluntarism In 2016 the 17th Believers Church Conference was held at Acadia University and sponsored by Acadia Divinity College The theme was The Tendency Toward Separationism Among the Believers Churches a key recurring characteristic This volume includes the papers presented at the conference and examines the theme from an immediate post Reformation perspective including Baptists Black Baptists

Restorationists including the Churches of Christ the Hutterites Pentecostals the role of women and significantly the separationist tendency as it occurs in New Religious Movements Typologies and analyses are provided by leading historians theologians and social science specialists

From Nonresistance to Justice Ervin R. Stutzman, 2011-03-29 The more things change the more they stay the same From Nonresistance to Justice explores how this is true when it comes to teaching about peace for the former Mennonite Church now part of Mennonite Church USA Has the church changed in regard to its beliefs and practices about peace over the past 100 years Yes Has it remained the same Yes Reading this book will show that both are true Through the book Ervin Stutzman shows how the church moved from an emphasis on nonresistance and nonconformity to engage in advocacy for peace and justice At the same time he presses for a greater emphasis on the way that God's activity must guide our work in the world arguing for a stronger link between God's grace justice and peace

Volume 46 in the Studies in Anabaptist and Mennonite History Series *Exploring Protestant Traditions* W. David Buschart, 2009-09-20 Protestant is shorthand for a spreading family tree of church and theological traditions Each tradition embodies a historically shaped perspective on the beliefs practices and priorities that make up a Christian community Whether you are an insider to one tradition a hybrid of two or three or as many Christians today an outsider to all Exploring Protestant Traditions is a richly informative field guide to eight prominent Protestant theological traditions Lutheran Anabaptist Reformed Anglican Baptist Wesleyan Dispensational and Pentecostal Clearly and evenhandedly W David Buschart traces the histories of each tradition explains their interpretive approaches to Scripture and identifies their salient beliefs As a result you will gain a sense of what it is to believe and worship as a Reformed or Pentecostal Christian who the traditions heroes are and where the theological accents are placed Charts displaying the denominational representatives of each tradition and bibliographies mapping the path for further explorations add to the value of this guide This is a book that seeks to receive rather than evaluate to listen and understand rather than judge or correct His is a model of theological hospitality that encourages you to open your doors to the varied ways in which Protestantism has taken root in history and human society Some things take time like coming to know a religious tradition But Exploring Protestant Traditions is an excellent place to start

Without Spot or Wrinkle Karl Koop, Mary H. Schertz, 2015-06-18 On February 5 2000 the Institute of Mennonite Studies held a conference at Associated Mennonite Biblical Seminary entitled Without Spot or Wrinkle Reflecting Theologically on the Nature of the Church This conference gave attention to ecclesiology in direct response to challenges that Mennonite church bodies in Canada and the United States have been facing in recent times The phrase without spot or wrinkle comes from Ephesians 5:27 a text addressing relationships between husbands and wives within the Christian household Historically it has also come to symbolize what Mennonites have sometimes believed about the nature of the church Anabaptists and Mennonites who came after them have often maintained that the true church is a gathering of reborn and spiritually regenerated Christians called to be a community free from moral failure At present however some Mennonites

are questioning elements of this conceptual legacy and in light of personal failings and hurtful church schisms are expressing doubts about its practical adequacy and theological tenability The essays in this book do not provide a unified argument What the authors have in common is concern for the church and commitment to faithfulness Readers are invited to reflect on the issues and make their own assessments

Sharing Peace Margaret R. Pfeil, Gerald W. Schlabach, 2013-06-30 *Sharing Peace* brings together leading Mennonite and Catholic theologians and ecclesial leaders to reflect on the recent first ever international dialogue between the Mennonite World Conference and the Vatican The search for a shared reading of history theology of the church and its sacraments or ordinances and understandings of Christ's call to be peacemakers are its most prominent themes Contributors include Scott Appleby Kroc Institute Notre Dame Alan Kreider Associated Mennonite Biblical Seminary Helmut Harder Mennonite co chair of the international dialogue Drew Christiansen SJ Georgetown University Catholic delegate to the international dialogue John Roth Goshen College John Cavadini University of Notre Dame C Arnold Snyder University of Waterloo Mary Doak University of San Diego Elizabeth Groppe Xavier University Thomas Finger author of *A Contemporary Anabaptist Theology* Bishop Gabino Zavala past president of Pax Christi USA Duane Friesen Bethel College Kansas Gerald Schlabach University of St Thomas Mary Schertz Associated Mennonite Biblical Seminary Abbot John Klassen OSB Saint John's Abbey Collegeville Minnesota co chair of Bridgefolk Margaret R Pfeil is assistant professor of moral theology at the University of Notre Dame and a Faculty Fellow of the Joan B Kroc Institute for International Peace Studies She specializes in Catholic social thought She is also a cofounder and resident of St Peter Claver Catholic Worker House in South Bend Indiana and is on the board of Bridgefolk a movement of Mennonites and Roman Catholics who come together to celebrate each other's practices and honor each other's contributions to the mission of Christ's church Gerald W Schlabach is professor of theology and director of the Justice and Peace Studies program at the University of St Thomas in St Paul Minnesota He is cofounder and executive director of Bridgefolk His books include *Just Policing Not War An Alternative Response to World Violence* Liturgical Press 2007 and *Unlearning Protestantism Sustaining Christian Community in an Unstable Age*

DENOMINATIONS: FROM GOD OR MAN? Volume Three John F. Lugg, 2025-03-06 Having faith in and believing in the validity of the Scriptures as absolute truth is becoming increasingly critical as we examine these more recent denominations Paul told Timothy All Scripture is inspired by God and profitable for teaching for reproof for correction for training in righteousness so that the man of God may be adequate equipped for every good work 2 Timothy 3 16 17 That was true in Paul's day and continues to be true today The importance of that belief is revealed in this book as it contains two groups in particular that have compromised on this passage the Presbyterian Church taking the position that Scripture has either no error or being written by men contains much error with numerous views in between all views being tolerated and accepted by their Constitution And the other group the Methodist Church who claim The Bible's true authority does not lie in its verbal inerrancy or even its factual accuracy it's power is not demonstrated in winning arguments but in transforming

lives To properly understand Scripture Methodists insist one must filter God's Word through a lens of tradition reason and experience Why are the Scriptures God's Holy Word profitable for teaching for reproof for correction and training in righteousness not sufficient today Why are they being accused of lacking factual accuracy Why the need to filter them to be understood Seeking an answer to these is but one goal of this third volume Denominations From God or Man **Concern for Church Polity and Discipline** Laura Schmidt Roberts, 2022-03-30 CONCERN A Pamphlet Series for Questions of Christian Renewal was born in the 1950s of shared concerns over a gap between an Anabaptist vision and contemporary North American Mennonite reality The initial group views the increasingly hierarchical denominational structure the emergence of centralized professionalized pastoral ministry and the resultant changes in polity and practice as fundamentally incompatible with a Believers Church ecclesiology Essays here present that critique and discussion of the reconfiguration of pastoral and communal authority as well as the assertion that reclamation of a disciplined priesthood of all believers is the path of Christian renewal Today the question of what institutional forms best structure the leadership authority and shared life of congregations persists marked by particular concern to attend to the exercise of power within actual communities of faith For a Church to Come Peter C. Blum, 2013-03-05 Taking a cue from one of the most famous postmodern thinkers Friedrich Nietzsche the essays in this book put forth experiments in thought rather than arguments for fixed conclusions Blum brings John Howard Yoder to the same table with Nietzsche Michel Foucault and Jacques Derrida and provides a provocative glimpse of what the resulting conversation might look like As Anne Lamott and others have recently insisted faith is not the opposite of doubt but of certainty Blum's essays explore some of our commonly held ways of talking about knowledge meaning commitment and action He suggests that some postmodern theoretical work often dismissed or assumed to be anti Christian is well worth bringing into contemporary Anabaptist Mennonite conversations about discipleship and corporate life Part of the Polyglossia series this book is intended for conversation among academics ministers and laypersons regarding knowledge beliefs and practices of the Christian faith Participating Witness Anthony G. Siegrist, 2013-08-21 At a time when the fractious legacy of the Protestant Reformation is coming under new scrutiny Anthony Siegrist explores the implications of ecumenism for believers baptism Writing from within the tradition of the Radical Reformation he challenges dominant ecclesiological assumptions and argues that this central practice needs to be reconstrued Siegrist works constructively to develop a concrete account of believers baptism that attends closely to the dynamics of divine initiation Siegrist deliberately stretches the traditional Anabaptist conversation to include not just expected voices like Yoder and Marpeck but also luminaries from the broader Christian tradition Barth Bonhoeffer and a variety of ancient sources are creatively engaged The intent of Participating Witness is eminently practical but its argumentation is carried out with theological rigor
